## WILLIAMSON COUNTY GOVERNMENT

### PROCLAMATION HONORING THE 2025 PAGE HIGH SCHOOL PATRIOTS FOOTBALL TEAM

**WHEREAS**, the Page High School Patriots Football Team made school history by winning its first-ever State Championship, capturing the Class 5A BlueCross Bowl Title on Friday, December 5, 2025, at Finley Stadium in Chattanooga, defeating Sevier County 21–14 and completing a perfect 14–0 season; and

**WHEREAS**, the championship marked the culmination of one of the most successful eras in Tennessee high school football, with Page compiling an extraordinary overall record over the past four years, suffering only a handful of losses—several of which came in previous state finals—while establishing the program as one of the most consistent and dominant in the state; and

**WHEREAS**, in a thrilling rematch of last year's championship, the Patriots secured victory with a decisive 45-yard touchdown from quarterback Cameron Kruse to Cayden Aukerman with 58 seconds remaining, delivering the long-awaited breakthrough that had eluded the program in four consecutive state title appearances; and

**WHEREAS**, the Patriots demonstrated exceptional resilience throughout the postseason, delivering defining defensive stops led by State Championship MVP Cohen Grissom, along with strong performances from Sean Cunningham, Emmanuel "Calvin" Johnson, Jordan Curril, Jake Rathbone, Knight Wilson, and many others; and

**WHEREAS**, offensive momentum in the second half was propelled by touchdowns from James Pierre and Knight Wilson, complemented by Kruse's efficient passing and leadership under pressure; and

**WHEREAS**, under the leadership of Head Coach Charles Rathbone, the Patriots exemplified perseverance, unity, and pride—representing Page High School and the Rudderville community with outstanding character and determination; and

**WHEREAS**, this historic championship stands as a proud milestone for Page High School, inspiring students, alumni, families, and supporters across Williamson County.

Honorable Rogers Anderson, Mayor  
and Honorable Board of Commissioners  
Williamson County  
1320 W. Main Suite 125  
Franklin, TN 37064

Dear Mayor Anderson and Board of Commissioners:

Thank you for your request. We acknowledge receipt on November 7, 2025, of a request from the Finance Director for Williamson County (the "County") for approval to issue tax and revenue anticipation notes (TRANs) for fiscal year 2026 as an interfund loan from the General Fund to the General Purpose School Fund in the amount of \$13,000,000. Please provide a copy of this letter to all the members of the governing body.

The request included a copy of Resolution # 9-25-6 adopted on September 8, 2025, authorizing the issuance of the TRANs. The County provided cash flow forecasts which support the need to issue TRANs for the General Purpose School Fund as well as the ability of the County to make an interfund loan from its General Fund. The executed note form for the TRAN should be submitted when you file the required debt report: [tncot.cc/debt-report](http://tncot.cc/debt-report).

#### **Limitations**

Local governments in Tennessee are authorized to issue TRANs pursuant to Tenn. Code Ann. Title 9, Chapter 21 for the purpose of meeting appropriations made for the current fiscal year in anticipation of the collection of taxes and revenues of that fiscal year, subject to the prior approval of the Comptroller of the Treasury.

The authorized amount of TRANs must not exceed 60% of the annual appropriations for the fund receiving proceeds from the loan and future revenues projected must be sufficient to provide for the payment of the TRANs by June 30, 2026. We have determined that your request is within the 60% percentage limitation. Additionally, the cash flow forecast for the General Fund supports the County's ability to repay the TRANs by June 30, 2026.

### **Approval**

This letter constitutes approval pursuant to Tenn. Code Ann. §§ 9-21-801 and 9-21-408 for the County to issue TRANs in the total amount of \$13,000,000 for the General Purpose School Fund as an interfund loan from the General Fund.

This letter and the approval to issue debt do not address compliance with federal tax regulations and should not be relied upon for that purpose. These issues should be discussed with a tax attorney or bond counsel.

### **After Issuance**

Our website contains specific compliance requirements your local government will be responsible for once the TRANs are issued: [tncot.cc/debt](http://tncot.cc/debt). These requirements are not all inclusive and you should work with legal counsel to ensure compliance with legal and regulatory requirements related to the proposed debt.

If you should have questions or need assistance, please refer to our online resources or feel free to contact your financial analyst, Charlie Lester, at 615.401.7762 or [Charlie.Lester@cot.tn.gov](mailto:Charlie.Lester@cot.tn.gov).

**WHEREAS**, Stinson Place Lane is located off of Union Valley Road and has been used as a public road prior to the construction of I-840; and

**WHEREAS**, Stinson Place Lane was the result of TDOT's I-840 construction project; and

**WHEREAS**, pursuant to Tenn. Code Ann. § 54-1-126(b), the County is required to assist TDOT through a contract that requires the County to maintain any roads that are the result of the construction work which are outside the state right-of-way; and

**WHEREAS**, TDOT recently contacted Williamson County concerning Stinson Place Lane and the need for Williamson County to accept the road into its road system to maintain it, per the contract; and

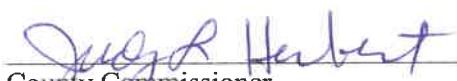

**WHEREAS**, to ensure the Williamson County Highway Department is authorized to use public highway funds to maintain Stinson Place Lane as a county road, the Highway Department is requesting action to accept Stinson Place Lane as further described in the initial report; and

**WHEREAS**, acceptance of a road into the County Road System which is generally open to the public must be approved by the Williamson County Board of Commissioners upon recommendation of the Williamson County Highway Commission and the Planning Commission; and

**REPORT FOR ACCEPTANCE OF STINSON PLACE LANE AS  
PART OF THE WILLIAMSON COUNTY ROAD SYSTEM**

Re: Highway Roads Law of Williamson County  
Chapter 373 of the Private Acts of 1937, as amended.

Section 18: That any petition for the opening, changing, closing, or acceptance of roads as County Roads, shall be directed to the Board of Highway Commissioners and the petition shall describe the road in detail, giving the termini, length, course, and width, and shall be accompanied by a map thereof drawn to scale, and may include such other matters as the petitioner or petitioners may urge upon the Commissioners and the County Court for the acceptance of said road as a county road. It shall be the duty of the Board of Highway Commissioners, upon said petition being filed with them, to investigate the advisability of opening or changing such road, and submit a written report to the County Court showing the assessed value of property abutting thereon, the amount of travel taken care of by said road, and such other matters as would throw light upon its importance as a county road. The Commission shall then at the next term of the Quarterly Court make its recommendation as to whether the road should or should not be accepted as a county road, or opened, or closed, or changed, and the Quarterly County Court make take such action as it deems best. The original petition and map submitted by the petitioners shall remain on file in the office of the County Judge.

**Discussion:**

This resolution, with accompanying map, indicates the above referenced roadway right-of-way is an average of 22 feet. The length of the roadway is approximately 205 feet. The assessed value of the properties abutting the roadway is \$3,416,200.00 as recorded in the office of the Williamson County Tax Assessor.

**Roadway Conditions:**

Stinson Place Lane is a paved road that connects to Union Valley Road and meets the criteria for acceptance.

**Traffic:**

The estimated traffic is minimal due to the fact that the road is a rural road.

