

## NOTICE CONCERNING COVERAGE UNDER

### THE TENNESSEE LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

---

Residents of Tennessee who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Tennessee Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in the state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The state law that provides for this safety-net coverage is called the Tennessee Life and Health Insurance Guaranty Association Act. The following is a brief summary of this law's coverages, exclusions and limits. **This summary does not cover all provisions of the law or describe all of the conditions and limitations relating to coverage. This summary does not in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.**

#### COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, an annuity, or if they are insured under a group insurance contract issued by an insurer authorized to conduct business in Tennessee. Health insurance includes disability and long term care policies. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

#### EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Guaranty Association if:

- (1) they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insured who live outside live outside that state);
- (2) the insurer was not authorized to do business in this state;
- (3) their policy was issued by an HMO, fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does not provide coverage for:

- (1) any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- (2) any policy of reinsurance (unless an assumption certificate was issued);
- (3) interest rate yields that exceed an average rate;

- (4) dividends;
- (5) credits given in connection with the administration of a policy by a group contractholder;
- (6) employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- (7) unallocated annuity contracts (which give rights to group contractholders, not individuals).

#### LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Guaranty Association is obligated to pay out. The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. For any one insured life, the Guaranty Association guarantees payments up to a stated maximum no matter how many policies and contracts there were with the same company, even if they provided different types of coverage. There aggregate limits per life are as follows:

- \$300,000 for policies and contracts of all types, except as described in the next point
- \$500,000 for basic hospital, medical and surgical insurance and major medical insurance issued by companies that become insolvent after January 1, 2010

Within these overall limits, the Guaranty Association cannot guarantee payment of benefit greater than the following:

- life insurance death benefits - \$300,000
- life insurance cash surrender value - \$100,000
- present value of annuity benefits for companies insolvent before July 1, 2009 - \$100,000
- present value of annuity benefits for companies insolvent after June 30, 2009 - \$250,000
- health insurance benefits for companies declared insolvent before January 1, 2010 - \$100,000
- health insurance benefits for companies declared insolvent on or after January 1, 2010:
  - \$100,000 for limited benefits and supplemental health coverages
  - \$300,000 for disability and long term insurance
  - \$500,000 for basic hospital, medical and surgical insurance or major medical insurance

---

The Tennessee Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Tennessee. You should not rely on coverage by the Tennessee Life and Health Insurance Guaranty association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.

## CONVERSION PRIVILEGE

---

1. If the Covered Person's insurance or any portion of it ends for any of the following reasons:
  - a. employment or membership ends;
  - b. eligibility ends (except for age for the Employee);the Covered Person may have Us issue converted accident insurance on an individual policy or an individual certificate under a designated group policy. The Covered Person may apply for an amount of coverage that is:
  - a. in \$1,000 increments;
  - b. not less than \$25,000, regardless of the amount of insurance under the group policy; and
  - c. not more than the amount of insurance he had under the group policy, except as provided above, up to a maximum amount of \$250,000.

The Covered Person must be under age 70 to get a converted policy.

If the Covered Person's insurance or any portion of it ends for non-payment of premium, he may not convert. If the Covered Person's insurance ends for a reason described in 2. below, conversion is subject to that section.

The converted policy or certificate will cover accidental death and dismemberment. The policy or certificate will not contain disability or other additional benefits. The Covered Person need not show Us that he is insurable.

If the Covered Person has converted his group coverage and later becomes insured under the same group plan as before, he may not convert a second time unless he provides, at his own expense, proof of insurability or proof the prior converted policy is no longer in force.

The Covered Person must apply for the individual policy within 31 days after his coverage under this Group Policy ends and pay the required premium, based on Our table of rates for such policies, his Age and class of risk. If the Covered Person has assigned ownership of his group coverage, the owner/assignee must apply for the individual policy.

If the Covered Person suffers a Covered Loss or dies during this 31-day period as the result of an accident that would have been covered under this Group Policy, We will pay as a claim under this Group Policy the amount of insurance that the Covered Person was entitled to convert. It does not matter whether the Covered Person applied for the individual policy or certificate. If such policy or certificate is issued, it will be in exchange for any other benefits under this Group Policy.

The individual policy or certificate will take effect on the day following the date coverage under the Group Policy ended; or, if later, the date application is made.

### **Exclusions**

The converted policy may exclude the hazards or conditions that apply to the Covered Person's group coverage at the time it ends. We will reduce payment under the converted policy by the amount of any benefits paid under the group policy if both cover the same loss.

2. If the Covered Person's insurance ends because this Group Policy is terminated or is amended to terminate insurance for the Covered Person's class, and he has been covered under this Group Policy or, any group accident insurance issued to the Employer which the Group Policy replaced, for at least five years, the Covered Person may have Us issue an individual policy or certificate of accident insurance subject to the same terms, conditions and limitations listed above. However, the amount he may apply for will be limited to the lesser of the following:
  - a. coverage under this Group Policy less any amount of group accident insurance for which he is eligible on the date this Group Policy is terminated or for which he became eligible within 31 days of such termination, or
  - b. \$10,000.

