(c) “Code” means the Internal Revenue Code of 1986, as amended, and all regulations promulgated thereunder;

(d) “County” shall mean Williamson County, Tennessee;

(e) “Depository” means any securities depository that is a clearing agency under federal laws operating and maintaining, with its participants or otherwise, a Book-Entry System, including, but not limited to, DTC;

Section 4. Authorization and Terms of the Bonds.

(a) For the purpose of providing funds to refund the Refunded Bonds and pay the costs incident to the issuance and sale of the Bonds, as more fully set forth in Section 9 hereof, there are hereby authorized to be issued bonds of the County in an aggregate principal amount sufficient to pay the principal of, interest on, and redemption premium (if any) on the Refunded Bonds and pay costs of issuance of the Bonds. The Bonds shall be issued in fully registered, book-entry only form, without coupons, shall be issued in one or more emissions, shall be known as "County District School Refunding Bonds" and shall have such series designation and dated date as shall be determined by the County Mayor pursuant to Section 8 hereof. The aggregate true interest rate on the Bonds shall not exceed the maximum interest rate permitted by applicable law at the time of the sale of the Bonds, or any emission thereof. Subject to the adjustments permitted pursuant to Section 8 hereof, interest on the Bonds shall be payable semi-annually on April 1 and October 1 in each year, commencing October 1, 2020. The Bonds shall be issued initially in \$5,000 denominations or integral multiples thereof, as shall be requested by the original purchaser, and shall mature, either serially or through mandatory redemption on April 1 of each year, with a final maturity not exceeding one year beyond the final maturity date of the Refunded Bonds.

(b) Subject to the adjustments permitted pursuant to Section 8 hereof, the Bonds shall not be subject to redemption at the option of the County prior to their stated maturities. If the County Mayor should adjust the terms of the Bonds to allow for optional redemption, and if less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be selected by the Governing Body in its discretion. If less than all of the Bonds within a single maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

(c) Pursuant to Section 8 hereof, the County Mayor is authorized to sell the Bonds, or any maturities thereof, as term bonds with mandatory redemption requirements corresponding to the maturities set forth herein or as determined by the County Mayor. In the event any or all the Bonds are sold as term bonds, the County shall redeem term bonds on redemption dates corresponding to the maturity dates set forth herein, in aggregate principal amounts equal to the maturity amounts established pursuant to Section 8 hereof for each redemption date, as such maturity amounts may be adjusted pursuant to Section 8 hereof, at a price of par plus accrued interest thereon to the date of redemption. The term bonds to be redeemed within a single maturity shall be selected in the manner described in subsection (b) above.

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such mandatory redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.

(d) Notice of call for redemption, whether optional or mandatory, shall be given by the Registration Agent on behalf of the County not less than thirty (30) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the Bonds for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant or Beneficial Owner will not affect the validity of such redemption. The Registration Agent shall mail said notices as and when directed by the County pursuant to written instructions from an authorized representative of the County (other than for a mandatory sinking fund redemption, notices of which shall be given on the dates provided herein) given at least forty-five (45) days prior to the

redemption date (unless a shorter notice period shall be satisfactory to the Registration Agent). From and after the redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth herein. In the case of a Conditional Redemption, the failure of the County to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.

(e) The County Mayor is hereby authorized and directed to appoint the Registration Agent for the Bonds and the Registration Agent so appointed is authorized and directed to maintain Bond registration records with respect to the Bonds, to authenticate and deliver the Bonds as provided herein, either at original issuance or upon transfer, to effect transfers of the Bonds, to give all notices of redemption as required herein, to make all payments of principal and interest with respect to the Bonds as provided herein, to cancel and destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer, to furnish the County at least annually a certificate of destruction with respect to Bonds canceled and destroyed, and to furnish the County at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds. The County Mayor is hereby authorized to execute and the County Clerk is hereby authorized to attest such written agreement between the County and the Registration Agent as they shall deem necessary and proper with respect to the obligations, duties and rights of the Registration Agent. The payment of all reasonable fees and expenses of the Registration Agent for the discharge of its duties and obligations hereunder or under any such agreement is hereby authorized and directed.

(f) The Bonds shall be payable, both principal and interest, in lawful money of the United States of America at the main office of the Registration Agent. The Registration Agent shall make all interest payments with respect to the Bonds by check or draft on each interest payment date directly to the registered owners as shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by depositing said payment in the United States mail, postage prepaid, addressed to such owners at their addresses shown on said Bond registration records, without, except for final payment, the presentation or surrender of such registered Bonds, and all such payments shall discharge the obligations of the County in respect of such Bonds to the extent of the payments so made. Payment of principal of and premium, if any, on the Bonds shall be made upon presentation and surrender of such Bonds to the Registration Agent as the same shall become due and payable. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each. In the event the Bonds are no longer registered in the name of DTC, or a successor Depository, if requested by the Owner of at least \$1,000,000 in aggregate principal amount of the Bonds, payment of interest on such Bonds shall be paid by wire transfer to a bank within the continental United States or deposited to a designated account if such account is maintained with the Registration Agent and written notice of any such election and designated account is given to the Registration Agent prior to the record date.

(g) Any interest on any Bond that is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid by the County to the persons in whose names the Bonds are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be

fixed in the following manner: the County shall notify the Registration Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the County shall deposit with the Registration Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Registration Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section provided. Thereupon, not less than ten (10) days after the receipt by the Registration Agent of the notice of the proposed payment, the Registration Agent shall fix a Special Record Date for the payment of such Defaulted Interest which Date shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered owners. The Registration Agent shall promptly notify the County of such Special Record Date and, in the name and at the expense of the County, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each registered owner at the address thereof as it appears in the Bond registration records maintained by the Registration Agent as of the date of such notice. Nothing contained in this Section or in the Bonds shall impair any statutory or other rights in law or in equity of any registered owner arising as a result of the failure of the County to punctually pay or duly provide for the payment of principal of, premium, if any, and interest on the Bonds when due.

(h) The Bonds are transferable only by presentation to the Registration Agent by the registered owner, or his legal representative duly authorized in writing, of the registered Bond(s) to be transferred with the form of assignment on the reverse side thereof completed in full and signed with the name of the registered owner as it appears upon the face of the Bond(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Bond(s) in such form and with such documentation, if any, the Registration Agent shall issue a new Bond or the Bond to the assignee(s) in \$5,000 denominations, or integral multiples thereof, as requested by the registered owner requesting transfer. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the publication of notice calling such Bond for redemption has been made, nor to transfer or exchange any Bond during the period following the receipt of instructions from the County to call such Bond for redemption; provided, the Registration Agent, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Bond, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bonds shall be overdue. The Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in any authorized denomination or denominations.

(i) The Bonds shall be executed in such manner as may be prescribed by applicable law, in the name, and on behalf, of the County with the manual or facsimile signature of the County Mayor and with the official seal, or a facsimile thereof, of the County impressed or imprinted thereon and attested by the manual or facsimile signature of the County Clerk.

(j) Except as otherwise provided in this resolution, the Bonds shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities

depository for the Bonds. References in this Section to a Bond or the Bonds shall be construed to mean the Bond or the Bonds that are held under the Book-Entry System. One Bond for each maturity shall be issued to DTC and immobilized in its custody. A Book-Entry System shall be employed, evidencing ownership of the Bonds in authorized denominations, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant's interest in the Bonds. Beneficial ownership interests in the Bonds may be purchased by or through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners." The Beneficial Owners shall not receive the Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Bonds. Transfers of ownership interests in the Bonds shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE BONDS, THE REGISTRATION AGENT SHALL TREAT CEDE & CO., AS THE ONLY HOLDER OF THE BONDS FOR ALL PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS, RECEIPT OF NOTICES, VOTING AND REQUESTING OR DIRECTING THE REGISTRATION AGENT TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS RESOLUTION.