**Conclusion:**

It is the recommendation of the Williamson County Highway Commission that:

1. This road meets the requirements to accept the road into the Williamson County road system; and
2. The petition for acceptance was initiated by the Williamson County Highway Commission.

**RESOLUTION TO ADOPT THE 2026 WILLIAMSON COUNTY ROAD LIST**

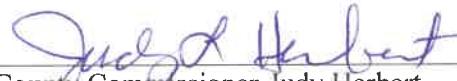

**WHEREAS**, pursuant to *Tennessee Code Annotated*, Section 54-10-103, it is the responsibility of the Williamson County Board of Commissioners to periodically approve the County Road List and to classify the County roads into no more than four classes of widths; and

**WHEREAS**, it is the responsibility of the Williamson County Highway Superintendent to submit to the Board of Commissioners the proposed County Road List recommending the classification of each road by width and including a summary of all changes that have occurred since the acceptance of the previous road list; and

**WHEREAS**, the recommended 2026 Road List, classifying the Williamson County roads into four classes of width, is attached and contains all the information required under *Tennessee Code Annotated*, Section 54-10-103:

**NOW THEREFORE, BE IT RESOLVED**, that the Williamson County Board of County Commissioners, meeting in regular session on the 12<sup>th</sup> day of January, 2026 hereby accepts the 2026 Williamson County Road List and classifies each County road into one of four road classifications defined by width, as attached and in accordance with *Tennessee Code Annotated*, Section 54-10-103;

**AND BE IT FURTHER RESOLVED**, that a complete 2026 Williamson County Road List be maintained on file in the County Clerk's Office.

**Requested by: County Commission**

**A RESOLUTION TO AMEND ARTICLE 3 OF THE ZONING ORDINANCE  
REGARDING MAILED NOTICE WHEN PUBLIC NOTICE IS REQUIRED OF A  
ZONING MAP AMENDMENT**

**WHEREAS**, on May 14, 2012, the Board of County Commissioners adopted the current Zoning Ordinance and Official Zoning Map, and established an effective date of January 1, 2013; and

**WHEREAS**, currently the County provides written, mailed notice to property owners whose property is adjacent to a property seeking a zoning map amendment (rezoning); and

**WHEREAS**, recently, County Commission members have expressed concerns that the notice to only adjacent property owners was not sufficient to give other property owners in the surrounding community who may also be affected by a rezoning notice of the potential rezoning; and

**WHEREAS**, notices of zoning map amendments are provided in a number of ways, including published notice in a newspaper, written, mailed notice, notice on the County website and County calendar as well as posting of a sign on the property subject to the map amendment request; and

**WHEREAS**, the proposed amendment would extend the written, mailed notice to property owners within 500 feet of the boundary line of the property seeking the zoning map amendment; and

**WHEREAS**, the notice provisions are also described in table format in the Zoning Ordinance, Table 3.10-1; and

**WHEREAS**, in the course of reviewing these provisions a mistake in Table 3.10-1 was noticed, where it requires the posting of a sign for a zoning *text* amendment, which is not possible given that a zoning text amendment is a broader amendment not generally associated with a particular parcel, so the attached amendment also corrects this mistake; and

**WHEREAS**, it is the intent of these amendments to ensure that a broader scope of neighboring property owners are given notice of a proposed zoning map amendment and to correct the mistake in the notice table, all of which are in Article 3 of the Zoning Ordinance; and

**WHEREAS**, on December 11<sup>th</sup>, 2025, the Williamson County Regional Planning Commission conducted its official Public Hearing on this amendment, which is attached hereto and incorporated herein; and

**WHEREAS**, based upon its consideration of all the information, Planning Staff recommendation, and its own Public Hearing, the Williamson County Regional Planning Commission has recommended the adoption of the amendment as presented; and

**WHEREAS**, the Board of County Commissioners finds and determines that the best interests of Williamson County and its citizens will be served by the adoption of this amendment to the Zoning Ordinance as recommended by the Regional Planning Commission; and

**WHEREAS**, due notice has been published and a public hearing has been held as required by the Tennessee Code Annotated, Title 13, Chapter 7, Part 1.

**NOW, THEREFORE, BE IT RESOLVED**, that the Williamson County Board of Commissioners at its regular meeting on this the 12<sup>th</sup> day of January, 2026, after conducting the public hearing as required by law, hereby adopts the amendment to the Williamson County Zoning Ordinance, which is attached hereto and incorporated herein as if included verbatim, in accordance with its authority in Tennessee Code Annotated, Title 13, Chapter 7, Part 1.

**NOW, THEREFORE, BE IT FURTHER RESOLVED**, that the amendments will be effective and enforced on this the 12<sup>th</sup> day of January, 2026.

**AMENDMENT TO ARTICLE 3 OF THE WILLIAMSON COUNTY ZONING ORDINANCE REGARDING DETAILS OF THE MAILED NOTICE WHEN PUBLIC NOTICE IS REQUIRED (6-2025-606).**

**STAFF REPORT**

After recent amendments to the Zoning Map, County Commissioners have raised concerns that some neighboring property owners who may be affected by a proposed Zoning Map Amendment would not receive notice of the proposed amendment. Staff was asked to review the public notice that is provided to surrounding property owners in the case of a proposed rezoning.

Currently, only property owners adjacent to the property that is subject to a zoning map amendment are notified by mail of the proposed rezoning. After considering different options, Staff has recommended a zoning text amendment to Section 3.10(D) that in the case of a zoning map amendment, mailed notice be extended to owners within 500 feet of the property line of the property subject to the rezoning. It is the intent to provide a broader reach than only those who are immediately adjacent to the property to include other properties in the surrounding areas.

It is important to note that, in addition to this mailed notice, there is also published notice in the newspaper, posting on the County website and County calendar and a sign is placed on the property. These notices are provided for both the Planning Commission public hearing and the County Commission public hearing.

In reviewing the current provisions in Article 3, Staff also noted a needed correction to Table 3.10-1, which describes in table format all of the different notices required. Currently, the Table requires the posting of a sign for a proposed text amendment, but this is not correct, because a text amendment is a broad change to the Zoning Ordinance that is not directed or attached to a particular property. This is merely a mistake found in the Zoning Ordinance, so a revision is recommended to correct the table.

Staff recommends approval of the proposed amendments, and at their December 8, 2025 meeting, the Williamson County Regional Planning Commission voted unanimously to recommend adoption.

