To Whom It May Concern:

Williamson County is accepting bids for replacing 7 existing roof-top gas-fired air conditioning units located at 408 Century Court, Franklin, TN.

It is not the intent of Williamson County to favor one vendor; however, we do, from time to time, have to rely on vendors' help in writing specifications. We will accept all bids with exceptions noted, and all bids will be given equal consideration.

A MANDATORY pre-bid conference will be held on Tuesday, February 14, 2017 at 9:00 a.m. at the project site. Bids will be opened Thursday, February 23, 2017, 2:00 p.m. Bids should be submitted in a sealed envelope to the County Mayor's Office, 1320 West Main Street, Suite 125, Franklin, TN 37064. Each envelope should be plainly marked: **HVAC Replacements, Criminal Justice Center, February 23, 2017, 2:00 p.m. Envelope must also include bidder's company name. IF THE SEALED PACKAGE IS NOT LABELED EXACTLY AS SPECIFIED ABOVE, THE BID WILL NOT BE OPENED. A bid bond in the amount of 5% of the bid must also be included with the bid.**

Bidding shall be in accordance with the Tennessee General Contractor's License Law. Bidders on construction in the amount of \$25,000 or more must be a licensed contractor as required by the Contractor's License Act of 1976. Public Chapter #82 of the General Assembly of the State of Tennessee amended by Public Chapter #406, Public Acts 1977, and further amended by House Bill #2507 and approved May 10, 1994. **If your bid meets the above criteria, the envelope must contain your company's license number, expiration date, and classification, and license number, expiration date and classification of any subcontractors that will be used in the areas of electrical, mechanical, plumbing or HVAC. IF THE SEALED PACKAGE IS NOT LABELED EXACTLY AS SPECIFIED ABOVE, THE BID WILL NOT BE OPENED.**

Williamson County reserves the right to reject any and/or all proposals, to waive technicalities or informalities, and to accept any proposal deemed to be in the best interest of Williamson County. **No bid shall be valid unless signed.** No bid shall be accepted by FAX machine.

The successful bidder will be required to comply with contract, insurance and drug-free requirements, and to furnish Payment and Performance Bonds for 100% of the amount of the contract. Sample contracts are draft only and terms can change at the discretion of the County.

If you have any questions, please email lesliem@williamson-tn.org. All questions must be in writing by 4:30 p.m. on February 17, 2017. No addenda will be issued within 48 hours of the bid opening date and time.

The express or implied approval of Williamson County of any shop drawings or other submittals shall not relieve the Contractor of the continuing duties imposed hereby, nor shall any such approval be evidence of the Contractor's compliance with this Agreement; and

ARTICLE V

DUTIES, OBLIGATIONS AND RESPONSIBILITIES OF THE CONTRACTOR

In addition to any and all other duties, obligations and responsibilities of the Contractor, the Contractor shall have and perform the following duties, obligations and responsibilities at Contractor's expense:

A. The provision or furnishing, and the prompt payment therefor, of labor, supervision, services, materials, supplies, equipment, fixtures, appliances, facilities, tools, transportation, storage, power, fuel, heat, light, cooling or other utilities required for construction and all necessary building permits and other permits required for the construction of the Project, including any use and occupancy or similar permit(s) that may be required before the completed Project may be put in use;

B. The Contractor shall not perform work without adequate plans and specifications, or, as appropriate, approved shop drawings or other submittals. If the Contractor performs Work knowing, or under circumstances that the Contractor should reasonably have known, the Work involves an error, or inconsistency with this Agreement without first providing written notice to the County, the Contractor shall be responsible for such work;

C. Ensure that all Work shall strictly conform to the requirements of this Agreement;

D. The Contractor shall strictly supervise the work and bear full responsibility for any and all acts or omissions of those engaged in the Work on behalf of the Contractor;

E. The Contractor hereby warrants that all labor furnished under this Agreement shall be competent to perform the tasks undertaken, that the product of such labor shall yield only high quality results, that all materials and equipment provided shall be new and of high quality, that the completed Project will be of high quality and without defects, and that all work will strictly comply with the requirements of this Agreement. Any work not strictly complying with the requirements of this Agreement shall constitute a breach of the Contractor's warranty;

F. The Contractor shall comply with all legal requirements applicable to the work and shall obtain and pay for all required permits, fees and licenses customarily obtained by a Contractor. Any required permits for sites used for the disposal and/or stockpiling of material must be obtained, and copies must be provided by Contractor to Williamson County before the Notice to Proceed will be issued. The Contractor shall be responsible for any costs of moving materials, including illegally stored materials;