Payments of principal, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid by the Registration Agent directly to DTC or its nominee, Cede & Co. as provided in the Letter of Representation relating to the Bonds from the County and the Registration Agent to DTC (the "Letter of Representation"). DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. The County and the Registration Agent shall not be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the County determines that the continuation of the Book-Entry System of evidence and transfer of ownership of the Bonds would adversely affect their interests or the interests of the Beneficial Owners of the Bonds, the County shall discontinue the Book-Entry System with DTC. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner. If the purchaser of the Bonds, or any emission thereof, does not intend to reoffer the Bonds to the public, then the County Mayor and the purchaser may agree that the Bonds be issued in the form of fully-registered certificated Bonds and not utilize the Book-Entry System.

THE COUNTY AND THE REGISTRATION AGENT SHALL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DTC PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE BONDS; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE BONDS; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS RESOLUTION TO BE

GIVEN TO BENEFICIAL OWNERS, (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS OWNER.

(k) The Registration Agent is hereby authorized to take such action as may be necessary from time to time to qualify and maintain the Bonds for deposit with DTC, including but not limited to, wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC (or any of its designees identified to the Registration Agent) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the owners of the Bonds, provided, however, that the Registration Agent shall not be liable with respect to any such arrangements it may make pursuant to this section.

(l) The Registration Agent is hereby authorized to authenticate and deliver the Bonds to the original purchaser, upon receipt by the County of the proceeds of the sale thereof and to authenticate and deliver Bonds in exchange for Bonds of the same principal amount delivered for transfer upon receipt of the Bond(s) to be transferred in proper form with proper documentation as hereinabove described. The Bonds shall not be valid for any purpose unless authenticated by the Registration Agent by the manual signature of an officer thereof on the certificate set forth herein on the Bond form.

(m) In case any Bond shall become mutilated, or be lost, stolen, or destroyed, the County, in its discretion, shall issue, and the Registration Agent, upon written direction from the County, shall authenticate and deliver, a new Bond of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Bond, or in lieu of and in substitution for such lost, stolen or destroyed Bond, or if any such Bond shall have matured or shall be about to mature, instead of issuing a substituted Bond the County may pay or authorize payment of such Bond without surrender thereof. In every case the applicant shall furnish evidence satisfactory to the County and the Registration Agent of the destruction, theft or loss of such Bond, and indemnity satisfactory to the County and the Registration Agent; and the County may charge the applicant for the issue of such new Bond an amount sufficient to reimburse the County for the expense incurred by it in the issue thereof.

Section 5. Source of Payment. The Bonds shall be payable from unlimited ad valorem taxes to be levied on all taxable property within that portion of the County lying outside the territorial boundaries of the Franklin Special School District. For the prompt payment of the debt service on the Bonds, and subject to the limitation set forth in the preceding sentence, the full faith and credit of the County are hereby irrevocably pledged.

Section 6. Form of Bonds. The Bonds shall be in substantially the following form, the omissions to be appropriate completed when the Bonds are prepared and delivered:

COUNTY OF WILLIAMSON
COUNTY DISTRICT SCHOOL REFUNDING BONDS, SERIES _____

Interest Rate: Maturity Date: Date of Bond: CUSIP No.:

Registered Owner:

Principal Amount:

FOR VALUE RECEIVED, Williamson County, Tennessee (the "County") hereby promises to pay to the registered owner hereof, hereinabove named, or registered assigns, in the manner hereinafter provided, the principal amount hereinabove set forth on the maturity date hereinabove set forth (or upon earlier redemption as set forth herein), and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on said principal amount at the annual rate of interest hereinabove set forth from the date hereof until said maturity date or redemption date, said interest being payable on [October 1, 2020], and semi-annually thereafter on the first day of April and October in each year until this Bond matures or is redeemed. Both principal hereof and interest hereon are payable in lawful money of the United States of America by check or draft at the principal corporate trust office of _____, as registration agent and paying agent (the "Registration Agent"). The Registration Agent shall make all interest payments with respect to this Bond on each interest payment date directly to the registered owner hereof shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by check or draft mailed to such owner at such owner's address shown on said Bond registration records, without, except for final payment, the presentation or surrender of this Bond, and all such payments shall discharge the obligations of the County to the extent of the payments so made. Any such interest not so punctually paid or duly provided for on any interest payment date shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on the date (the "Special Record Date") for payment of such defaulted interest to be fixed by the Registration Agent, notice of which shall be given to the owners of the Bonds of the issue of which this Bond is one not less than ten (10) days prior to such Special Record Date. Payment of principal of [and premium, if any, on] this Bond shall be made when due upon presentation and surrender of this Bond to the Registration Agent.

Except as otherwise provided herein or in the Resolution, as hereinafter defined, this Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Bonds of the series of which this Bond is one. One Bond for each maturity of the Bonds shall be issued to DTC and immobilized in its custody. A book-entry system shall be employed, evidencing ownership of the Bonds in \$5,000 denominations, or multiples thereof, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants, as defined in the Resolution, pursuant to rules and procedures established by DTC. So long as Cede & Co., as nominee for DTC, is the registered owner of the Bonds, the County and the Registration Agent shall treat Cede & Co. as the only owner of the Bonds for all purposes under the Resolution, including receipt of all principal and maturity amounts of, premium, if any, and interest on the Bonds, receipt of notices, voting and requesting or taking or not taking, or consenting to, certain actions hereunder. Payments of principal, maturity amounts, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid directly to DTC or its nominee, Cede & Co. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners, as defined in the Resolution. Neither the

County nor the Registration Agent shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants. In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the County determines that the continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect its interests or the interests of the Beneficial Owners of the Bonds, the County may discontinue the book-entry system with DTC. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully-registered Bonds to each Beneficial Owner. Neither the County nor the Registration Agent shall have any responsibility or obligations to DTC Participant or any Beneficial Owner with respect to (i) the Bonds; (ii) the accuracy or any records maintained by DTC or any DTC Participant; (iii) the payment by DTC or any DTC Participant of any amount due to any Beneficial Owner in respect of the principal or maturity amounts of and interest on the Bonds; (iv) the delivery or timeliness of delivery by DTC or any DTC Participant of any notice due to any Beneficial Owner that is required or permitted under the terms of the Resolution to be given to Beneficial Owners; (v) the selection of Beneficial Owners to receive payments in the event of any partial redemption of the Bonds; or (vi) any consent given or other action taken by DTC, or its nominee, Cede & Co., as owner.

[Bonds of the issue of which this Bond is one maturing _____ through _____, inclusive, shall mature without option of prior redemption, and Bonds maturing _____ and thereafter shall be subject to redemption prior to maturity at the option of the County on _____ and thereafter, as a whole or in part, at any time, at the redemption price of par plus interest accrued to the redemption date.]

If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be designated by the Board of County Commissioners of the County, in its discretion. If less than all the principal amount of the Bonds of a maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the amount of the interest of each DTC Participant in the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

[Subject to the credit hereinafter provided, the County shall redeem Bonds maturing _____ on the redemption dates set forth below opposite the maturity dates, in aggregate principal amounts equal to the respective dollar amounts set forth below opposite the respective redemption dates at a price of par plus accrued interest thereon to the date of redemption. DTC, as securities depository for the series of Bonds of which this Bond is one, or such Person as shall then be serving as the securities depository for the Bonds, shall determine the interest of each Participant in the Bonds to be redeemed using its procedures generally in use at that time. If DTC, or another securities depository is no longer serving as securities depository for the Bonds, the Bonds to be redeemed within a maturity shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall select. The dates of redemption and principal amount of Bonds to be redeemed on said dates are as follows:

<u>Final Maturity</u>	<u>Redemption Date</u>	<u>Principal Amount of Bonds Redeemed</u>
---------------------------	----------------------------	---

*Final Maturity

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.]