Amend Article 3, Section 3.10 (D): Written (Mailed) Notice

**Requested by: County Commission**

**A RESOLUTION TO AMEND ARTICLE 3 OF THE ZONING ORDINANCE  
REGARDING UTILITY AVAILABILITY FOR NEW DEVELOPMENT**

**WHEREAS**, on May 14, 2012, the Board of County Commissioners adopted the current Zoning Ordinance and Official Zoning Map, and established an effective date of January 1, 2013; and

**WHEREAS**, currently the County requires that any proposed development provide a letter of availability of water service and proof of the treatment of wastewater;

**WHEREAS**, recently, County Commission members have expressed concerns that some of those letters do not tell the whole story, where a utility may be able to serve a proposed development but that the facility is not in good standing with the Tennessee Department of Environment and Conservation; and

**WHEREAS**, oftentimes letters of availability are dependent upon improvements to utility infrastructure in order to fully accommodate the proposed development, and that information would be important to the Planning Commission in its determination whether the development is appropriate in the proposed location; and

**WHEREAS**, the amendment requires more detail in a water availability letter including a description of what infrastructure improvements may be needed and who may be responsible for those required improvements; and

**WHEREAS**, the proposed amendment related to the availability of the treatment of wastewater also requires additional detail, with differences in the detail required based on the type of treatment proposed and there is also a requirement that the utility confirm that the facility proposed to accept the additional wastewater flow is not in a position where it cannot accept the additional flow due to any outstanding violations or require upgrades; and

**WHEREAS**, it is the intent of these amendments to ensure that the Planning Commission has sufficient information necessary at every stage of development to determine if a proposed development is appropriate in the given location due to the availability, or lack thereof, of sufficient utility support; and

**WHEREAS**, on October 16th, 2025 and again on December 11<sup>th</sup>, 2025, the Williamson County Regional Planning Commission conducted its official Public Hearing on this amendment, which is attached hereto and incorporated herein; and

**WHEREAS**, based upon its consideration of all the information, Planning Staff recommendation, and its own Public Hearings, the Williamson County Regional Planning Commission has recommended the adoption of the amendment as presented; and

**WHEREAS**, the Board of County Commissioners finds and determines that the best interests of Williamson County and its citizens will be served by the adoption of this amendment to the Zoning Ordinance as recommended by the Regional Planning Commission; and

**WHEREAS**, due notice has been published and a public hearing has been held as required by the Tennessee Code Annotated, Title 13, Chapter 7, Part 1.

**NOW, THEREFORE, BE IT RESOLVED**, that the Williamson County Board of Commissioners at its regular meeting on this the 12<sup>th</sup> day of January, 2026, after conducting the public hearing as required by law, hereby adopts the amendment to the Williamson County Zoning Ordinance, which is attached hereto and incorporated herein as if included verbatim, in accordance with its authority in Tennessee Code Annotated, Title 13, Chapter 7, Part 1.

**AMENDMENT TO ARTICLE 3 OF THE WILLIAMSON COUNTY ZONING  
ORDINANCE REGARDING PROOF OF INFRASTRUCTURE AVAILABILITY (6-  
2025-605).**

**STAFF REPORT**

Recently, County Commissioners have raised concerns that some utility companies are advising the Planning Commission of the ability to serve utilities to a proposed development, but then Staff later learning that the facilities to which the proposed development will connect has an active violation with the Tennessee Department of Environment and Conservation. Not wishing to further burden a water or wastewater facility with additional lots while a facility is actively working to upgrade or repair services, Planning Staff thought it would be best to update the information required when a development is proposed related to the availability of water and wastewater treatment, including whether a proposed facility is in good standing and what facility upgrades may be needed to serve the proposed development.

A public hearing was conducted at the October Planning Commission meeting, after which the Planning Commission deferred consideration of the amendment until some comments could be addressed, at the request of Staff.

The attached proposed amendments are revised from the October 2025 version to better address what information is needed from utility providers at different stages of a development. These proposed amendments will require more detail in a water availability letter and a description of what infrastructure improvements may be needed and who may be responsible for those required improvements. The attached amendments related to the availability of the treatment of wastewater also require additional detail, the differences in the detail of which depend upon the type of treatment proposed. There is also a requirement that the utility confirm that the facility proposed to accept the additional wastewater flow is not in a position where it cannot accept the additional flow due to any outstanding violations or require upgrades.

It is the intent of these amendments to ensure that the Planning Commission has sufficient information necessary to determine if a proposed development is appropriate in the given location due to the availability, or lack thereof, of sufficient utility support.

Staff recommends approval of the proposed amendments, and at their December 8, 2025 meeting, the Williamson County Regional Planning Commission voted unanimously to recommend adoption.

**RESOLUTION NO. 1 -26 -1**

**Requested by: Commissioner Christopher Richards**

**A RESOLUTION OF THE WILLIAMSON COUNTY BOARD OF  
COMMISSIONERS REGARDING COMMISSION OVERSIGHT AND  
INDEPENDENT LEGAL REPRESENTATION  
IN CONNECTION WITH WILLIAMSON HEALTH**

WHEREAS, Williamson Health operates facilities and assets owned in whole or in substantial part by Williamson County, making such assets subject to the fiduciary oversight of the Williamson County Board of Commissioners;

WHEREAS, Tennessee law vests control of county property in the County Commission and requires Commission approval for any sale, conveyance, or material disposition of such property;

WHEREAS, any potential sale or transfer of Williamson Medical Center would constitute the largest financial transaction involving county-owned assets in Williamson County history;

WHEREAS, the County Commission has an independent duty to receive complete, impartial, and unconflicted legal advice when exercising its statutory oversight responsibilities;

WHEREAS, at the November 10, 2025 County Commission meeting, outside legal counsel was engaged at an hourly rate of \$900, with representations made during that meeting that such engagement was temporary in nature and subject to further review by the Commission;

WHEREAS, multiple Commissioners expressed concern during that meeting regarding the lack of prior notice to the Commission, the process by which outside counsel was identified, and whether such counsel would function independently of the executive branch;

WHEREAS, questions were also raised regarding whether outside counsel selected through the Mayor's office would primarily report to the Mayor or would serve the County Commission as an independent client in matters involving county-owned assets;

WHEREAS, the County Commission has never voted to approve, ratify, or authorize any conflict-of-interest waiver permitting dual representation of the County Commission and the Williamson Health Board of Trustees;

WHEREAS, any conflict waiver executed in 2011 was signed only by the County Mayor, was never approved by the County Commission, was never executed by any Commissioner, and is not on file with the Williamson County Clerk;

WHEREAS, under the Tennessee Rules of Professional Conduct, any waiver of a conflict of interest must be informed, current, and reassessed when circumstances change or when new material matters arise;

WHEREAS, an ethics investigation concerning issues of legal representation and conflicts of interest related to Williamson Health remains pending and has not been dismissed;

WHEREAS, the existence of a pending investigation does not require the County Commission to reach any conclusion regarding its merits, but does warrant heightened caution and independence in the Commission's receipt of legal advice;

WHEREAS, the County Commission does not adjudicate ethical complaints, which are reserved to appropriate state authorities, but retains full authority to structure its own oversight processes and obtain independent legal counsel when necessary;

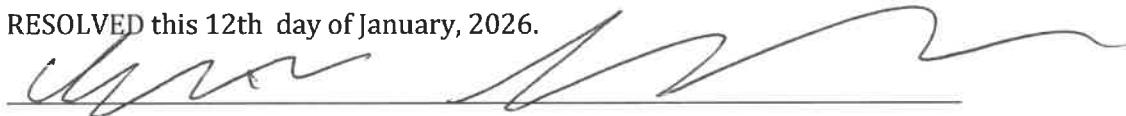

WHEREAS, Tennessee law and Attorney General guidance recognize that a county legislative body may retain independent legal counsel when institutional concerns or potential conflicts exist;