**Extension of Conversion Period**

If the Covered Person is eligible to convert and is not notified of this right at least 15 days prior to the end of the 31 day conversion period, the conversion period will be extended. The Covered Person will have 15 days from the date notice is given to apply for a converted policy or certificate. In no event will the conversion period be extended beyond 90 days. Notice, for the purpose of this section, means written notice presented to the Covered Person by the Subscriber or mailed to the Covered Person's last known address as reported by the Subscriber.

If the Covered Person sustains a Covered Loss or dies during the extended conversion period, but more than 31 days after his coverage under the Group Policy terminates, benefits will not be paid under the Group Policy. If the Covered Person's application for a converted policy or certificate is received by Us and the required premium is paid, benefits may be payable under the converted policy or certificate.

## **CLAIM PROVISIONS**

---

### **Notice of Claim**

Written or authorized electronic/telephonic notice of claim must be given to Us within 31 days after a Covered Loss occurs or begins or as soon as reasonably possible. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written or authorized electronic/telephonic notice was given as soon as was reasonably possible. Notice can be given to Us at Our Home Office in Philadelphia, Pennsylvania, such other place as We may designate for the purpose, or to Our authorized agent. Notice should include the Subscriber's name and policy number and the Covered Person's name, address, policy and certificate number.

### **Claim Forms**

We will send claim forms for filing proof of loss when We receive notice of a claim. If such forms are not sent within 15 days after We receive notice, the proof requirements will be met by submitting, within the time fixed in this Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which the claim is made.

### **Claimant Cooperation Provision**

Failure of a claimant to cooperate with Us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

### **Proof of Loss**

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our office, within 90 days of the loss for which claim is made. If (a) benefits are payable as periodic payments and (b) each payment is contingent upon continuing loss, then proof of loss must be submitted within 90 days after the termination of each period for which We are liable. If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

### **Time of Payment of Claims**

We will pay benefits due under this Policy for any loss other than a loss for which this Policy provides any periodic payment immediately upon receipt of due written or authorized electronic proof of such loss. Subject to due written or authorized electronic proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid monthly unless otherwise specified in the benefits descriptions and any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us.

### **Payment of Claims**

All benefits will be paid in United States currency. Benefits for loss of life will be payable in accordance with the Beneficiary provision and these Claim Provisions. All other proceeds payable under this Policy, unless otherwise stated, will be payable to the covered Employee or to his estate.

If We are to pay benefits to the estate or to a person who is incapable of giving a valid release, We may pay \$1,000 to a relative by blood or marriage whom We believe is equitably entitled. Any payment made by Us in good faith pursuant to this provision will fully discharge Us to the extent of such payment and release Us from all liability.

### **Payment of Claims to Foreign Employees**

The Subscriber may, in a fiduciary capacity, receive and hold any benefits payable to covered Employees whose place of employment is other than the United States of America.

We will not be responsible for the application or disposition by the Subscriber of any such benefits paid. Our payments to the Subscriber will constitute a full discharge of Our liability for those payments under this Policy.

### **Physical Examination and Autopsy**

We, at Our own expense, have the right and opportunity to examine the Covered Person when and as often as We may reasonably require while a claim is pending and to make an autopsy in case of death where it is not forbidden by law.

**Legal Actions**

No action at law or in equity may be brought to recover under this Policy less than 60 days after written or authorized electronic proof of loss has been furnished as required by this Policy. No such action will be brought more than three years after the time such written proof of loss must be furnished.

**Beneficiary**

The beneficiary is the person or persons the Employee names or changes on a form executed by him and satisfactory to Us. This form may be in writing or by any electronic means agreed upon between Us and the Subscriber. Consent of the beneficiary is not required to affect any changes, unless the beneficiary has been designated as an irrevocable beneficiary, or to make any assignment of rights or benefits permitted by this Policy.

A beneficiary designation or change will become effective on the date the Employee executes it. However, We will not be liable for any action taken or payment made before We record notice of the change at our Home Office.

If more than one person is named as beneficiary, the interests of each will be equal unless the Employee has specified otherwise. The share of any beneficiary who does not survive the Covered Person will pass equally to any surviving beneficiaries unless otherwise specified.

If there is no named beneficiary or surviving beneficiary, or if the Employee dies while benefits are payable to him, We may make direct payment to the first surviving class of the following classes of persons:

1. spouse;
2. child or children;
3. mother or father;
4. sisters or brothers;
5. estate of the Covered Person.

**Recovery of Overpayment**

If benefits are overpaid, We have the right to recover the amount overpaid by either of the following methods.

1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under this Policy.

If there is an overpayment due when the Covered Person dies, We may recover the overpayment from the Covered Person's estate.