Notice of call for redemption[, whether optional or mandatory,] shall be given by the Registration Agent not less than thirty (30) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Bonds for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant will not affect the validity of such redemption. From and after any redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth in the Resolution, as hereafter defined. In the case of a Conditional Redemption, the failure of the County to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository or the affected Bondholders that the

redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.

This Bond is transferable by the registered owner hereof in person or by such owner's attorney duly authorized in writing at the principal corporate trust office of the Registration Agent set forth on the front side hereof, but only in the manner, subject to limitations and upon payment of the charges provided in the Resolution, as hereafter defined, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds of authorized denominations of the same maturity and interest rate for the same aggregate principal amount will be issued to the transferee in exchange therefor. The person in whose name this Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bond shall be overdue. Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in authorized denomination or denominations, upon the terms set forth in the Resolution. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular Record Date or Special Record Date and ending on the corresponding interest payment date of such Bond[, nor to transfer or exchange any Bond after the notice calling such Bond for redemption has been made, nor during a period following the receipt of instructions from the County to call such Bond for redemption].

This Bond is one of a total authorized issue aggregating \$_____ and issued by the County for the purpose of providing funds to refund the County's outstanding County District School Bonds, Series 2010 (Federally Taxable Build America Bonds – Direct Payment), dated October 26, 2010, maturing _____, under and in full compliance with the constitution and statutes of the State of Tennessee, including Sections 9-21-101, et seq., Tennessee Code Annotated, and pursuant to a resolution duly adopted by the Board of County Commissioners of the County on February 10, 2020 (the "Resolution").

This Bond is payable from unlimited ad valorem taxes to be levied on all taxable property within that portion of the County lying outside the territorial boundaries of the Franklin Special School District. For the prompt payment of the debt service on the Bonds, and subject to the limitation set forth in the preceding sentence, the full faith and credit of the County are hereby irrevocably pledged. For a more complete statement of the general covenants and provisions pursuant to which this Bond is issued, reference is hereby made to said Resolution.

This Bond and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on interest on the Bond during the period the Bond is held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Bond in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

It is hereby certified, recited, and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the County, does not exceed any limitation prescribed by the constitution and statutes of the State of Tennessee.

Section 7. Pledge of Net Revenues and Levy of Tax. The County, through its Governing Body, shall annually levy and collect a tax upon all taxable property within that portion of the County lying outside the territorial boundaries of the Franklin Special School District, in addition to all other taxes authorized by law, sufficient to pay the debt service on the Bonds when due, and for that purpose there is hereby levied a direct annual tax in such amount as may be found necessary each year to pay debt service coming due on the Bonds in said year. Principal and interest falling due at any time when there are insufficient funds from this tax levy on hand shall be paid from the current funds of the County and reimbursement therefor shall be made out of the taxes hereby provided to be levied when the same shall have been collected. The tax herein provided may be reduced to the extent of any direct appropriations from other funds, taxes and revenues of the County to the payment of debt service on the Bonds.

Section 8. Sale of Bonds.

(a) The Bonds shall be offered for competitive public sale, in one or more emissions, at a price of not less than ninety-nine percent (99%) of par, plus accrued interest, as a whole or in part from time to time as shall be determined by the County Mayor, in consultation with the Municipal Advisor.

(b) If the Bonds are sold in more than one emission, the County Mayor is authorized to establish the principal amount of such emission, so long as the total aggregate principal amount of all emissions issued does not exceed the maximum par amount set forth herein.

(c) The County Mayor, in consultation with the Municipal Advisor, is further authorized with respect to each series of Bonds to:

(1) change the dated date of the Bonds or any emission thereof, to a date other than the date of issuance of the Bonds;

(2) change the designation of the Bonds, or any emission thereof, to a designation other than "County District School Refunding Bonds" and to specify the series designation of the Bonds, or any emission thereof;

(3) change the first interest payment date on the Bonds or any emission thereof to a date other than October 1, 2020, provided that such date is not later than twelve months from the dated date of such emission of Bonds;

(4) adjust the principal and interest payment dates and the maturity amounts of the Bonds, or any emission thereof, provided that (A) the total principal amount of all emissions of the Bonds does not exceed the total amount of Bonds authorized herein; and (B) the final maturity date of each emission is not more than one year beyond the final maturity date of the Refunded Bonds being refunded by such emission;

(5) cause the Bonds to be subject to optional redemption and establishing the redemption price, provided that any redemption premium required to be paid on Bonds does not exceed two percent (2%) of the principal amount thereof; and

(6) sell the Bonds, or any emission thereof, or any maturities thereof as Term Bonds with mandatory redemption requirements corresponding to the

maturities set forth herein or as otherwise determined by the County Mayor, as he shall deem most advantageous to the County; and

(7) to refund fewer than all the Outstanding Bonds as the County Mayor shall deem advantageous to the County in meeting the County's debt service savings objectives.

(d) The County Mayor is authorized to sell the Bonds, or any emission thereof, simultaneously with any other bonds or notes authorized by resolution or resolutions of the Governing Body. The County Mayor is further authorized to sell the Bonds, or any emission thereof, as a single issue of bonds with any other bonds with substantially similar terms authorized by resolution or resolutions of the Governing Body, in one or more emissions or series as he shall deem to be advantageous to the County and in doing so, the County Mayor is authorized to change the designation of the Bonds to a designation other than "County District School Refunding Bonds"; provided, however, that the total aggregate principal amount of combined bonds to be sold does not exceed the total aggregate principal amount of Bonds authorized by this resolution or bonds authorized by any other resolution or resolutions adopted by the Governing Body.

(e) The County Mayor is authorized to award the Bonds, or any emission thereof, in each case to the bidder whose bid results in the lowest true interest cost to the County, provided the rate or rates on the Bonds does not exceed the maximum rate permitted by applicable Tennessee law at the time of the issuance of the Bonds or any emission thereof. The award of the Bonds by the County Mayor to the lowest bidder shall be binding on the County, and no further action of the Governing Body with respect thereto shall be required. The form of the Bond set forth in Section 6 hereof, shall be conformed to reflect any changes made pursuant to this Section 8 hereof.

(f) The County Mayor and County Clerk are authorized to cause the Bonds, in book-entry form (except as otherwise permitted herein), to be authenticated and delivered by the Registration Agent to the successful bidder and to execute, publish, and deliver all certificates and documents as they shall deem necessary in connection with the sale and delivery of the Bonds. The County Mayor is hereby authorized to enter into a contract with the *Municipal Advisor, for municipal advisory services in connection with the sale of the Bonds and to enter into a contract with Bass, Berry & Sims PLC to serve as bond counsel in connection with the Bonds.*

Section 9. Disposition of Bond Proceeds. The proceeds of the Bonds shall be applied by the County as follows:

(a) an amount, which together with legally available funds of the County, if any, and investment earnings thereon, will be sufficient to pay principal of, premium, if any, and interest on the Refunded Bonds until and through the redemption date therefor shall be transferred to the Escrow Agent under the Refunding Escrow Agreement to be deposited to the Escrow Fund established thereunder to be held and applied as provided therein or, at the option of the County Mayor, any proceeds used to retire any portion of the Refunded Bonds within a period of thirty (30) days following delivery of the Bonds may be transferred to the Paying Agent of such Refunded Bonds; and

(b) the remainder of the proceeds of the sale of the Bonds shall be used to pay the costs of issuance of the Bonds, including necessary legal, accounting and fiscal expenses, printing, engraving, advertising and similar expenses, bond insurance premium, if any, administrative and clerical costs, rating agency fees, Registration Agent fees, and other miscellaneous expenses incurred in connection with the issuance and sale of the Bonds.

(c) In accordance with state law, the various department heads responsible for the fund or funds receiving and disbursing funds are hereby authorized to amend the budget of the proper fund or funds for the receipt of proceeds from the issuance of the obligations authorized by this resolution including bond and note proceeds, accrued interest, reoffering premium and other receipts from this transaction. The department heads responsible for the fund or funds are further authorized to amend the proper budgets to reflect the appropriations and expenditures of the receipts authorized by this resolution.