WHEREAS, public trust in county government depends upon transparency, independence, and confidence that the County Commission is receiving unbiased legal advice regarding the stewardship of county-owned assets;

NOW, THEREFORE, BE IT RESOLVED BY THE WILLIAMSON COUNTY BOARD OF COMMISSIONERS:

1. That the Williamson County Board of Commissioners affirms that the engagement of outside legal counsel approved on November 10, 2025 was understood by the Commission to be temporary in nature and subject to review by the full Commission.
2. That the County Commission hereby expresses its intent to reexamine the structure, scope, and reporting relationship of outside legal counsel engaged in connection with Williamson Health at the January 2026 Commission meeting.
3. That a committee of five (5) County Commissioners who are not currently serving on the Williamson Health Board of Trustees shall be voted on by the Williamson County Commission to evaluate options for independent legal counsel to represent the County Commission's interests.
4. That such committee shall review qualifications, scope of engagement, reporting structure, and potential conflicts of interest and shall report its findings and recommendations to the full County Commission.
5. That nothing in this Resolution shall be construed as a finding of ethical misconduct by any attorney, nor as interference with any pending investigation, but solely as an exercise of the County Commission's governance and oversight authority.
6. That this Resolution is adopted in furtherance of transparency, accountability, and the protection of county-owned assets, and in order to ensure that the County Commission receives independent legal advice consistent with its fiduciary obligations to the taxpayers of Williamson County.

RESOLUTION NO. 1 -26- 2

Requested by: Commissioner Christopher Richards

**A RESOLUTION AUTHORIZING THE WILLIAMSON COUNTY BOARD OF  
COMMISSIONERS TO INITIATE A REQUEST FOR PROPOSALS (RFP) AND RETAIN AN  
INDEPENDENT CONSULTANT TO ADVISE THE COMMISSION REGARDING POTENTIAL  
TRANSACTIONS INVOLVING WILLIAMSON HEALTH**

**WHEREAS**, Williamson Health operates as a county-owned public hospital, and the Williamson County Board of Commissioners retains statutory responsibility for the oversight of county-owned property, assets, and financial obligations;

**WHEREAS**, any potential sale, lease, affiliation, or change in control of Williamson Health would constitute one of the most significant financial and policy decisions ever considered by the Williamson County government;

**WHEREAS**, the Hospital Board has retained its own financial and strategic consultant, Kaufman Hall, to advise the Hospital Board regarding strategic planning and potential transactions;

**WHEREAS**, the County Commission has a separate and independent fiduciary duty to the taxpayers of Williamson County that is distinct from the operational and governance responsibilities of the Hospital Board;

**WHEREAS**, the Commission's fulfillment of that fiduciary duty requires access to independent expertise and analysis that is not controlled by, aligned with, or dependent upon the Hospital Board or its retained consultants;

**WHEREAS**, Commissioners who serve simultaneously on the Hospital Board necessarily participate in Hospital Board deliberations and decision-making, which may give rise to uncertainty regarding the capacity in which those Commissioners are acting and the fiduciary duties owed in matters involving potential transactions;

**WHEREAS**, while dual service may be permitted by law, the existence of overlapping roles creates a reasonable need for procedural safeguards to ensure that the County Commission's independent oversight responsibilities are exercised without divided loyalties or the appearance thereof;

**WHEREAS**, establishing a separate, Commission-controlled Request for Proposals (RFP) process for an independent consultant is a prudent governance measure designed to protect the integrity of the Commission's deliberations and the public trust;

**WHEREAS**, initiating a competitive and transparent RFP process is consistent with sound fiscal stewardship, good governance practices, and the Commission's obligation to make fully informed decisions on behalf of the taxpayers;

**NOW, THEREFORE, BE IT RESOLVED** by the Williamson County Board of Commissioners that:

1. The Williamson County Board of Commissioners hereby authorizes the initiation of a Request for Proposals (RFP) for the purpose of retaining an independent consultant to advise the County Commission regarding potential strategic transactions involving Williamson Health.
2. The consultant's scope of work may include independent review of financial analyses, valuation assumptions, transaction structures, taxpayer exposure, debt obligations, and long-term fiscal impacts.

3. The RFP process and any resulting engagement shall be conducted on behalf of, and report directly to, the Williamson County Board of Commissioners or a committee designated by the Commission.
4. Any Commissioner who serves on the Williamson Health Hospital Board shall not participate in drafting the RFP, evaluating proposals, selecting a consultant, or overseeing the consultant's work under this resolution.
5. The County Commission shall, in open session and by majority vote, select a committee of Commissioners who do not serve on the Hospital Board to oversee the RFP process and report its recommendation to the full Commission.
6. Any contract resulting from the RFP process shall be subject to approval by the Williamson County Board of Commissioners in accordance with applicable law and Commission rules.
7. Nothing in this resolution shall be construed as expressing a preference for or against any particular transaction involving Williamson Health.

BE IT FURTHER RESOLVED that this resolution shall take effect upon adoption, the public welfare requiring it.

CONSOLIDATED RETIREMENT SYSTEM**

**WHEREAS,** The Williamson County Sheriff's Office finds it in the best interest of its deputies to be permitted to perform certain special duty law enforcement work for separate and independent employers during their off duty hours; and

**WHEREAS,** The Fair Labor Standards Act provides a special provision for law enforcement employees who solely at their own option perform special duty work in law enforcement activities for a separate and independent employer during their off duty hours, in which these special detail assignments may be performed for the second employer without overtime obligations applying even if the county compensates the officer for the special detail work through the regular payroll system and retains a fee for administrative expenses so long as the officer performs the work at his or her own option and the two employers are in fact separate; and

**WHEREAS,** The County wishes to contract with PowerDetails for management of scheduling, billing, recordkeeping, and other services related to such special duty work in accordance with the terms of the proposed contract appended to this resolution; and

**WHEREAS,** PowerDetails will collect reimbursement from the third parties receiving the services of the off-duty deputies, and will pay those funds minus its fees under the attached contract over to the County, whereupon the County will then compensate the deputies accordingly in compliance with the special FLSA exception found at 29 C.F.R. §553.227; and

**WHEREAS,** Because the services provided will be for a third party who is a separate and independent employer pursuant to the special FLSA exception, those hours do not constitute "compensation payable to a member for services rendered to an employer" for purposes of calculating contributions to the Tennessee Consolidated Retirement System (TCRS) on behalf of the employee; and

**WHEREAS,** the Board of Commissioners finds it in the interest of the citizens of Williamson County to approve the Proposed contract, authorize payment of deputies for special duty law enforcement details through the process outlined herein pursuant to 29 C.F.R. §553.227; and to make clear that such payments are not considered "compensation payable to a member for services rendered to an employer" for TCRS purposes;

**NOW, THEREFORE, BE IT RESOLVED,** that the Williamson County Board of Commissioners, meeting in regular session this 12th day of January, 2026, hereby authorizes the Williamson County Mayor to execute the attached Master Services Agreement with PowerDetails as well as all other related documents necessary to facilitate implementation of the Agreement; and

**BE IT FURTHER RESOLVED,** that the special duty work made available to deputies pursuant to the Master Services Agreement shall not be considered to be compensation eligible for TCRS retirement purposes; and

**BE IT FURTHER RESOLVED,** that extra duty assignments made available to deputies under the Master Services Agreement shall be entirely voluntary on the deputies' part, and shall be made available on a fair and equitable basis to all employees performing those duties.