### **Premiums**

All premium rates are expressed in, and all premiums are payable in, United States currency. The premiums for this Policy will be based on the rates set forth in the *Schedule of Benefits*, the plan and amounts of insurance in effect. If a Covered Person's insurance amounts are reduced due to age, premium will be based on the amounts of insurance in force on the day after the reduction took place.

### **Changes in Premium Rates**

We may change the premium rates from time to time with at least 31 days advance written notice to the Subscriber. No change in rates will be made until 36 months after the Policy Effective Date. An increase in rates will not be made more often than once in a 12-month period. However, We reserve the right to change rates at any time if any of the following events take place:

1. the terms of this Policy change;
2. the terms of the Subscriber's participation change;
3. a division, subsidiary, affiliated company or eligible class is added or deleted from this Policy;
4. there is a change in the factors bearing on the risk assumed;
5. any federal or state law or regulation is amended to the extent it affects Our benefit obligation.

### **Payment of Premium**

The first premium is due on the Subscriber's effective date of participation under this Policy. Thereafter, premiums are due on the Premium Due Dates agreed upon between Us and the Subscriber. If any premium is not paid when due, the Subscriber's participation under this Policy will be terminated as of the Premium Due Date on which premium was not paid.

### **Grace Period**

A Grace Period of 60 days will be granted to each Subscriber for payment of required premiums under this Policy. A Subscriber's participation under this Policy will remain in effect during the Grace Period. The Subscriber is liable to Us for any unpaid premium for the time its participation under this Policy was in force.

A Grace Period of 31 days will be granted for payment of required premiums under this Policy. A Covered Person's insurance under this Policy will remain in force during the Grace Period. We will reduce any benefits payable for any claims incurred during the grace period by the amount of premium due. If no such claims are incurred and premium is not paid during the grace period, insurance will end on the last day of the period for which premiums were paid.

An organization may elect to participate under this Policy by submitting a signed Subscriber participation agreement to the Policyholder. No participation by an organization is in effect until approved by Us.

### **Misstatement of Fact**

If the Covered Person has misstated any fact, all amounts payable under this Policy will be such as the premium paid would have purchased had such fact been correctly stated.

### **Certificates**

Where required by law, We will provide a certificate of insurance for delivery to the Covered Person. Each certificate will list the benefits, conditions and limits of this Policy. It will state to whom benefits will be paid.

### **30 Day Right To Examine Certificate**

If a Covered Person does not like the Certificate for any reason, it may be returned to Us within 30 days after receipt. We will return any premium that has been paid and the Certificate will be void as if it had never been issued.

### **Multiple Certificates**

The Covered Person may have in force only one certificate at a time under this Policy. If at any time the Covered Person has been issued more than one certificate, then only the largest shall be in effect. We will refund premiums paid for the others for any period of time that more than one certificate was issued.

### **Assignment**

We will be bound by an assignment of a Covered Person's insurance under this Policy only when the original assignment or a certified copy of the assignment, signed by the Covered Person and any irrevocable beneficiary, is filed with Us. The assignee may exercise all rights and receive all benefits assigned only while the assignment remains in effect and insurance under this Policy and the Covered Person's certificate remains in force.

### **Incontestability**

#### **1. Of This Policy or Participation Under This Policy**

All statements made by the Subscriber to obtain this Policy or to participate under this Policy are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, or to deny the validity of this Policy or of participation under this Policy unless a copy of the instrument containing the statement is, or has been, furnished to the Subscriber.

After two years from the Policy Effective Date, no such statement will cause this Policy to be contested except for fraud.

#### **2. Of A Covered Person's Insurance**

All statements made by a Covered Person are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the instrument containing the statement is, or has been, furnished to the claimant.

After two years from the Covered Person's effective date of insurance, or from the effective date of increased benefits, no such statement will cause insurance or the increased benefits to be contested except for fraud or lack of eligibility for insurance.

In the event of death or incapacity, the beneficiary or representative shall be given a copy.

**Policy Termination**

We may terminate coverage on or after the first anniversary of the policy effective date. The Subscriber may terminate coverage on any premium due date. Written or authorized electronic notice must be given at least 31 days prior to such premium due date.

Termination will not affect a claim for a Covered Loss that is the result, directly and independently of all other causes, of a Covered Accident that occurs while coverage was in effect.

**Reinstatement**

This Policy may be reinstated if it lapsed for nonpayment of premium. Requirements for reinstatement are written application of the Subscriber satisfactory to Us and payment of all overdue premiums. Any premium accepted in connection with a reinstatement will be applied to a period for which premium was not previously paid.

**Clerical Error**

A Covered Person's insurance will not be affected by error or delay in keeping records of insurance under this Policy. If such error or delay is found, We will adjust the premium fairly.

**Conformity with Statutes**

Any provisions in conflict with the requirements of any state or federal law that apply to this Policy are automatically changed to satisfy the minimum requirements of such laws.