G. The Contractor shall employ and maintain at the Project site only competent supervisory personnel. Williamson County reserves the right to require the Contractor to remove any individual from the Project when in Williamson County's judgment said individual is detrimental to the Project. The Contractor shall provide

the name, phone number and other contact information of a supervisory personnel who can be reached 24 hours a day in case of emergencies to the Williamson County Property Manager. The Contractor shall provide updated information should the name of the responsible supervisory personnel change;

H. If required by the Contract Documents, within 5 calendar days of the commencement of the Work, the Contractor shall submit for approval to Williamson County the Contractor's Project Schedule for completing the Work. Such Project Schedule shall be in a form acceptable to the County. The Contractor's Project Schedule shall be updated no less frequently than monthly. Each such revision shall be submitted for approval to the County. Failure of the Contractor to strictly comply with Project Schedule requirements shall constitute a material breach of this Agreement;

I. The Contractor shall keep an updated copy of this Agreement at the site. Additionally, the Contractor shall keep a copy of approved shop drawings and other submittals at the site. Upon completion of the Work, all of these items shall be completed and provided to Williamson County and shall become the property of Williamson County;

J. Shop drawings and other submittals provided by the Contractor do not constitute a part of the Contract Documents, unless approved as part of a Change Order. All work requiring approved shop drawings or other submittals shall be done in strict compliance with such approved documents. However, approval by the County shall not be evidence that Work completed pursuant thereto conforms with the requirements of the Contract Documents. Williamson County shall have no duty to review partial or incomplete submittals. The Contractor shall maintain a submittal log which shall include, at a minimum, the date of each submittal, the date of any resubmittal, the date of any approval or rejection and the reason for the approval or rejection. The Contractor shall have the duty to carefully review, inspect and examine any and all submittals before submitting them to the County. Contractor shall reimburse Williamson County for any fees that are incurred as a result of partial or incomplete submittals;

K. The Contractor shall maintain the Project site in a reasonably clean condition during performance of the work. Upon final completion, the Contractor shall thoroughly clean the Project site of all debris, trash and excess materials or equipment;

L. The Contractor shall furnish such watchmen, guards, fences, warning signs, lights, walkways, and shall take all other precautions as shall be necessary to prevent damage to persons or property. All structures and improvements in the vicinity of the Work shall be protected by the Contractor; and, if such property is damaged, injured or destroyed by the Contractor, Contractor's employees, subcontractors or agents, it shall be restored to a condition as good as when Contractor entered upon the Work. All safety provisions contained in applicable laws, regulations, ordinances, guidelines or building and construction codes, shall be strictly adhered to;

M. Unless otherwise indicated in the Contract Documents, or unless otherwise taken care of by the County thereof, all utilities and all structures of any nature, whether below or above ground, that may be affected by the Work, shall be protected by the Contractor and shall not be disturbed or damaged by the Contractor during the progress of the work. Should the Contractor disturb, disconnect or damage any utility or any structure, all expenses of whatever nature arising from such disturbance or the replacement or repair thereof shall be borne by the Contractor;

N. At all times relevant to this Agreement, the Contractor shall permit the County to enter upon the Project site and to review or inspect the work without formality or other procedure;

O. Contractor shall be responsible for the cost of storing, moving, and transporting materials stored off-site;

P. Contractor shall notify owners of adjacent property and underground facilities and utility owners when prosecution of the work may affect them, and shall cooperate with the owners in the protection, removal, relocation and replacement of property;

Q. Contractor shall make changes that are ordered by the County which do not involve a change in the Contract Price, do not involve a change in the time for the Contractor's performance, and are consistent with the intent of this Agreement. Contractor shall also have made or permit to be made any inspections or testing, in addition to those required in the Contract Document, that are required by the County as appropriate to ensure compliance with the requirements of this Agreement.

ARTICLE VI TIME FOR CONTRACTOR'S PERFORMANCE

A. If the Contract Documents so require, the Contractor shall commence the performance of this Agreement (“Commencement of Work Date”) within 5 calendar days after the date of issuance to Contractor of a Notice to Proceed by the County. Once timely commenced, Contractor shall diligently continue its performance to and until final completion of the Project. The Contractor shall accomplish Substantial Completion of the Project within 60 calendar days after the date that the Notice to Proceed is issued. The Contractor shall accomplish Final Completion of the Project within 15 calendar days after the date that Substantial Completion is accomplished.