Section 10. Official Statement. The County Mayor and the Director of Accounts and Budgets, or either of them, are hereby authorized and directed to provide for the preparation and distribution, which may include electronic distribution, of a Preliminary Official Statement describing the Bonds. After bids have been received and the Bonds have been awarded, the County Mayor and the Director of Accounts and Budgets, or any of them, shall make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission. The County Mayor and the Director of Accounts and Budgets, or either of them, shall arrange for the delivery to the successful bidder on the Bonds of a reasonable number of copies of the Official Statement within seven business days after the Bonds have been awarded for delivery, by the successful bidder on the Bonds, to each potential investor requesting a copy of the Official Statement and to each person to whom such bidder and members of his bidding group initially sell the Bonds.

The County Mayor and the Director of Accounts and Budgets, or either of them, are authorized, on behalf of the County, to deem the Preliminary Official Statement and the Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12(b)(1), except for the omission in the Preliminary Official Statement of certain pricing and other information allowed to be omitted pursuant to such Rule 15c2-12(b)(1). The distribution of the Preliminary Official Statement and the Official Statement in final form shall be conclusive evidence that each has been deemed in final form as of its date by the County except for the omission in the Preliminary Official Statement of such pricing and other information.

Notwithstanding the foregoing, no Official Statement is required to be prepared if the Bonds, or any emission thereof, are purchased by a purchaser that certifies that such purchaser intends to hold the Bonds, or any emission thereof, for its own account and has no present intention to reoffer the Bonds, or any emission thereof.

Section 11. Refunding Escrow Agreement. For the purpose of providing for the payment of the principal of, premium, if any, and interest on the Refunded Bonds, the County Mayor is hereby authorized and directed to execute and the County Clerk to attest on behalf of the County the Refunding Escrow Agreement with the Escrow Agent and to deposit with the Escrow Agent the amounts to be used by the Escrow Agent to purchase Government Securities as provided therein; provided, however, that the yield on such investments shall be determined in such manner that none of the Bonds will be an "arbitrage bond" within the meaning of Section 148 (a) of the Code. The form of the Refunding Escrow Agreement presented to this meeting and attached hereto as Exhibit B is hereby in all respects approved and the County Mayor and the County Clerk are hereby authorized and directed to execute and deliver same on behalf of the County in substantially the form thereof presented to this meeting, or with such changes as may be approved by the County Mayor and County Clerk, their execution thereof to constitute conclusive evidence of their approval of all such changes. The Escrow Agent is hereby authorized and directed to hold and administer all funds deposited in trust for the payment when due of principal of and interest on the Refunded Bonds and to exercise such duties as set forth in the Refunding Escrow Agreement.

Section 12. Notice of Refunding. Prior to the issuance of the Bonds, or any emission thereof, if required, notice of the County's intention to refund the Refunded Bonds, shall be given by the registration agent for the Refunded Bonds to be mailed by first-class mail, postage prepaid, to the registered holders thereof, as of the date of the notice, as shown on the bond registration records maintained by such registration agent of said Refunded Bonds. Such notice shall be in the form consistent with applicable law. The County Mayor and the County Clerk, or either of them, is hereby authorized and directed to authorize the registration agent of said Refunded Bonds to give such notice on behalf of the County in accordance with this Section.

Section 13. Federal Tax Matters.

(a) The Bonds will be issued as federally tax-exempt bonds. The County hereby covenants that it will not use, or permit the use of, any proceeds of the Bonds in a manner that would cause the Bonds to be subjected to treatment under Section 148 of the Code, and applicable regulations thereunder, as an "arbitrage bond". To that end, the County shall comply with applicable regulations adopted under said Section 148. The County further covenants with the registered owners from time to time of the Bonds that it will, throughout the term of the Bonds and through the date that the final rebate, if any, must be made to the United States in accordance with Section 148 of the Code, comply with the provisions of Sections 103 and 141 through 150 of the Code and all regulations proposed and promulgated thereunder that must be satisfied in order that interest on the Bonds shall be and continue to be excluded from gross income for federal income tax purposes under Section 103 of the Code.

(b) The Governing Body hereby delegates to the County Mayor the authority to designate, and determine whether to designate, the Bonds as "qualified tax-exempt obligations," as defined in Section 265 of the Code, to the extent the Bonds are not deemed designated as such and may be designated as such.

(c) The appropriate officers of the County are authorized and directed, on behalf of the County, to execute and deliver all such certificates and documents that may be required of the County in order to comply with the provisions of this Section related to the issuance of the Bonds.

(d) Following the issuance of the Bonds, the Director of Accounts and Budgets is directed to administer the County's Federal Tax Compliance Policies and Procedures with respect to the Bonds.

Section 14. Discharge and Satisfaction of Bonds. If the County shall pay and discharge the indebtedness evidenced by any of the Bonds in any one or more of the following ways, to wit:

(a) By paying or causing to be paid, by deposit of sufficient funds as and when required with the Registration Agent, the principal of and interest on such Bonds as and when the same become due and payable;

(b) By depositing or causing to be deposited with any trust company or financial institution whose deposits are insured by the Federal Deposit Insurance Corporation or similar federal agency and which has trust powers ("an Agent"; which Agent may be the Registration Agent) in trust or escrow, on or before the date of maturity or redemption, sufficient money or Federal Obligations, as hereafter defined, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Bonds and to pay interest thereon when due until the maturity or redemption date (provided, if such Bonds are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice);

- (c) By delivering such Bonds to the Registration Agent, for cancellation by it;

and if the County shall also pay or cause to be paid all other sums payable hereunder by the County with respect to such Bonds, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Agent to pay amounts when and as required to the Registration Agent for the payment of principal of and interest on such Bonds when due, then and in that case the indebtedness evidenced by such Bonds shall be discharged and satisfied and all covenants, agreements and obligations of the County to the holders of such Bonds shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the County shall pay and discharge the indebtedness evidenced by any of the Bonds in the manner provided in either clause (a) or clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Federal Obligations deposited as aforesaid.

Except as otherwise provided in this Section, neither Federal Obligations nor moneys deposited with the Registration Agent pursuant to this Section nor principal or interest payments on any such Federal Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and interest on said Bonds; provided that any cash received from such principal or interest payments on such Federal Obligations deposited with the Registration Agent, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the County as received by the Registration Agent and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Obligations maturing at times and in amounts sufficient to pay when due the principal and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the County, as received by the Registration Agent. For the purposes of this Section, Federal Obligations shall mean direct obligations of, or obligations, the principal of and interest on which are guaranteed by, the United States of America, which bonds or other obligations shall not be subject to redemption prior to their maturity other than at the option of the registered owner thereof.

Section 15. Continuing Disclosure. The County hereby covenants and agrees that it will provide annual financial information and material event notices as required by Rule 15c2-12 of the Securities Exchange Commission for the Bonds. The County Mayor is authorized to execute at the Closing of the sale of the Bonds, an agreement for the benefit of and enforceable by the owners of the Bonds specifying the details of the financial information and material event notices to be provided and its obligations relating thereto. Failure of the County to comply with the undertaking herein described and to be detailed in said closing agreement, shall not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Bonds to take such actions and to initiate such proceedings as shall be necessary and appropriate to cause the County to comply with their undertaking as set forth herein and in said agreement, including the remedies of mandamus and specific performance.

Section 16. Resolution a Contract. The provisions of this resolution shall constitute a contract between the County and the registered owners of the Bonds, and after the issuance of the Bonds, no change, variation or alteration of any kind in the provisions of this resolution shall be made in any manner until such time as the Bonds and interest due thereon shall have been paid in full.