### 3. **Proprietary Rights and Licenses**

3.1. Limited License to Use Services. Subject to the terms and conditions of this Agreement, PowerDetails hereby grants to Agency a non-exclusive, non-transferable, limited, royalty-free license, without right to sub-license, for the term of each Service Order, to access and use, and to permit its Users to access and use, the Services, solely for Agency's operations in its ordinary course of business.

3.2. Limited License to Use Agency Materials. Agency hereby grants to PowerDetails a non-exclusive, non-transferable, limited, royalty-free license, without right to sub-license (except to its sub-processors, as required for the provision of the Services), to use the Agency Data, solely as necessary to perform the Services and as otherwise may be agreed in writing by Agency.

3.3. Reservation of Rights. No rights or licenses are granted except as expressly set forth herein. Without limiting the foregoing, subject to the limited rights expressly granted in this Section 3, all right, title and interest (including all related Intellectual Property Rights) in and to (a) the Services and the PowerDetails Technology is retained by PowerDetails, and (b) the Agency Data is retained by Agency.

This Section 3.4 shall survive the termination of this Agreement.

3.5. Federal Government Use. If the Services or the PowerDetails Technology are made available to a federal government end user, for ultimate federal government end use, technical data and software rights related to the Services include only those rights customarily provided to the public as specified in this Agreement.

4.1. Fees. Fees for management of the Services and Subscriptions shall be payable in the amounts and upon the terms specified in Exhibits A and B, the Statement of Work. Except as expressly provided in these Terms, the Fees are nonrefundable.

4.2. Suspension of Services. If any amount owed by an Extra-Duty Service Employer is more than 60 days overdue, PowerDetails may, without limiting its other rights and remedies, suspend the Services as it relates to that specific Extra-Duty Service Employer until such amounts are paid in full. Should an Extra-Duty Service Employer fail to remit payment of Services rendered, PowerDetails shall look exclusively to that entity for satisfaction of the debt.

4.3. Payment Disputes. PowerDetails will not exercise its rights under Section 4.2 or 4.3 so long as the business is disputing the applicable charges reasonably and in good faith and is cooperating diligently to resolve the dispute.

#### 5. Confidentiality

5.1. Definition of Confidential Information. "Confidential Information" means all information disclosed by a party ("Disclosing Party") to the other party ("Receiving Party"), whether orally or in writing, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure. Agency's Confidential Information includes its Agency Data. PowerDetails Confidential Information includes the Services. The Confidential Information of each party includes the terms and conditions of this Agreement and all Service Orders (including pricing), as well as business and marketing plans, technology and technical information, product plans and designs, and business processes disclosed by such party. However, Confidential Information does not include any information that (a) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party, (b) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party, (c) is received from a third party without breach of any obligation owed to the Disclosing Party, (d) was independently developed by the Receiving Party, or (e) is required under applicable law to be disclosed to or made available for inspection by the public.

5.2. Obligations. The Receiving Party will use the same degree of care that it uses to protect the confidentiality of its own confidential information of like kind (but not less than reasonable care) (i) not to use any Confidential Information of the Disclosing Party for any purpose outside the scope of this Agreement and (ii) except as otherwise authorized by the Disclosing Party in writing, to limit access to Confidential Information of the Disclosing Party to those of its employees and contractors who need that access for purposes consistent with this Agreement and who have signed confidentiality agreements with the Receiving Party containing protections not less protective of the Confidential Information than those herein.

5.3. Exceptions. PowerDetails acknowledges that the Agency is subject to the Tennessee Open Records Act, which may require the Agency to disclose requested documents to members of the public or the media. Such documents may include, but are not limited to, this Agreement or any other materials provided by or on behalf of PowerDetails. The Agency's compliance with the Tennessee Open Records Act shall not be considered a breach of this Agreement. Should the Agency receive a public records request that involves any documents marked as confidential provided by PowerDetails, the Agency will provide PowerDetails with written notice within five (5) calendar days from receipt of the request. This notice is to provide the opportunity to PowerDetails to object to the disclosure and state the legal basis for its objection. Upon receiving PowerDetail's objection, the Agency will determine, at its sole discretion, whether the objection qualifies as an exemption under the Tennessee Open Records Act. If the Agency concludes that no exemption applies, it will disclose only the portion of Agency's information that is legally required.

5.4. Equitable Relief. The parties recognize and agree that there is no adequate remedy at law for breach of the provisions of the confidentiality obligations set forth in this Section 5, that such a breach would irreparably harm the Disclosing Party and that the Disclosing Party is entitled to seek equitable relief (including, without limitation, an injunction) with respect to any such breach or potential breach in addition to any other remedies available to it at law or in equity.

## 6. Agency Data

6.1. Data Protection. PowerDetails will maintain administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of the Agency Data. Those safeguards will include, but will not be limited to, measures for preventing access, use, modification or disclosure of Agency Data by PowerDetails personnel except (a) to provide the Services and prevent or address service or technical problems, (b) as compelled by applicable law, or (c) as Agency expressly permits in writing. Agency acknowledges and agrees that it is commercially reasonable for PowerDetails to rely upon the security processes and measures utilized by the cloud infrastructure providers of PowerDetails.

6.2. Data Export, Retention and Destruction. To the degree permissible by applicable law, Agency may export or delete Agency Data from the Services at any time during the subscription term, using the existing features and functionality of the Services. Agency is solely responsible for its data retention obligations with respect to Agency Data. If and to the extent Agency cannot export or delete Agency Data stored on the systems of PowerDetails using the then existing features and functionality of the Services, PowerDetails will, upon Agency's written request, make the Agency Data available for export by Agency or destroy the Agency Data. Except as otherwise required by applicable law, PowerDetails will have no obligation to maintain or provide any Agency Data more than thirty (30) days after the end of the subscription term.

6.3. Anonymized Data. Unless otherwise specified in the applicable Sales Order, PowerDetails may use Agency's and its Users' usage history and statistics (collectively, "Statistical Data") for internal analytical purposes, including the improvement and enhancement of the Services and the other offerings of PowerDetails. PowerDetails may make information derived from its analysis of Statistical Data publicly available, provided that the information does not include any Statistical Data that has not been aggregated and anonymized. For the purposes of this Agreement, aggregated and anonymized Statistical Data means Statistical Data that (i) has been aggregated with other data, and (ii) does not contain information that identifies the Agency or its Users. For the sake of clarity, aggregated and anonymized data is not Confidential Information of the Agency. This Section 6.3 shall survive the termination of this Agreement.

## 7. Term; Termination

7.1. Term of Agreement. Subject to earlier termination as provided below, this Agreement begins on the Effective Date and continues until all subscriptions for Services have expired or have been terminated.

7.2. Termination for Breach. A party may terminate this Agreement or any Service Order (a) upon 30 days written notice to the other party of a material breach if such breach remains uncured at the expiration of such period, or (b) if the other party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors.