B. Guarantees and equipment warranties required by this Agreement shall commence on the date of Substantial Completion.

C. All limitations of time set forth herein are material and are of the essence of this Contract.

ARTICLE VII SURETY BONDS

The Contractor shall furnish separate performance and payment bonds to Williamson County in forms which the County approves. Each bond shall set forth a penal sum in an amount not less than the Contract Price. Each bond furnished by the Contractor shall incorporate by reference the terms of this Agreement as fully as though they were set forth verbatim in such bonds. In the event the Contract Price is adjusted by Change Orders executed by the Contractor, the penal sum of both the performance bond and the payment bond shall be deemed adjusted by like amount. The performance and payment bonds furnished by the Contractor shall be in a form suitable to Williamson County and shall be executed by a surety, or sureties, licensed to do business in Tennessee and reasonably acceptable to Williamson County. Bonds shall be accompanied by a power of attorney indicating that the person executing the bond is doing so on behalf of the surety. The power of attorney shall have been conferred upon the attorney-in-fact prior to the date of the bond. The power of attorney shall show the date of appointment of the attorney-in-fact and that the appointment and powers have not been revoked and remain in effect.

ARTICLE VIII ADDITIONAL DUTIES OF CONTRACTOR

A. Contractor shall submit to the County any needed requests for interpretations necessary for the proper execution or progress of the Work.

B. Contractor shall submit to the County all requests and recommendations for Change Orders.

C. The Contractor shall be responsible for making requests to the County for required inspections.

D. THE DUTIES, OBLIGATIONS, AND RESPONSIBILITIES OF THE CONTRACTOR UNDER THIS AGREEMENT SHALL IN NO MANNER WHATSOEVER BE CHANGED, ALTERED, DISCHARGED, RELEASED, OR SATISFIED BY ANY DUTY, OBLIGATION, OR RESPONSIBILITY OF ANY THIRD PARTY. THE CONTRACTOR IS NOT A THIRD-PARTY BENEFICIARY OF ANY AGREEMENT BY AND BETWEEN WILLIAMSON COUNTY AND OTHER THIRD PARTIES. IT IS EXPRESSLY ACKNOWLEDGED AND AGREED THAT THE DUTIES OF THE CONTRACTOR TO WILLIAMSON COUNTY ARE INDEPENDENT OF, AND ARE NOT DIMINISHED BY, ANY DUTIES OF A THIRD PARTY TO WILLIAMSON COUNTY.

ARTICLE IX ETHICAL STANDARDS

A. It shall be a breach of ethical standards for any person to offer, give or agree to give any Williamson County employee or former Williamson County employee, or for any Williamson County employee or former Williamson County employee to solicit, demand, accept or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy or other particular matter,

pertaining to any program requirement or a contract or subcontract or to any solicitation or proposal therefor.

B. It shall also be a breach of ethical standards for any payment, gratuity or offer of employment to be made by or on behalf of a subcontractor under a contract to the Contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order.

C. It shall also be a breach of ethical standards for a person to be retained, or to retain a person, to solicit or to secure a contract with Williamson County upon the agreement or understanding for a contingent commission, percentage or brokerage fee, except for the retention of bona fide employees or bona fide established commercial selling agencies for the purpose of securing business.

D. The Contractor affirms that it has not retained anyone in violation of this Article IX. A breach of ethical standards is a material breach of this Agreement and could result in civil or criminal sanctions and/or debarment or suspension from being a contractor or subcontractor under contracts with Williamson County.

ARTICLE X COMPENSATION (FIXED PRICE)--AMOUNT AND PROCEDURES

A. Williamson County shall pay and the Contractor shall accept, as full and complete payment for the Contractor's timely performance of its obligations hereunder, the fixed price of _____ \$ _____. The Contract Price shall not be modified except by Change Order as provided for in this Agreement. **Because time is of the essence and in order to secure this Agreement, and within the time specified, Contractor distinctly agrees that damages arising from the non-fulfillment of this Agreement regarding the failure to meet the date of Substantial Completion or Final Completion would be substantial and difficult to measure and shall be deducted from the Compensation, as liquidated damages and not in the nature of a penalty, and shall be Two Hundred Fifty and 00/100 dollars per calendar day beyond the scheduled date.**

B. Within 5 calendar days of the Effective Date of this Agreement, the Contractor shall prepare and present to the County the Contractor's Schedule of Values apportioning the Contract Price among the different elements of the Project for purposes of periodic and final payment. The Contractor's Schedule of Values shall be presented in a format acceptable to the County, with such detail and supporting information that the County requests. The Contractor shall not imbalance its Schedule of Values nor artificially inflate any element thereof. Violation of this provision by the Contractor shall constitute a material breach of this Agreement. The Contractor's Schedule of Values will be utilized for the Contractor's Payment Requests but shall only be so utilized after it has been approved in writing by the County.

