

# Fall Fitness Challenge 2017

We are just 3 days away from the beginning of the Fall Fitness Challenge. If you have not yet registered for the Challenge, we encourage you to register at the link below.

Registration link with the access code included is:

<https://wc.globalfitnesschallenge.com/#/registration?regCode=Williamson2017>

Even though the challenge begins on October 2nd, the registration period will be open until October 8th. After October 8<sup>th</sup> you cannot register for the Fall Fitness Challenge.

After October 2<sup>nd</sup>, only those registered for the Fall Fitness Challenge will receive emails. All communication will be available on the Williamson County Benefits website **Fitness Challenge 2017** page.

## Teams

If you would like to be on a team or you don't have the 5 minimum participants to qualify as a team, contact either Barbie Piper at [barbarap@williamson-tn.org](mailto:barbarap@williamson-tn.org) or [Jaimew@williamson-tn.org](mailto:Jaimew@williamson-tn.org) and they will work with you and others that are registered to get your team assigned.

## Fitbit Winners

PLEASE BE PATIENT ☺ Because so many registered more than once and under several email addresses. I am having to verify each winner to ensure they are a Williamson County employee and that they have not already won a fitbit.

The first 100 that registered as of 12a.m. on September 25<sup>th</sup>, automatically won a fitbit. Along with that 100 Fitbits, Cigna provided an additional 100 fitbits and we have done a random drawing of everyone that registered to date and we are in the process of verifying that eligibility. We are trying as quickly as possible to get Fitbits to you and I apologize for the delay.

Continue to visit the Williamson County Benefits website **Fitness Challenge 2017** page for communication and more detailed information on the challenge.

Email Gina Crawford at [ginac@williamson-tn.org](mailto:ginac@williamson-tn.org) with questions regarding the Fall Fitness Challenge 2017.