Section 17. Separability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or

unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

Section 18. Repeal of Conflicting Resolutions and Effective Date. All other resolutions and orders, or parts thereof, in conflict with the provisions of this resolution are, to the extent of such conflict, hereby repealed and this resolution shall be in immediate effect from and after its adoption.

Adopted and approved this 10th day of February, 2020.

A schedule of estimated amortization, debt service, net savings and issuance costs has been provided to the Governing Body and is attached hereto as Exhibit A.

Section 4. Authorization and Terms of the Bonds.

(a) For the purpose of providing funds to refund the Refunded Bonds and pay the costs incident to the issuance and sale of the Bonds, as more fully set forth in Section 9 hereof, there are hereby authorized to be issued bonds of the County in an aggregate principal amount sufficient to pay the principal of, interest on, and redemption premium (if any) on the Refunded Bonds and pay costs of issuance of the Bonds. The Bonds shall be issued in fully registered, book-entry only form, without coupons, shall be issued in one or more emissions, shall be known as "General Obligation School Refunding Bonds" and shall have such series designation and dated date as shall be determined by the County Mayor pursuant to Section 8 hereof. The aggregate true interest rate on the Bonds shall not exceed the maximum interest rate permitted by applicable law at the time of the sale of the Bonds, or any emission thereof. Subject to the adjustments permitted pursuant to Section 8 hereof, interest on the Bonds shall be payable semi-annually on April 1 and October 1 in each year, commencing October 1, 2020. The Bonds shall be issued initially in \$5,000 denominations or integral multiples thereof, as shall be requested by the original purchaser, and shall mature, either serially or through mandatory redemption on April 1 of each year, with a final maturity not exceeding one year beyond the final maturity date of the Refunded Bonds.

(b) Subject to the adjustments permitted pursuant to Section 8 hereof, the Bonds shall not be subject to redemption at the option of the County prior to their stated maturities. If the County Mayor should adjust the terms of the Bonds to allow for optional redemption, and if less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be selected by the Governing Body in its discretion. If less than all of the Bonds within a single maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed

shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

(c) Pursuant to Section 8 hereof, the County Mayor is authorized to sell the Bonds, or any maturities thereof, as term bonds with mandatory redemption requirements corresponding to the maturities set forth herein or as determined by the County Mayor. In the event any or all the Bonds are sold as term bonds, the County shall redeem term bonds on redemption dates corresponding to the maturity dates set forth herein, in aggregate principal amounts equal to the maturity amounts established pursuant to Section 8 hereof for each redemption date, as such maturity amounts may be adjusted pursuant to Section 8 hereof, at a price of par plus accrued interest thereon to the date of redemption. The term bonds to be redeemed within a single maturity shall be selected in the manner described in subsection (b) above.

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such mandatory redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.

(d) Notice of call for redemption, whether optional or mandatory, shall be given by the Registration Agent on behalf of the County not less than thirty (30) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the Bonds for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant or Beneficial Owner will not affect the validity of such redemption. The Registration Agent shall mail said notices as and when directed by the County pursuant to written instructions from an authorized representative of the County (other than for a mandatory sinking fund redemption, notices of which shall be given on the dates provided herein) given at least forty-five (45) days prior to the redemption date (unless a shorter notice period shall be satisfactory to the Registration Agent). From and after the redemption date, all Bonds called for redemption shall

cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth herein. In the case of a Conditional Redemption, the failure of the County to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.

(e) The County Mayor is hereby authorized and directed to appoint the Registration Agent for the Bonds and the Registration Agent so appointed is authorized and directed to maintain Bond registration records with respect to the Bonds, to authenticate and deliver the Bonds as provided herein, either at original issuance or upon transfer, to effect transfers of the Bonds, to give all notices of redemption as required herein, to make all payments of principal and interest with respect to the Bonds as provided herein, to cancel and destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer, to furnish the County at least annually a certificate of destruction with respect to Bonds canceled and destroyed, and to furnish the County at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds. The County Mayor is hereby authorized to execute and the County Clerk is hereby authorized to attest such written agreement between the County and the Registration Agent as they shall deem necessary and proper with respect to the obligations, duties and rights of the Registration Agent. The payment of all reasonable fees and expenses of the Registration Agent for the discharge of its duties and obligations hereunder or under any such agreement is hereby authorized and directed.

(f) The Bonds shall be payable, both principal and interest, in lawful money of the United States of America at the main office of the Registration Agent. The Registration Agent shall make all interest payments with respect to the Bonds by check or draft on each interest payment date directly to the registered owners as shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by depositing said payment in the United States mail, postage prepaid, addressed to such owners at their addresses shown on said Bond registration records, without, except for final payment, the presentation or surrender of such registered Bonds, and all such payments shall discharge the obligations of the County in respect of such Bonds to the extent of the payments so made. Payment of principal of and premium, if any, on the Bonds shall be made upon presentation and surrender of such Bonds to the Registration Agent as the same shall become due and payable. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each. In the event the Bonds are no longer registered in the name of DTC, or a successor Depository, if requested by the Owner of at least \$1,000,000 in aggregate principal amount of the Bonds, payment of interest on such Bonds shall be paid by wire transfer to a bank within the continental United States or deposited to a designated account if such account is maintained with the Registration Agent and written notice of any such election and designated account is given to the Registration Agent prior to the record date.

(g) Any interest on any Bond that is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid by the County to the persons in whose names the Bonds are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner: the County shall notify the Registration Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the

proposed payment, and at the same time the County shall deposit with the Registration Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Registration Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section provided. Thereupon, not less than ten (10) days after the receipt by the Registration Agent of the notice of the proposed payment, the Registration Agent shall fix a Special Record Date for the payment of such Defaulted Interest which Date shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered owners. The Registration Agent shall promptly notify the County of such Special Record Date and, in the name and at the expense of the County, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each registered owner at the address thereof as it appears in the Bond registration records maintained by the Registration Agent as of the date of such notice. Nothing contained in this Section or in the Bonds shall impair any statutory or other rights in law or in equity of any registered owner arising as a result of the failure of the County to punctually pay or duly provide for the payment of principal of, premium, if any, and interest on the Bonds when due.

(h) The Bonds are transferable only by presentation to the Registration Agent by the registered owner, or his legal representative duly authorized in writing, of the registered Bond(s) to be transferred with the form of assignment on the reverse side thereof completed in full and signed with the name of the registered owner as it appears upon the face of the Bond(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Bond(s) in such form and with such documentation, if any, the Registration Agent shall issue a new Bond or the Bond to the assignee(s) in \$5,000 denominations, or integral multiples thereof, as requested by the registered owner requesting transfer. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the publication of notice calling such Bond for redemption has been made, nor to transfer or exchange any Bond during the period following the receipt of instructions from the County to call such Bond for redemption; provided, the Registration Agent, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Bond, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bonds shall be overdue. The Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in any authorized denomination or denominations.

(i) The Bonds shall be executed in such manner as may be prescribed by applicable law, in the name, and on behalf, of the County with the manual or facsimile signature of the County Mayor and with the official seal, or a facsimile thereof, of the County impressed or imprinted thereon and attested by the manual or facsimile signature of the County Clerk.

(j) Except as otherwise provided in this resolution, the Bonds shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Bonds. References in this Section to a Bond or the Bonds shall be construed to mean the Bond or the Bonds that are held under the Book-Entry System.

One Bond for each maturity shall be issued to DTC and immobilized in its custody. A Book-Entry System shall be employed, evidencing ownership of the Bonds in authorized denominations, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant's interest in the Bonds. Beneficial ownership interests in the Bonds may be purchased by or through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners." The Beneficial Owners shall not receive the Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Bonds. Transfers of ownership interests in the Bonds shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE BONDS, THE REGISTRATION AGENT SHALL TREAT CEDE & CO., AS THE ONLY HOLDER OF THE BONDS FOR ALL PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS, RECEIPT OF NOTICES, VOTING AND REQUESTING OR DIRECTING THE REGISTRATION AGENT TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS RESOLUTION.