7.3. Subscription Term and Renewal. The term of each subscription for Services will be as specified in the applicable Service Order. Except as otherwise specified in a Service Order, subscriptions will automatically renew for additional periods equal to the expiring subscription term or one year (whichever is shorter), unless either party gives the other notice of non-renewal at least 30 days before the end of the relevant subscription term. PowerDetails will provide Agency notice of any increase in pricing for the Services at least 60 days prior to the beginning of each applicable renewal term.

7.4. Termination for Lack of Appropriation. Should funding for the Services be discontinued for failure of Agency's legislative body to appropriate the funds for the Services, Agency shall have the right to terminate the Agreement upon providing written notice to PowerDetails to be effective on the last day of the then current fiscal year. PowerDetails shall be paid for all unpaid Services which are required to fulfill PowerDetail's obligations up to the effective date of the termination. Termination by Agency for lack of funding shall not in any way be considered a breach of this Agreement by Agency and no penalties shall be imposed on Agency under any circumstances.

7.5. Termination for Convenience. Agency may terminate this Agreement for any reason by providing PowerDetails sixty (60) days written notice.

7.6. Effect of Termination. Upon termination of this Agreement for any reason, Agency and its Users will cease all use of the Services and, except for the right of PowerDetails to receive accrued but unpaid fees and as provided in Section 11.2 (Survival), all rights and obligations of the parties hereunder will automatically cease. Notwithstanding the foregoing, termination will not affect or prejudice any right or remedy that a party possesses with respect to any breach of this Agreement occurring on or before the date of termination if this Agreement is terminated by the Agency in accordance with Section 7.2.

7.7. Suspension. PowerDetails may suspend Agency's or any User's right to access or use any portion of the Services if PowerDetails determines that Agency's or Users' use of the Services (i) poses a security risk to the Services, PowerDetails or any third party, (ii) may adversely impact the Services, or the networks or data of any other PowerDetails customer, business partner or service provider, (iii) does not comply with this Agreement or applicable law, or (iv) may subject PowerDetails or any third party to liability. PowerDetails will endeavor to provide as much notice as is reasonably practicable under the circumstances, and to reinstate the Services as soon as reasonably practicable following correction of the issue.

9.3. **Mitigation.** If, due to a claim of infringement, the Services are held by a court of competent jurisdiction to be or are believed by PowerDetails to be infringing, PowerDetails may, at its option and expense (a) replace or modify the Services to be non-infringing provided that such modification or replacement contains substantially similar features and functionality, (b) obtain for Agency a license to continue using the Services, or (c) if neither of the foregoing is commercially practicable, terminate this Agreement.

#### 10. Limitation of Liability.

This Agreement may not be modified or amended except by a written instrument executed by both parties. Any additional, supplementary or conflicting terms supplied by either party (whether in hard copy or electronic form), including those contained or referenced in any invoice, purchase order or policies, are expressly rejected by each party. In the event of any conflict between the provisions of this Agreement and any Service Order, the provisions of this Agreement will prevail.

11.2. **No Waiver.** Neither any failure nor any delay by any party in exercising any right, power or privilege under this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. 11.8. Governing Law; Venue; Litigation Costs. This Agreement will be governed by the laws of the State of Tennessee without regard to conflicts-of-laws principles. Any legal proceeding arising out of or relating to this Agreement may be brought in the state or federal courts situated in Williamson County, Tennessee and each of the parties irrevocably submits to the exclusive jurisdiction of each such court in any such proceeding and waives any objection it may now or hereafter have to venue or to convenience of forum.

11.10. Force Majeure. Neither party will be liable for failure to perform its obligations hereunder, except the obligation to make payment, to the extent that such failure is the result of strikes, riots, fires, explosions, acts of God, war, governmental action, labor conditions, or any other cause beyond the reasonable control of such party. If such failure continues for a period of more than 30 days, either party may terminate each affected Service Order without liability.

Signatures and other express indications of agreement sent by electronic means (facsimile or scanned and sent via e-mail or signed by electronic signature service where legally permitted) will be deemed original signatures. This Agreement may be signed in multiple counterparts, each of which will be deemed an original and which will together constitute one agreement.

#### C. COMPENSATION

All off-duty deputy services will be scheduled and paid through the online PowerDetails platform. PowerDetails will bill the off-duty services employer and will disburse funds to Williamson County's payroll department, which will compensate deputies directly through its regular payroll system and assume responsibility for all payroll tax withholdings, pursuant to the special detail provisions of 29 CFR 553.227.

Any invoiced amount that is not received by PowerDetails when due will be subject to a late payment fee of 1.5% per month or the maximum rate permitted by law, whichever is lower.

#### **D. MARKED VEHICLE**

Deputies are assigned marked and unmarked sheriff vehicles. Employers may request that the deputy bring a marked sheriff vehicle for the job. If a marked vehicle is requested to be present and visible, it will take priority over unmarked vehicles however, it cannot be guaranteed.

#### **E. STAFFING REQUIREMENTS**

There will be a four (4) hour minimum for any off-duty services assignment, even if the assignment is less than four (4) hours. Additional supervisors may be required for certain large jobs.

#### **F. CANCELLATION PROCEDURES**

Cancellations by the off-duty services employer must be made at least 24 hours before the assignment begins. If PowerDetails receives less than 24 hour notice from the employer, and is unable to contact the deputies working the job, the off-duty services employer will be required to pay the deputies assigned to the job for four (4) hours of pay at the minimum rate.

#### **G. FILLING ASSIGNMENTS**

Off-duty services employment is voluntary and done on a deputy's time off from the department. Therefore, it can never be guaranteed that an off-duty assignment will be filled. The employer may request a particular deputy or deputies for a job; however, whether these deputies actually are employed at this job depends on availability and willingness to accept the assignment. When an off-duty services employer asks to hire a WCSO deputy, it is understood that ANY deputy may in fact work the job.

#### **H. DEPUTY NOT REPORTING FOR OFF-DUTY JOB**

If a deputy is scheduled to work and did not report, the employer should notify PowerDetails at 615-000-0000 (exact number to be assigned during implementation) and/or email at [offduty@powerdetails.com](mailto:offduty@powerdetails.com).

#### **I. INSURANCE**

The off-duty employer shall maintain General Liability insurance with coverage limits of at least One Million Dollars per occurrence and a minimum of Two Million Dollars in general aggregate, in a form satisfactory to the Williamson County Director of Insurance and Risk Management, and shall upload with this application a certificate of insurance evidencing such coverage with Williamson County, Tennessee government as an additional insured on the certificate for general liability coverage.

**FORM RIDER AND CERTIFICATIONS**  
**ADDITIONAL WILLIAMSON COUNTY, TENNESSEE GOVERNMENT TERMS AND CONDITIONS**

THIS RIDER ("Rider") is made by and between WILLIAMSON COUNTY, TENNESSEE, a county governmental entity of the State of Tennessee located at 1320 West Main St., Franklin, TN 37064, on behalf of the Williamson County Sheriff's Office ("Lessee"), and DIVERSE COMPUTING, INC., and its affiliates and subsidiaries ("Lessor"), for the purpose of incorporating the additional terms and conditions contained herein to the Equipment Rental Agreement and related documents (referenced as "Rental Agreement") as evidenced by the undersigned. In the event of any conflict between the terms and conditions of this Rider and the Rental Agreement or any other document provided by or on behalf of Lessor, this Rider shall take precedence and supersede without exception.

