Part II. OWNED PERSONAL PROPERTY – Report all personal property owned by you and used or held for use in your business or profession as of January 1, including items fully depreciated on your accounting records. Do not report inventories of merchandise held for sale or finished goods in the hands of the manufacturer. Personal property leased or rented and used in your business must be reported in PART III of this schedule and not in this section. Property on which you wish to report a nonstandard value must be reported in PART IV of this schedule and not in this section. A separate schedule should be filed for each business location. List the total original cost to you for each group below by year acquired in the REVISED COST column. If COST ON FILE is printed on this schedule, you need only report new cost totals resulting from acquisition or disposition of property in the REVISED COST column. Any acquisitions/dispositions will require detailed documentation.

ALTERNATIVE REPORTING FOR SMALL ACCOUNTS – If you believe the depreciated value of your property is \$1,000 or less you may use the small accounts certification (reverse side) as an alternative to reporting detail cost below. With the certificate, subject to audit, your assessment per this schedule will be set at \$300.