Payments of principal, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid by the Registration Agent directly to DTC or its nominee, Cede & Co. as provided in the Letter of Representation relating to the Bonds from the County and the Registration Agent to DTC (the "Letter of Representation"). DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. The County and the Registration Agent shall not be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the County determines that the continuation of the Book-Entry System of evidence and transfer of ownership of the Bonds would adversely affect their interests or the interests of the Beneficial Owners of the Bonds, the County shall discontinue the Book-Entry System with DTC. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner. If the purchaser of the Bonds, or any emission thereof, does not intend to reoffer the Bonds to the public, then the County Mayor and the purchaser may agree that the Bonds be issued in the form of fully-registered certificated Bonds and not utilize the Book-Entry System.

THE COUNTY AND THE REGISTRATION AGENT SHALL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DTC PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE BONDS; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE BONDS; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS RESOLUTION TO BE GIVEN TO BENEFICIAL OWNERS, (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE

BONDS; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS OWNER.

(k) The Registration Agent is hereby authorized to take such action as may be necessary from time to time to qualify and maintain the Bonds for deposit with DTC, including but not limited to, wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC (or any of its designees identified to the Registration Agent) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the owners of the Bonds, provided, however, that the Registration Agent shall not be liable with respect to any such arrangements it may make pursuant to this section.

(l) The Registration Agent is hereby authorized to authenticate and deliver the Bonds to the original purchaser, upon receipt by the County of the proceeds of the sale thereof and to authenticate and deliver Bonds in exchange for Bonds of the same principal amount delivered for transfer upon receipt of the Bond(s) to be transferred in proper form with proper documentation as hereinabove described. The Bonds shall not be valid for any purpose unless authenticated by the Registration Agent by the manual signature of an officer thereof on the certificate set forth herein on the Bond form.

(m) In case any Bond shall become mutilated, or be lost, stolen, or destroyed, the County, in its discretion, shall issue, and the Registration Agent, upon written direction from the County, shall authenticate and deliver, a new Bond of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Bond, or in lieu of and in substitution for such lost, stolen or destroyed Bond, or if any such Bond shall have matured or shall be about to mature, instead of issuing a substituted Bond the County may pay or authorize payment of such Bond without surrender thereof. In every case the applicant shall furnish evidence satisfactory to the County and the Registration Agent of the destruction, theft or loss of such Bond, and indemnity satisfactory to the County and the Registration Agent; and the County may charge the applicant for the issue of such new Bond an amount sufficient to reimburse the County for the expense incurred by it in the issue thereof.

Section 5. Source of Payment. The Bonds shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of the debt service on the Bonds, the full faith and credit of the County are hereby irrevocably pledged.

Section 6. Form of Bonds. The Bonds shall be in substantially the following form, the omissions to be appropriately completed when the Bonds are prepared and delivered:

Registered Owner: CEDE & CO.

Principal Amount:

FOR VALUE RECEIVED, Williamson County, Tennessee (the "County") hereby promises to pay to the registered owner hereof, hereinabove named, or registered assigns, in the manner hereinafter provided, the principal amount hereinabove set forth on the maturity date hereinabove set forth (or upon earlier redemption as set forth herein), and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on said principal amount at the annual rate of interest hereinabove set forth from the date hereof until said maturity date or redemption date, said interest being payable on [October 1, 2020], and semi-annually thereafter on the first day of April and October in each year until this Bond matures or is redeemed. Both principal hereof and interest hereon are payable in lawful money of the United States of America by check or draft at the principal corporate trust office of _____, as registration agent and paying agent (the "Registration Agent"). The Registration Agent shall make all interest payments with respect to this Bond on each interest payment date directly to the registered owner hereof shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by check or draft mailed to such owner at such owner's address shown on said Bond registration records, without, except for final payment, the presentation or surrender of this Bond, and all such payments shall discharge the obligations of the County to the extent of the payments so made. Any such interest not so punctually paid or duly provided for on any interest payment date shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on the date (the "Special Record Date") for payment of such defaulted interest to be fixed by the Registration Agent, notice of which shall be given to the owners of the Bonds of the issue of which this Bond is one not less than ten (10) days prior to such Special Record Date. Payment of principal of [and premium, if any, on] this Bond shall be made when due upon presentation and surrender of this Bond to the Registration Agent.

Except as otherwise provided herein or in the Resolution, as hereinafter defined, this Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Bonds of the series of which this Bond is one. One Bond for each maturity of the Bonds shall be issued to DTC and immobilized in its custody. A book-entry system shall be employed, evidencing ownership of the Bonds in \$5,000 denominations, or multiples thereof, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants, as defined in the Resolution, pursuant to rules and procedures established by DTC. So long as Cede & Co., as nominee for DTC, is the registered owner of the Bonds, the County and the Registration Agent shall treat Cede & Co., as the only owner of the Bonds for all purposes under the Resolution, including receipt of all principal of, [premium, if any,] and interest on the Bonds, receipt of notices, voting and requesting or taking or not taking, or consenting to, certain actions hereunder. Payments of principal and interest [and redemption premium, if any,] with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid directly to DTC or its nominee, Cede & Co. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners, as defined in the Resolution. Neither the County nor the Registration Agent shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants. In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the County determines that the continuation of

the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect its interests or the interests of the Beneficial Owners of the Bonds, the County may discontinue the book-entry system with DTC. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner. Neither the County nor the Registration Agent shall have any responsibility or obligations to any DTC Participant or any Beneficial Owner with respect to (i) the Bonds; (ii) the accuracy of any records maintained by DTC or any DTC Participant; (iii) the payment by DTC or any DTC Participant of any amount due to any Beneficial Owner in respect of the principal or maturity amounts of and interest on the Bonds; (iv) the delivery or timeliness of delivery by DTC or any DTC Participant of any notice due to any Beneficial Owner that is required or permitted under the terms of the Resolution to be given to Beneficial Owners, (v) the selection of Beneficial Owners to receive payments in the event of any partial redemption of the Bonds; or (vi) any consent given or other action taken by DTC, or its nominee, Cede & Co., as owner.

[Bonds of the issue of which this Bond is one maturing _____ through _____, inclusive, shall mature without option of prior redemption, and Bonds maturing _____ and thereafter shall be subject to redemption prior to maturity at the option of the County on _____ and thereafter, as a whole or in part, at any time, at the redemption price of par plus interest accrued to the redemption date.]

If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be designated by the Board of County Commissioners of the County, in its discretion. If less than all the principal amount of the Bonds of a maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the amount of the interest of each DTC Participant in the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

[Subject to the credit hereinafter provided, the County shall redeem Bonds maturing _____ on the redemption dates set forth below opposite the maturity dates, in aggregate principal amounts equal to the respective dollar amounts set forth below opposite the respective redemption dates at a price of par plus accrued interest thereon to the date of redemption. DTC, as securities depository for the series of Bonds of which this Bond is one, or such Person as shall then be serving as the securities depository for the Bonds, shall determine the interest of each Participant in the Bonds to be redeemed using its procedures generally in use at that time. If DTC, or another securities depository is no longer serving as securities depository for the Bonds, the Bonds to be redeemed within a maturity shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall select. The dates of redemption and principal amount of Bonds to be redeemed on said dates are as follows:

<u>Final Maturity</u>	<u>Redemption Date</u>	<u>Principal Amount of Bonds Redeemed</u>
---------------------------	----------------------------	---

*Final Maturity

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.

Notice of call for redemption [whether optional or mandatory] shall be given by the Registration Agent not less than thirty (30) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Bonds for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant will not affect the validity of such redemption. From and after any redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth in the Resolution, as hereafter defined.] In the case of a Conditional Redemption, the failure of the County to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.