NOW, THEREFORE, NOTWITHSTANDING ANY TERMS, CLAUSE, OBLIGATION OR CONDITIONS provided in the Rental Agreement to the contrary, and for good and valuable consideration, Lessor and Lessee agree as follows:

1. Neither Lessee nor Lessor shall subscribe to any personnel policy which permits or allows for the promotion, demotion, employment, dismissal, or laying off of any individual due to race, creed, color, national origin, age, sex or which is in violation of applicable laws concerning the employment of individuals with disabilities.
2. Lessor shall not knowingly hire any unauthorized employees or fail to comply with record keeping requirements set forth in the Federal Immigration Reform and Control Act of 1986, Chapter 878 of the 2006 Tennessee Public Acts and all other applicable laws. Failure to comply with the requirements of these immigration laws or other applicable laws is considered a material breach of the Rental Agreement and may lead to civil penalties and debarment or suspension from being a contractor or subcontractor under contracts with Lessee.
3. Lessee is prohibited from entering into any contract with a party who is ineligible under the Iran Divestment Act. Lessor certifies under penalty of perjury that to the best of its knowledge and belief, Lessor is not on the list created pursuant to Tenn. Code Ann. § 12-12-106 that includes those entities doing business with Iran.
4. Should funding for the Equipment and/or services provided under the Rental Agreement be discontinued for failure of Lessee's legislative body to appropriate the funds, Lessee shall have the right to terminate the Rental Agreement upon providing written notice to Lessor to be effective on the last day of the then current fiscal year. Termination by Lessee for lack of funding shall not in any way be considered a breach of the Rental Agreement by Lessee and no penalties, charges, or other subsequent charges shall be assessed against Lessee.
5. Lessor understands that Lessee is subject to the Tennessee Open Records Act. This may require Lessee to provide requested documents to members of the public or press including, but not limited to, a copy of the Rental Agreement or any other document provided by or on behalf of Lessor. Compliance by Lessee with the Open Records Act shall not be a breach of the Rental Agreement. Should Lessee receive a public records request that includes the provision of any document provided by Lessor that is marked confidential information of Lessor, Lessee shall give Lessor five (5) calendar days written notice to object to the provision of the documents or information, including the basis for the objection. Upon receipt of Lessor's written objection, Lessee shall determine, in its sole discretion, whether the objection provides an exception to the Tennessee Open Records Act. If Lessee determines that there is no exception to the Tennessee Open Records Act, Lessee will furnish only that portion of Lessor's information that is legally required.
6. Each party shall be responsible for its own actions and the actions of its employees, contractors, subcontractors, and agents, conducted pursuant to the Agreement. Lessee shall not be liable for claims against it unless liability is imposed under the Tennessee Governmental Tort Liability Act. Each party shall remain

responsible for its own attorney fees, court costs, and all other costs for any legal action that may arise unless so ordered by a court of law.

7. The validity, construction, and effect of the Rental Agreement and any and all extensions and/or modifications thereof shall be exclusively governed by the laws of the state of Tennessee regardless of any choice of law claims. The parties agree that Florida Statute § 682 does not apply to Lessee or the Rental Agreement. Any action between the parties arising from or related in any manner to the Rental Agreement shall be maintained exclusively in the state courts of Williamson County, Tennessee or Federal Court sitting in Davidson County, Tennessee.

8. Any language which limits Lessee's legal remedies or recourse against Lessor contained in the Rental Agreement is deleted. Lessee does not agree to any language which would subject Lessee to liquidated damages that exceed the amount budgeted for the Rental Agreement or any other amount that is not specifically earned by Lessor.

9. Lessee is an arm of the Tennessee government that is prohibited in its capacity to agree to indemnify or hold harmless Lessor or any other person, party, or entity. Any terms or conditions contained in the Rental Agreement that require Lessee to indemnify or hold harmless Lessor or any other person, party, or entity is effective only to the degree permissible by applicable law.

10. The Lessee Representations and Warranties provided in Section 3.13 of the Rental Agreement is deleted in its entirety and replaced with the following representations and warranties: (1) Lessee is a governmental entity created by action of the Tennessee General Assembly; (2) is in good standing with the laws of the State of Tennessee and has received the required approval from its legislative body; and (3) No further consent or approval or other authorization in connection with execution, delivery, or performance by Lessee as set forth in the Rental Agreement.

11. Title and risk of loss for the Equipment shall remain with Lessor until the Equipment has been received and formally accepted by Lessee. Acceptance is contingent upon Lessee's opportunity to inspect the items. Lessee must notify Lessor of acceptance or rejection within seven (7) business days of receipt or the Equipment will be considered accepted by Lessee. Should Lessee reject the Equipment within this timeframe, Lessor shall bear the costs of its return shipment.

12. All Lessee's obligations contained in the Rental Agreement are satisfied by maintaining its self-insured policy. Under no circumstances shall Lessee be required to include Lessor as an additional insured on any insurance policy or extend any coverage to include Lessor.

13. Lessor shall, at its costs, provide insurance in the manner and at the rates as defined by the Williamson County Risk Manager with the minimum levels of coverage in the amount of \$1,000,000 for general liability, \$2,000,000 for aggregate, and \$5,000.00 in medical expenses per individual. Compliance with Lessee's insurance requirements are an essential part of the Rental Agreement.

14. Lessor shall be in default under the Rental Agreement if any of the following occurs: (1) Lessor fails to fulfill, in a timely and proper manner, its obligations under the Rental Agreement or if Lessor should violate any of the terms of the Rental Agreement and Lessor fails to correct the default within ten (10) workdays; (2) if Lessor, or any successor or assignee of Lessor, shall file a petition in bankruptcy or insolvency or for reorganization under any bankruptcy act, or shall voluntarily take advantage of any such act or shall make assignment for the benefit of creditors or if involuntary proceedings under any bankruptcy laws or insolvency act shall be instituted against Lessor, or if a receiver or trustee shall be appointed for all or substantially all of the property of Lessor, and such proceedings shall not be dismissed or the receivership or trusteeship vacated within sixty (60) calendar days after the institution or appointment; or (3) Lessor fails to comply with any federal, state, or local laws. Lessee, without limiting any of its legal remedies against Lessor for default of the Rental Agreement, may terminate the Rental Agreement by providing written notice to Lessor effective on receipt of the termination notice.

15. Lessee shall not be responsible for any governmental fees, property taxes, use taxes, or sales taxes imposed on the Equipment and services provided by or on behalf of Lessor. Furthermore, Lessor understands

that it cannot claim exemption from taxes by virtue of any exemption that is provided to Lessee. Any requirement that Lessee pay any fees and taxes included in the Rental Agreement is deleted and null and void.

16. To the fullest extent permissible by applicable law, Lessor shall indemnify and hold harmless Lessee, its officers, agents, and employees from any claims, damages, costs, and attorney fees for injuries or damages arising, in part or in whole, from the negligent or intentional acts or omissions of Lessor, its officers, employees, and/or agents, including its sub or independent contractors, in connection with the performance of any of the services or the performance of any other obligations provided in the Rental Agreement.