C. Williamson County shall pay the Contract Price to the Contractor in accordance with the procedures set forth in this Article. On or before the 10th day of each month after commencement of performance, but no more frequently than once monthly, the Contractor may submit a Payment Request for the period ending on the last day of the prior month. Therein, the Contractor may request payment for the portion of work satisfactorily completed by Contractor allocable to the Contract Document requirements properly provided, labor, materials and equipment properly incorporated in the Project, and materials or equipment necessary for the Project and properly stored at the Project site (or elsewhere if off site storage is approved in writing by Williamson County), less amounts held in retainage (up to a maximum of 5% of the total Contract Price) by County and less the total amounts of previous payments received from the County. Any request for payment on account of stored materials or equipment must be accompanied by written proof that the County has free and clear title to such materials or equipment and that they are fully insured by Contractor against loss or damage. As a condition precedent to payment, the Contractor shall, if required by Williamson County, also furnish to Williamson County properly executed waivers of lien or other claims, in a form acceptable to Williamson County, from all subcontractors, materialmen, suppliers or others having lien or other claim rights, wherein said subcontractors, materialmen, suppliers or others having lien or other claim rights shall acknowledge receipt of all sums due pursuant to all prior Payment Requests and waive and relinquish any liens, lien rights or other claims relating to the Project. Each Payment Request shall be signed by the Contractor and notarized and shall constitute the Contractor's representation that the quantity of work has reached the level for which payment is requested, that the work has been properly installed or performed in strict compliance with this Agreement and that the Contractor knows of no reason why payment should not be made as requested. The submission by the Contractor of a Payment Request also constitutes an affirmative representation and warranty that all work for which Williamson County has previously paid is free and clear of any lien, claim or other

encumbrance of any person whatsoever. Furthermore, the Contractor warrants and represents that, upon payment of the Payment Request submitted, title to all work, materials and equipment included in such payment shall be vested in Williamson County. Thereafter, the County shall review the Payment Request and may also review the work at the Project site or elsewhere to determine whether the quantity and quality of the work, materials and equipment are as represented by the Payment Request and are as required by this Agreement. Williamson County shall make every attempt to make payment to the Contractor within 30 days following the approval of a Payment Request. The amount of each such payment shall be the amount approved for payment by the County less such amounts, if any, otherwise owing by the Contractor to Williamson County or which Williamson County shall have the right to withhold as authorized by this Agreement. The County's approval of the Contractor's Payment Requests shall not preclude Williamson County from the exercise of any of its rights as set forth in this Agreement.

D. When payment is received from Williamson County, the Contractor shall within 14 calendar days pay all subcontractors, materialmen, laborers and suppliers the amounts they are due for the Work covered by such payment. In the event Williamson County becomes informed that the Contractor has not paid a subcontractor, materialman, laborer or supplier as provided herein, Williamson County shall have the right, but not the duty, to issue future checks and payments to the Contractor of amounts otherwise due hereunder naming the Contractor and any such subcontractor, materialman, laborer or supplier as joint payees. Such joint check procedure, if employed by Williamson County, shall create no rights in favor of any person or entity beyond the right of the named payees to payment of the check and shall not be deemed to commit Williamson County to repeat the procedure in the future.

E. Neither payment to the Contractor, utilization of the Project for any purpose by Williamson County, nor any other act or omission by Williamson County shall be interpreted or construed as an acceptance of any work of the Contractor not strictly in compliance with this Agreement.

F. In addition to all other rights available to Williamson County, Williamson County shall have the right to refuse to make payment and, if necessary, may demand the return of a portion or all of the amount previously paid to the Contractor due to:

- 1) The quality of a portion, or all, of the Contractor's work not being in accordance with the requirements of this Agreement;
- 2) The quantity of the Contractor's work not being as represented in the Contractor's Payment Request, or otherwise;
- 3) The Contractor's rate of progress being such that, in Williamson County's sole opinion, Substantial Completion or Final Completion, or both, may be inexcusably delayed;
- 4) The Contractor's failure to use the compensation, previously paid the Contractor by Williamson County, to pay Contractor's Project-related obligations including, but not limited to, subcontractors, laborers and material, and equipment suppliers;
- 5) Claims made, pending or known against Williamson County or its property in relation to this Agreement or the acts or omissions of the Contractor or any of its subcontractors;
- 6) Loss caused by the Contractor; and
- 7) The Contractor's failure or refusal to perform any of its obligations to Williamson County.

In the event that Williamson County makes written demand upon the Contractor for amounts previously paid by Williamson County as contemplated in this Article X (F), the Contractor shall promptly comply with such demand.

G. If within 45 days from the date payment to the Contractor is due, Williamson County, without cause or basis hereunder, fails to pay the Contractor any amount then due and payable to the Contractor, the Contractor shall have the right to cease work until receipt of proper payment after first providing 10 days written notice to Williamson County of the Contractor's intent to cease work.