This Bond is transferable by the registered owner hereof in person or by such owner's attorney duly authorized in writing at the principal corporate trust office of the

Registration Agent set forth on the front side hereof, but only in the manner, subject to limitations and upon payment of the charges provided in the Resolution, as hereafter defined, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds of authorized denominations of the same maturity and interest rate for the same aggregate principal amount will be issued to the transferee in exchange therefor. The person in whose name this Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bond shall be overdue. Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in authorized denomination or denominations, upon the terms set forth in the Resolution. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular Record Date or Special Record Date and ending on the corresponding interest payment date of such Bond [nor to transfer or exchange any Bond after the notice calling such Bond for redemption has been made, nor during a period following the receipt of instructions from the County to call such Bond for redemption].

This Bond is one of a total authorized issue aggregating \$_____ and issued by the County for the purpose of providing funds to refund the County's outstanding General Obligation School Bonds, Series 2010 (Federally Taxable Build America Bonds – Direct Payment), dated October 26, 2010, maturing _____, under and in full compliance with the constitution and statutes of the State of Tennessee, including Sections 9-21-101, et seq., Tennessee Code Annotated, and pursuant to a resolution duly adopted by the Board of County Commissioners of the County on February 10, 2020 (the "Resolution").

This Bond is payable from unlimited ad valorem taxes to be levied on all taxable property located within the County. For the prompt payment of principal of and interest on this Bond, the full faith and credit of the County are irrevocably pledged. For a more complete statement of the general covenants and provisions pursuant to which this Bond is issued, reference is hereby made to said Resolution.

This Bond and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on interest on the Bond during the period the Bond is held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Bond in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

It is hereby certified, recited, and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the County, does not exceed any limitation prescribed by the constitution and statutes of the State of Tennessee.

IN WITNESS WHEREOF, the County has caused this Bond to be signed by its County Mayor and attested by its County Clerk under the corporate seal of the County, all as of the date hereinabove set forth.

Section 7. Pledge of Net Revenues and Levy of Tax. The County, through its Governing Body, shall annually levy and collect a tax upon all taxable property within the County, in addition to all other taxes authorized by law, sufficient to pay principal of, premium, if any, and interest on the Bonds when due, and for that purpose there is hereby levied a direct annual tax in such amount as may be found necessary each year to pay principal and interest coming due on the Bonds in said year. Principal and interest falling due at any time when there are insufficient funds from this tax levy on hand shall be paid from the current funds of the County and reimbursement therefor shall be made out of the taxes hereby provided to be levied when the same shall have been collected. The tax herein provided may be reduced to the extent of any appropriations from other funds, taxes and revenues of the County to the payment of debt service on the Bonds.

Section 8. Sale of Bonds.

(d) The Bonds shall be offered for competitive public sale, in one or more emissions, at a price of not less than ninety-nine percent (99%) of par, plus accrued interest, as a whole or in part from time to time as shall be determined by the County Mayor, in consultation with the Municipal Advisor.

(e) If the Bonds are sold in more than one emission, the County Mayor is authorized to establish the principal amount of such emission, so long as the total aggregate principal amount of all emissions issued does not exceed the maximum par amount set forth herein.

(f) The County Mayor, in consultation with the Municipal Advisor, is further authorized with respect to each series of Bonds to:

(1) change the dated date of the Bonds or any emission thereof, to a date other than the date of issuance of the Bonds;

(2) change the designation of the Bonds, or any emission thereof, to a designation other than "General Obligation School Refunding Bonds" and to specify the series designation of the Bonds, or any emission thereof;

(3) change the first interest payment date on the Bonds or any emission thereof to a date other than October 1, 2020, provided that such date is not later than twelve months from the dated date of such emission of Bonds;

(4) adjust the principal and interest payment dates and the maturity amounts of the Bonds, or any emission thereof, provided that (A) the total principal amount of all emissions of the Bonds does not exceed the total amount of Bonds authorized herein; and (B) the final maturity date of each emission is not more than one year beyond the final maturity date of the Refunded Bonds being refunded by such emission;

(5) cause the Bonds to be subject to optional redemption and establishing the redemption price, provided that any redemption premium required to be paid on Bonds does not exceed two percent (2%) of the principal amount thereof; and

(6) sell the Bonds, or any emission thereof, or any maturities thereof as Term Bonds with mandatory redemption requirements corresponding to the maturities set forth herein or as otherwise determined by the County Mayor, as he shall deem most advantageous to the County; and

(7) to refund fewer than all the Outstanding Bonds as the County Mayor shall deem advantageous to the County in meeting the County's debt service savings objectives.

(g) The County Mayor is authorized to sell the Bonds, or any emission thereof, simultaneously with any other bonds or notes authorized by resolution or resolutions of the Governing Body. The County Mayor is further authorized to sell the Bonds, or any emission thereof, as a single issue of bonds with any other bonds with substantially similar terms authorized by resolution or resolutions of the Governing Body, in one or more emissions or series as he shall deem to be advantageous to the County and in doing so, the County Mayor is authorized to change the designation of the Bonds to a designation other than "General Obligation School Refunding Bonds"; provided, however, that the total aggregate principal amount of combined bonds to be sold does not exceed the total aggregate principal amount of Bonds authorized by this resolution or bonds authorized by any other resolution or resolutions adopted by the Governing Body.

(h) The County Mayor is authorized to award the Bonds, or any emission thereof, in each case to the bidder whose bid results in the lowest true interest cost to the County, provided the rate or rates on the Bonds does not exceed the maximum rate permitted by applicable Tennessee law at the time of the issuance of the Bonds or any emission thereof. The award of the Bonds by the County Mayor to the lowest bidder shall be binding on the County, and no further action of the Governing Body with respect thereto shall be required. The form of the Bond set forth in Section 6 hereof, shall be conformed to reflect any changes made pursuant to this Section 8 hereof.

(i) The County Mayor and County Clerk are authorized to cause the Bonds, in book-entry form (except as otherwise permitted herein), to be authenticated and delivered by the Registration Agent to the successful bidder and to execute, publish, and deliver all certificates and documents as they shall deem necessary in connection with the sale and delivery of the Bonds. The County Mayor is hereby authorized to enter into a contract with the Municipal Advisor, for municipal advisory services in connection with the sale of the Bonds and to enter into a contract with Bass, Berry & Sims PLC to serve as bond counsel in connection with the Bonds.

Section 9. Disposition of Bond Proceeds. The proceeds of the Bonds shall be applied by the County as follows:

(a) an amount, which together with legally available funds of the County, if any, and investment earnings thereon, will be sufficient to pay principal of, premium, if any, and interest on the Refunded Bonds until and through the redemption date therefor shall be transferred to the Escrow Agent under the Refunding Escrow Agreement to be deposited to the Escrow Fund established thereunder to be held and applied as provided therein or, at the option of the County Mayor, any proceeds used to retire any portion of the Refunded Bonds within a period of thirty (30) days following delivery of the Bonds may be transferred to the Paying Agent of such Refunded Bonds; and

(b) the remainder of the proceeds of the sale of the Bonds shall be used to pay the costs of issuance of the Bonds, including necessary legal, accounting and fiscal expenses, printing, engraving, advertising and similar expenses, bond insurance premium, if any, administrative and clerical costs, rating agency fees, Registration Agent fees, and other miscellaneous expenses incurred in connection with the issuance and sale of the Bonds.

(c) In accordance with state law, the various department heads responsible for the fund or funds receiving and disbursing funds are hereby authorized to amend the budget of the proper fund or funds for the receipt of proceeds from the issuance of the

obligations authorized by this resolution including bond and note proceeds, accrued interest, reoffering premium and other receipts from this transaction. The department heads responsible for the fund or funds are further authorized to amend the proper budgets to reflect the appropriations and expenditures of the receipts authorized by this resolution.

