## NEW INSPECTION NOTICE

**TO: ALL PERMIT HOLDERS**

**SUBJECT: INSULATION INSPECTION REQUIRED ON PERMITS FOR NEW SINGLE FAMILY DWELLINGS**

**WHEN: PERMITS ISSUED AFTER JULY 1,2013**

In order to comply with the Tennessee Clean Energy Act passed by the State Legislature Building Codes must now adopt and enforce requirements of the International Energy Conservation Code. Williamson County is currently adopted the 2006 IECC

Inspections will be done as follows :

- 1 AFTER** Framing,Plumbing,Mechanical and Electrical inspections have passed prior to insulation.  
Note : caulking of all penetrations will be done before framing is passed.
- 2 Insulation to be installed and called in for inspection **BEFORE DRYWALL**

If you have any questions or clarification issues please feel free to contact our office. Inspectors can be reached between 8am to 9am Monday thru Friday at 790-5718