H. When Substantial Completion has been achieved, the Contractor shall notify Williamson County in writing and shall furnish to the County a listing of those matters yet to be finished. The County will thereupon conduct an inspection to confirm that the work is in fact Substantially Complete. Upon its confirmation that the Contractor's work is Substantially Complete, the County will notify Contractor in writing and will therein set forth the date of Substantial Completion. If the County, through its inspection, finds that the Contractor's work is not substantially complete, and is required to repeat all, or any portion, of its Substantial Completion inspection, the Contractor shall bear the cost of such repeat inspection(s) which cost may be deducted by Williamson County from any payment then or thereafter due to the Contractor. Upon Substantial Completion,

Williamson County shall pay the Contractor an amount sufficient to increase total payments to the Contractor less amounts held in a retainage fund and any amounts attributable to liquidated damages and deductions of the reasonable costs as determined by Williamson County for completing all incomplete work, correcting and bringing into conformity all defective and nonconforming work, and handling any outstanding or threatened claims.

I. When the Project is fully complete and the Contractor is ready for a final inspection, it shall notify Williamson County in writing. Thereupon, the County will perform a final inspection of the Project. If the County confirms that the Project is complete in full accordance with this Agreement and that the Contractor has performed all of its obligations to Williamson County, the County shall pay to the Contractor the remainder of the unpaid Contract Price, less any liquidated damages or other amounts withheld pursuant to this Agreement. If the County finds that the Project is not fully complete and is required to repeat all or any part of its final inspection of the Project, the Contractor shall bear the cost of such repeat inspection(s), which costs may be deducted by Williamson County from the Contractor's final payment or if cost exceeds final payment, then Contractor shall reimburse the County the difference in the amount of the excess cost and the amount paid.

J. When Williamson County reasonably believes that Substantial Completion or Final Completion will be inexcusably delayed, Williamson County shall be entitled, but not required, to withhold from any amounts otherwise due the Contractor an amount specified herein to recover liquidated damages applicable to such delays.

K. Prior to being entitled to receive final payment, and as a condition precedent thereto, the Contractor shall furnish Williamson County, in the form and manner required by Williamson County, if any:

- 1) An affidavit that all of the Contractor's obligations to subcontractors, laborers, equipment and material suppliers and other third parties in connection with the Project have been paid or otherwise satisfied;
- 2) Separate releases of claims or claim waivers from each subcontractor, lower tier subcontractor, laborer, supplier or other person or entity who has or might have a claim against Williamson County or the payment bond;
- 3) Consent(s) of surety to final payment; and
- 4) All product warranties, operating manuals, instruction manuals and other record documents, drawings and things customarily required of the Contractor, or expressly required herein, as part of or prior to Project closeout.

L. Williamson County shall, subject to its rights set forth in this Article, make every attempt to make final payment of all sums due the Contractor within 45 calendar days of the County's execution of a final Approval for Payment.

ARTICLE XI CHANGE ORDERS

A. Changes to the work within the general scope of this Agreement shall be ordered by Change Order and must be submitted on the Change Order Form. To be authorized and implemented, all Change Orders shall be prepared and signed by the Contractor. The Change Order shall be signed by the County Mayor, and the Williamson County Budget Director, prior to the Contractor proceeding with any such change(s). Prior to final payment, a statement shall be prepared by the Contractor that reflects all changes to the Contract Price.

B. Any properly approved Change Orders that adjust the Contract Price shall be determined as follows:

1. If unit prices that apply to the work are included in the Contract Documents, the unit prices shall be used;
2. If there are no unit prices in the Contract Documents that apply to the Work, then the applicable usual and customary pricing for the Williamson County area shall be used; and
3. If there is no usual and customary pricing that applies to the Work, then the change in the Contract Price shall be derived by determining the actual costs incurred or savings achieved, resulting from the revision in the Work. Such reasonable actual costs or savings shall include a component for direct jobsite overhead and profit but shall not include home-office (including non-job site and administrative costs) overhead or other indirect costs or components. Any such costs or savings shall be documented in the format and with such

content and detail as Williamson County directs.

4. Any Change Order that would result in a net savings to either Contractor or Williamson County shall not impair any required functions and characteristics of the finished Project such as, but not limited to, service life, reliability, economy of operation, level of operational performance, ease of maintenance, standardized features, aesthetics, and fire protection and safety features. The following must be submitted to the County:
 - a. Separate detailed cost estimates and associated construction schedules for both the requirements of the existing plans and specifications and the proposed change, and an estimate of the costs of the development and implementation of the Change Order. Each estimate shall consist of an itemized breakdown of all costs of the Contractor and all subcontractors' work in sufficient detail to show unit quantities and total costs of labor, material, overhead and equipment.
 - b. Technical analysis in sufficient detail to identify and describe each requirement of the Plans and Specifications which must be changed if the Change Order is accepted, with recommendations as to how to accomplish each such change, and its effect on unchanged work;

Further, all substitutions must be of equal or superior character, quality and design as that specified, and must be equally suited to the needs of Williamson County as the item(s) specified.

