WCSO Looking for Suspects in Credit Card Skimmer Case Do you know these men? Call us.

The Williamson County Sheriff's Office is looking for two suspects after two credit card skimmers were found on gas pumps at Rapid Pak Market at 4810 Murfreesboro Road in Arrington, TN. The skimmers were found yesterday after the WCSO received information that someone was apparently using a cloned credit card at two Sam's Club locations in Murfreesboro and Antioch.

The skimmers were discovered with the help and cooperation of Rapid Pak, its manager and owner.

It is important for the public to know that skimmers are most often placed on pumps at the ends of the service area because it's more difficult for people in the store to see. Also, pumps should have seals on the access doors. If the seal is missing or broken, it may be a sign of tampering.

If you know the men seen in this security photo, call the Williamson County Sheriff's Office at 615-790-5554 Ext. 3229 or Crime Stoppers at 615-794-4000.