Section 10. Official Statement. The County Mayor and the Director of Accounts and Budgets, or either of them, are hereby authorized and directed to provide for the preparation and distribution, which may include electronic distribution, of a Preliminary Official Statement describing the Bonds. After bids have been received and the Bonds have been awarded, the County Mayor and the Director of Accounts and Budgets, or any of them, shall make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission. The County Mayor and the Director of Accounts and Budgets, or either of them, shall arrange for the delivery to the successful bidder on the Bonds of a reasonable number of copies of the Official Statement within seven business days after the Bonds have been awarded for delivery, by the successful bidder on the Bonds, to each potential investor requesting a copy of the Official Statement and to each person to whom such bidder and members of his bidding group initially sell the Bonds.

The County Mayor and the Director of Accounts and Budgets, or either of them, are authorized, on behalf of the County, to deem the Preliminary Official Statement and the Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12(b)(1), except for the omission in the Preliminary Official Statement of certain pricing and other information allowed to be omitted pursuant to such Rule 15c2-12(b)(1). The distribution of the Preliminary Official Statement and the Official Statement in final form shall be conclusive evidence that each has been deemed in final form as of its date by the County except for the omission in the Preliminary Official Statement of such pricing and other information.

Notwithstanding the foregoing, no Official Statement is required to be prepared if the Bonds, or any emission thereof, are purchased by a purchaser that certifies that such purchaser intends to hold the Bonds, or any emission thereof, for its own account and has no present intention to reoffer the Bonds, or any emission thereof.

Section 11. Refunding Escrow Agreement. For the purpose of providing for the payment of the principal of, premium, if any, and interest on the Refunded Bonds, the County Mayor is hereby authorized and directed to execute and the County Clerk to attest on behalf of the County the Refunding Escrow Agreement with the Escrow Agent and to deposit with the Escrow Agent the amounts to be used by the Escrow Agent to purchase Government Securities as provided therein; provided, however, that the yield on such investments shall be determined in such manner that none of the Bonds will be an "arbitrage bond" within the meaning of Section 148 (a) of the Code. The form of the Refunding Escrow Agreement presented to this meeting and attached hereto as Exhibit B is hereby in all respects approved and the County Mayor and the County Clerk are hereby authorized and directed to execute and deliver same on behalf of the County in substantially the form thereof presented to this meeting, or with such changes as may be approved by the County Mayor and County Clerk, their execution thereof to constitute conclusive evidence of their approval of all such changes. The Escrow Agent is hereby authorized and directed to hold and administer all funds deposited in trust for the payment when due of principal of and interest on the Refunded Bonds and to exercise such duties as set forth in the Refunding Escrow Agreement.

Section 12. Notice of Refunding. Prior to the issuance of the Bonds, or any emission thereof, if required, notice of the County's intention to refund the Refunded

Bonds, shall be given by the registration agent for the Refunded Bonds to be mailed by first-class mail, postage prepaid, to the registered holders thereof, as of the date of the notice, as shown on the bond registration records maintained by such registration agent of said Refunded Bonds. Such notice shall be in the form consistent with applicable law. The County Mayor and the County Clerk, or either of them, is hereby authorized and directed to authorize the registration agent of said Refunded Bonds to give such notice on behalf of the County in accordance with this Section.

Section 13. Federal Tax Matters.

(a) The Bonds will be issued as federally tax-exempt bonds. The County hereby covenants that it will not use, or permit the use of, any proceeds of the Bonds in a manner that would cause the Bonds to be subjected to treatment under Section 148 of the Code, and applicable regulations thereunder, as an "arbitrage bond". To that end, the County shall comply with applicable regulations adopted under said Section 148. The County further covenants with the registered owners from time to time of the Bonds that it will, throughout the term of the Bonds and through the date that the final rebate, if any, must be made to the United States in accordance with Section 148 of the Code, comply with the provisions of Sections 103 and 141 through 150 of the Code and all regulations proposed and promulgated thereunder that must be satisfied in order that interest on the Bonds shall be and continue to be excluded from gross income for federal income tax purposes under Section 103 of the Code.

(b) The Governing Body hereby delegates to the County Mayor the authority to designate, and determine whether to designate, the Bonds as "qualified tax-exempt obligations," as defined in Section 265 of the Code, to the extent the Bonds are not deemed designated as such and may be designated as such.

(c) The appropriate officers of the County are authorized and directed, on behalf of the County, to execute and deliver all such certificates and documents that may be required of the County in order to comply with the provisions of this Section related to the issuance of the Bonds.

(d) Following the issuance of the Bonds, the Director of Accounts and Budgets is directed to administer the County's Federal Tax Compliance Policies and Procedures with respect to the Bonds.

Section 14. Discharge and Satisfaction of Bonds. If the County shall pay and discharge the indebtedness evidenced by any of the Bonds in any one or more of the following ways, to wit:

(a) By paying or causing to be paid, by deposit of sufficient funds as and when required with the Registration Agent, the principal of and interest on such Bonds as and when the same become due and payable;

(b) By depositing or causing to be deposited with any trust company or financial institution whose deposits are insured by the Federal Deposit Insurance Corporation or similar federal agency and which has trust powers ("an Agent"; which Agent may be the Registration Agent) in trust or escrow, on or before the date of maturity or redemption, sufficient money or Federal Obligations, as hereafter defined, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Bonds and to pay interest thereon when due until the maturity or redemption date (provided, if such Bonds are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice);

(c) By delivering such Bonds to the Registration Agent, for cancellation by it;

and if the County shall also pay or cause to be paid all other sums payable hereunder by the County with respect to such Bonds, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Agent to pay amounts when and as required to the Registration Agent for the payment of principal of and interest on such Bonds when due, then and in that case the indebtedness evidenced by such Bonds shall be discharged and satisfied and all covenants, agreements and obligations of the County to the holders of such Bonds shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the County shall pay and discharge the indebtedness evidenced by any of the Bonds in the manner provided in either clause (a) or clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Federal Obligations deposited as aforesaid.

Except as otherwise provided in this Section, neither Federal Obligations nor moneys deposited with the Registration Agent pursuant to this Section nor principal or interest payments on any such Federal Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and interest on said Bonds; provided that any cash received from such principal or interest payments on such Federal Obligations deposited with the Registration Agent, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the County as received by the Registration Agent and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Obligations maturing at times and in amounts sufficient to pay when due the principal and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the County, as received by the Registration Agent. For the purposes of this Section, Federal Obligations shall mean direct obligations of, or obligations, the principal of and interest on which are guaranteed by, the United States of America, which bonds or other obligations shall not be subject to redemption prior to their maturity other than at the option of the registered owner thereof.

Section 15. Continuing Disclosure. The County hereby covenants and agrees that it will provide annual financial information and material event notices as required by Rule 15c2-12 of the Securities Exchange Commission for the Bonds. The County Mayor is authorized to execute at the Closing of the sale of the Bonds, an agreement for the benefit of and enforceable by the owners of the Bonds specifying the details of the financial information and material event notices to be provided and its obligations relating thereto. Failure of the County to comply with the undertaking herein described and to be detailed in said closing agreement, shall not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Bonds to take such actions and to initiate such proceedings as shall be necessary and appropriate to cause the County to comply with their undertaking as set forth herein and in said agreement, including the remedies of mandamus and specific performance.

Section 16. Resolution a Contract. The provisions of this resolution shall constitute a contract between the County and the registered owners of the Bonds, and after the issuance of the Bonds, no change, variation or alteration of any kind in the provisions of this resolution shall be made in any manner until such time as the Bonds and interest due thereon shall have been paid in full.

Section 17. Separability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

Section 18. Repeal of Conflicting Resolutions and Effective Date. All other resolutions and orders, or parts thereof, in conflict with the provisions of this resolution are, to the extent of such conflict, hereby repealed and this resolution shall be in immediate effect from and after its adoption.

Adopted and approved this 10th day of February, 2020.