C. The performance of work pursuant to a Change Order by the Contractor shall constitute conclusive evidence of the Contractor's agreement to the ordered changes in the work and this Agreement as thus amended, including the Contract Price and the time for performance by the Contractor. The Contractor, by executing the Change Order, waives and forever releases any claim against Williamson County for additional time or compensation for matters relating to or arising out of or resulting from the work included within or affected by the executed Change Order; and

D. The Contractor shall notify and obtain the consent and approval of the Contractor's surety with reference to all Change Orders. The Contractor's execution of the Change Order shall constitute the Contractor's warranty to Williamson County that the surety has been notified of and consents to such Change Order, and the surety shall be conclusively deemed to have been notified of such Change Order and to have expressly consented thereto.

ARTICLE XII DISPUTE RESOLUTION

The parties agree to make a reasonable effort to informally resolve, among themselves, disputes that may arise during the performance of this Agreement in a timely, professional and non-adversarial manner. In an effort to limit any disputes, the parties agree to periodically meet and evaluate the progress of performance under this Agreement. Any agreements reached by the parties utilizing these informal dispute resolution procedures are not binding unless this Agreement is contained in an amendment to this Agreement or a properly executed Change Order. Williamson County and the Contractor may exercise such rights or remedies as either may otherwise have with respect to any dispute. Nothing in this provision shall create any right of either party to alternative dispute resolution, arbitration, mediation or partnering.

ARTICLE XIII CLAIMS BY THE CONTRACTOR

Claims by the Contractor against Williamson County are subject to the following terms and conditions:

- A.** All Contractor claims, including any claim for an extension of time, against Williamson County shall

be initiated by a written claim submitted to Williamson County. Such claim shall be received by Williamson County no later than 10 calendar days after the event, or the first appearance of the circumstances causing the claim, and same shall set forth in detail all known facts and circumstances supporting the claim;

B. The Contractor and Williamson County shall continue their performance of this Agreement regardless of the existence of any claim submitted by the Contractor;

C. The Contractor bears the risk of:

1. subsurface or otherwise concealed physical conditions which do not differ materially from those indicated in the Contract Documents taking into account that unless otherwise stipulated in the Contract Document, excavations and other subsurface construction activity shall be unclassified down to design depth, regardless of substrate and abandoned or inactive infrastructures;
2. unknown physical conditions which do not differ materially from those ordinarily found to exist and are generally recognized as inherent in construction activities of the character provided for in the Contract Documents; and
3. the location of utilities.

D. No change shall be made in the Contract Price as a result of the foregoing risks borne by the Contractor. Changes in the Contract Price shall be made by a Change Order, if increased costs will result from risks not borne by the Contractor, including conditions that require redesign in order for the Project to be completed.

E. In the event the Contractor seeks to make a claim for an increase in the Contract Price, as a condition precedent to any liability of Williamson County therefor the Contractor shall strictly comply with the requirements defined in this Article and such claim shall be made by the Contractor before proceeding to execute any additional or changed work. Failure of the condition precedent to occur shall constitute a waiver by the Contractor of any claim for additional compensation.

F. Williamson County shall have no liability for any claims or costs if the Contractor failed to obtain an approved change order in connection with the claim. Under no circumstances shall Williamson County be liable to the Contractor for claims of third parties including subcontractors.

G. In the event the Contractor should be delayed in performing any task which at the time of the delay is then critical, or which during the delay becomes critical, as the sole result of any act or omission of Williamson County or someone acting on Williamson County's behalf, or by Williamson County authorized Change Orders, unusually bad weather not reasonably anticipated, fire or other Acts of God, the date for achieving Substantial Completion, or, as applicable, Final Completion, shall be appropriately adjusted by Williamson County upon the written claim of the Contractor to Williamson County. A task is critical within the meaning of this Article if, and only if, said task is on the critical path of the Project Schedule so that a delay in performing such task will delay the ultimate completion of the Project. Any claim for an extension of time by the Contractor shall strictly comply with the requirements of this Article. If the Contractor fails to make such claim as required in this Article, any claim for an extension of time shall be waived. Further, extensions of time shall be Contractor's sole remedy for any and all delays. No payment or compensation of any kind shall be made to Contractor for damages because of hindrance in the orderly progress of the Work or delay from any cause in the progress of the Work, whether such hindrances or delays be avoidable or unavoidable. Contractor expressly agrees not to make, and hereby waives, any claim for damages on account of any delay, obstruction or hindrance attributable to any cause whatsoever and agrees that Contractor's sole right and remedy in the case of any delay, obstruction or hindrance, shall be an extension of the time fixed for completion of this Agreement.

ARTICLE XIV

DISCOVERING AND CORRECTING DEFECTIVE OR INCOMPLETE WORK

A. In the event that the Contractor covers, conceals or obscures its work in violation of this Agreement or in violation of a directive from Williamson County such work shall be uncovered and displayed for Williamson County's inspection upon request and shall be reworked at no cost in time or money to Williamson County.

B. If any of the work is covered, concealed or obscured in a manner not covered by this Article, the Contractor shall, if directed by Williamson County, be uncovered and displayed for Williamson County's inspection. If the uncovered work conforms strictly with the Contract Documents in all aspects, the costs incurred by the Contractor to uncover and subsequently replace such work shall be borne by Williamson

County. Otherwise, such costs shall be borne by the Contractor.

C. The Contractor shall, at no cost in time or money to Williamson County, correct work rejected by Williamson County as defective or failing to conform to the Contract Documents. Additionally, the Contractor shall reimburse Williamson County for all testing, inspections and other expense incurred as a result of the rejected work.

D. In addition to its warranty obligations set forth in this Agreement, the Contractor shall be specifically obligated to correct any and all defective or nonconforming work without additional compensation for a period of 12 months following the date of Final Completion upon receiving written notice from Williamson County.

E. Williamson County may, but shall in no event be required to, choose to accept defective or nonconforming work. In such event, the Contract Price shall be reduced by the greater of (1) the reasonable costs of removing and correcting the defective or nonconforming work, and (2) the difference between the fair market value of the Project as constructed and the fair market value of the Project had it not been constructed in such a manner as to include defective or nonconforming work. If the remaining portion of the unpaid Contract Price, if any, is insufficient to compensate Williamson County for the acceptance of the defective or nonconforming work, the Contractor shall, upon written demand from Williamson County, pay Williamson County such remaining compensation for accepting defective or nonconforming work.

ARTICLE XV INFORMATION AND MATERIAL SUPPLIED BY WILLIAMSON COUNTY

A. Williamson County shall furnish to the Contractor, prior to the execution of this Agreement, any and all written and tangible material known by Williamson County to be in its possession concerning conditions above or below ground at the site of the Project. Such written and tangible material is furnished to the Contractor only in order to make complete disclosure of such material in the possession of Williamson County and for no other purpose. By furnishing such material, Williamson County does not represent, warrant or guarantee its accuracy either in whole, in part, implicitly or explicitly, or at all, and shall have no liability therefor.

B. WILLIAMSON COUNTY DOES NOT REPRESENT, WARRANT OR GUARANTEE THE ACCURACY, EITHER IN WHOLE, IN PART, IMPLICITLY OR EXPLICITLY, OR AT ALL, OF ANY ESTIMATES PROVIDED IN THIS AGREEMENT OR IN THE INVITATION TO BID OR ANY OF THE OTHER CONTRACT DOCUMENTS, AND SHALL HAVE NO LIABILITY THEREFOR.

ARTICLE XVI WILLIAMSON COUNTY'S RIGHT TO SUSPEND CONTRACTOR'S PERFORMANCE

A. Williamson County shall have the right, at any time, to direct the Contractor to suspend the performance, or any designated part thereof, for any reason whatsoever, or without reason. Upon notification of the suspension, the Contractor shall immediately comply with the suspension and shall demobilize as directed by Williamson County.

B. In the event Williamson County directs a suspension of performance under this Article, through no fault of the Contractor, Williamson County shall pay the Contractor as full compensation for such suspension the Contractor's reasonable costs, actually incurred and paid, of:

- 1) demobilization and remobilization, including such costs paid to subcontractors;
- 2) preserving and protecting work in place; and
- 3) storage of materials or equipment purchased for the Project.

ARTICLE XVII CEASE AND DESIST ORDER

In the event the Contractor fails or refuses to perform the work as required herein, Williamson County may issue a cease and desist order to the Contractor to cease and desist from performing further work in whole or in part. Upon receipt of such order, the Contractor shall immediately cease and desist as instructed by Williamson County and shall not proceed further until the cause for Williamson County's order has been

corrected, or no longer exists, or Williamson County instructs the Contractor to resume the Work. In the event Williamson County issues a cease and desist order to the Contractor and in the further event that the Contractor fails or refuses to remedy the cause of the order or to provide adequate assurances to Williamson County within 7 days then Williamson County shall have the right, but not the obligation, to carry out the Work with its own force or with the forces of a third party contractor, and the Contractor shall be fully responsible and liable for the costs of performing such work. The rights provided herein are in addition to, and without prejudice to, any other rights or remedies Williamson County may have against the Contractor whether under the terms of this Agreement or otherwise provided under law.

ARTICLE XVIII TERMINATION BY WILLIAMSON COUNTY

Williamson County may terminate this Agreement in accordance with the following terms and conditions:

A. Williamson County may, for any reason whatsoever, terminate performance or any designated part thereof under this Agreement by the Contractor for convenience. Williamson County shall give written notice of such termination to the Contractor specifying when the termination becomes effective. The Contractor shall incur no further obligations in connection with the work, and the Contractor shall stop work when such termination becomes effective. The Contractor shall take such action as Williamson County may direct, for the protection, preservation and/or return of the property related to this Agreement which is in the possession of the Contractor and in which Williamson County has or may acquire an interest. The Contractor shall also terminate outstanding orders, services and subcontractors. The Contractor shall settle the liability and claims arising out of the termination of subcontractors and orders. Williamson County may direct the Contractor to assign the Contractor's right, title and interest under termination orders or subcontracts to Williamson County or its designee. The Contractor shall transfer title and deliver to Williamson County such completed or partially completed work and materials, equipment, parts, fixtures, information and contract rights as the Contractor has. If Williamson County terminates this Agreement for convenience, the Contractor shall be compensated as follows:

1. The Contractor shall submit a Termination Claim to Williamson County specifying the amounts due because of the termination for convenience together with costs, pricing or other data required by Williamson County. If the Contractor fails to file a termination claim within 1 year from the effective date of termination, Williamson County shall pay the Contractor an amount derived in accordance with this Article (A)(3) below;
2. Williamson County and the Contractor may agree to the compensation, if any, due to the Contractor hereunder;
3. Absent agreement to the amount due to the Contractor, Williamson County shall pay the Contractor the following amounts:
 - a. Contract prices for labor, materials, equipment and other services as agreed by Williamson County;
 - b. Reasonable costs incurred in preparing to perform and in performing the terminated portion of the Work and in terminating the Contractor's performance, plus a fair and reasonable allowance for direct jobsite overhead and actual reasonable profit (such profit shall not in any circumstances include anticipated profit or consequential damages). But if it appears that the Contractor would not have profited or would have sustained a loss if the entire Agreement would have been completed, no profit shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss, if any; and
 - c. Reasonable costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to this Article. These costs shall not include amounts paid in accordance with other provisions of this Agreement.
4. The total sum to be paid the Contractor under this Article shall not exceed the total Contract Price under any circumstances, as properly adjusted, reduced by the amount of payments otherwise made, and shall in no event include duplication of payment.

B. In addition to any rights or remedies available to Williamson County, the County may terminate the performance of the Contractor and assume possession of the Project and of the materials and equipment and may complete the work if the Contractor commits any of the following:

1. Fails to perform the work, or any part thereof, in a timely manner;
2. Fails to begin the Work within the time as defined in this Agreement;
3. Fails to supply adequate labor, supervisory personnel and proper equipment and materials;
4. If Contractor fails to timely discharge its obligations for labor, equipment and materials in the manner as provided for in the Contract Documents;
5. If Contractor disobeys applicable law; or
6. Otherwise commits a violation of a material provision of this Agreement.

C. If Williamson County exercises the right to take possession of the Project, then the Contractor shall not be paid further until all Work is completed and all obligations contained in the Contract Documents have been satisfied.

D. After Final Completion has been achieved, if any portion of the Contract Price, as it may be modified hereunder, remains after the cost to Williamson County of completing the Work, including all costs and expenses of every nature incurred, has been deducted by Williamson County, such remainder shall belong to the Contractor. Otherwise, the Contractor shall pay and make whole Williamson County for such cost. This obligation for payment shall survive the termination of this Agreement and shall only be limited to applicable statute of limitations. In the event the employment of the Contractor is terminated by Williamson County for cause and it is subsequently determined by a Court of competent jurisdiction that such termination was without cause, such termination shall thereupon be deemed a Termination for Convenience under this Agreement and as such, the Contractor will be reimbursed as if the Agreement was terminated for convenience.

E. Should funding for this Agreement be discontinued, Williamson County shall have the right to terminate the Agreement or any designated part thereof upon written notice to Contractor.

ARTICLE XIX TERMINATION BY THE CONTRACTOR

If Williamson County repeatedly fails to perform its material obligations to the Contractor for a period of 30 calendar days after receiving written notice from the Contractor of its intent to terminate this Agreement, the Contractor may terminate its Work under this Agreement by providing written notice to Williamson County. 2. All other documents furnished by Williamson County;
3. All shop drawings and other submittals by Contractor; and