17. The representative signing this Rider below on behalf of each party represents and warrants it has the full power and authority to agree to all terms and obligations contained in this Rider and that the signatory signing this Rider has been duly authorized to do so on behalf of their respective party.

IN WITNESS WHEREOF, the parties hereto have caused this Rider to be executed by their duly authorized representatives on this the        day of                   , 2025.

**Section 3.11 -- Lessee Right of Purchase:** During the Agreement Term (and all renewals thereof hereunder), Lessee shall have the right of first refusal to purchase the equipment listed in Exhibit A (which includes, but is not limited to, the Equipment) at the price offered by any bona fide purchaser of such equipment. Such right of first refusal must be exercised by Lessee in writing within three (3) calendar days of being advised by Lessor that Lessor has received a valid offer to purchase said equipment.

**Section 3.12 -- Lessor Right to Sell:** Notwithstanding any provision to the contrary herein, if Lessor sells the Equipment, Lessor shall have the right to terminate this Agreement without any further obligation to Lessee hereunder, except that if Lessor sells the Equipment as provided hereunder and Lessee is deprived of the use of the Equipment during the then current Agreement Term, Lessor shall reimburse Lessee at a rate of the Rental Fee divided by 365 per day for each day of the then current Agreement Term which Lessee is deprived of use of the Equipment because the Equipment has been sold by Lessor.

- (c) Lessee's execution, delivery, and performance of this Agreement have been duly authorized by all appropriate corporate action on the part of Lessee and the Agreement constitutes valid and binding obligations of Lessee and is enforceable against Lessee in accordance with the terms thereof, except as the same may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws or equitable principles of general application relating to or affecting creditors' rights generally;
- (d) Neither the execution and delivery by Lessee of the Agreement nor the consummation by Lessee of the transaction contemplated hereby conflicts with or results in a breach of any of the provisions of the certificate of incorporation or by-laws of Lessee (if applicable), or of any applicable law, judgment, order, writ, injunction, decree, rule or regulation of any court, administrative agency or other governmental authority, or of any agreement or other instrument to which Lessee is a party or by which it is bound, or constitutes a default under any provision thereof;
- (e) No consent, or approval or other authorization of or by any court, administrative agency or other governmental authority is required in connection with the execution, delivery or performance by Lessee of, or the consummation by Lessee of, the transactions contemplated by this Agreement;
- (f) To the extent requested by Lessor, Lessee shall provide Lessor: (i) with a legal opinion of Lessee's counsel in form and substance satisfactory to Lessor as to the matters set forth in subparagraphs (a) through (e) hereof and as to such other matters as Lessor may reasonably request, and (ii) with such certificates, documents or resolutions as Lessor may reasonably require in connection with the representations set forth in subparagraphs (a) through (e) hereof.

**Section 3.14 -- Quiet Enjoyment:** Subject to the terms of this Agreement and so long as Lessee is not in default under this Agreement, Lessee shall have quiet possession and use of the Equipment during the Agreement Term.

**Section 3.15 -- Access:** Lessee hereby acknowledges and agrees that the Equipment and Maintenance Services provided by Lessor to Lessee under this Agreement do not include access to the Internet or any other network connectivity or any network software. #### ARTICLE IV: MAINTENANCE

**Section 4.01 -- Maintenance Services:** Upon payment of the applicable Rental Fee by Lessee, DCI shall provide Maintenance Services to Lessee for the relevant Agreement Term as applicable.

**Section 4.02 -- Telephone Support:** DCI shall provide 1<sup>st</sup> Tier Equipment Support solely as specifically set forth in this Section ("1<sup>st</sup> Tier Equipment Support"). DCI will provide four (4) hour response time for pager/telephone support seven (7) days a week, twenty four (24) hours a day. Such support will include any reasonable assistance Lessee may require in using the Equipment that can be handled by telephone and remote access to the Equipment.

**Section 4.03 -- Costs/ No Defects:** If in analyzing a suspected defect at Lessee's request, it is determined that no Defect exists or that it was caused by unauthorized modifications to the Equipment or Lessee error, Lessee shall, at DCI's discretion, pay DCI for its efforts at DCI's hourly rates then in effect, plus any other expenses actually incurred by DCI in connection with detecting or correcting such alleged defect.

**Section 4.04 -- Updates:** During the Agreement Term, DCI shall make Updates and Supplements available to Lessee within a reasonable time after release of such Update or Supplement. During the Agreement Term, Lessee agrees to implement, in the manner indicated, any Updates and any other error corrections provided by DCI to Lessee to maintain the continuing integrity of the Equipment. Lessee's failure to do so shall relieve DCI of any responsibility or liability for the improper operation or any malfunction of the Equipment as modified by any such subsequent Updates or corrections.

**Section 4.05 -- Excluded Items:** Maintenance items other than those described in this Article shall not be included under the Rental Fee, including but not limited to training, support of other software, hardware, operating system services, repair of damage not caused by DCI, or any other problems determined by DCI to be outside the control and responsibility of DCI. Lessee is responsible for media (i.e.

diskettes, data tapes or data communications) and distribution costs (shipping, handling and telephone charges) for the Equipment and/or any other program or data file that may be provided to Lessee.

**Section 4.06 -- Personnel:** The personnel assigned to perform the Maintenance Services shall be determined solely by DCI and shall be trained and skilled to perform the Maintenance Services in a professional manner consistent with industry standards.

**Section 4.07 -- Reliance:** Unless advised to the contrary in writing at the time of disclosure, DCI shall be entitled to rely on any information provided by Lessee as true and correct and Lessee shall indemnify DCI for any and all damages, liabilities and costs resulting from such reliance.

**Section 4.08 -- Acceptance/ Schedule:** The Maintenance Services shall be deemed delivered by DCI and accepted by Lessee upon performance. The Maintenance Services may be performed seven (7) days a week, twenty four (24) hours a day.

**Section 4.09 -- Equipment Failure:** If it is determined, in DCI's sole discretion, that the Equipment has failed or malfunctioned and cannot be repaired within a reasonable time, DCI (at DCI's expense) will dispatch by overnight commercial courier service comparable Equipment. Lessee (at Lessee's expense) will return the defective Equipment to DCI within one week.

#### ARTICLE V - RISK OF LOSS AND INSURANCE

**Section 5.01 -- Risk of Loss:** Lessee hereby assumes and shall bear the entire risk of loss, damage or destruction of the Equipment, whatever the cause.

**Section 5.02 -- Stipulated Loss Value:** In the event of any loss, damage or destruction of the Equipment, Lessee shall restore the Equipment to good repair, condition and working order or if, in the reasonable judgment of Lessor the Equipment is determined to be lost, stolen, destroyed or damaged beyond repair or rendered permanently unfit for normal use for any reason (or in the event of any condemnation, confiscation, seizure or requisitions of title to or use of the Equipment), pay (or cause an insurance company to pay) Lessor therefor in cash an amount equal to the Stipulated Loss Value as set forth in Exhibit A. Upon such payment, this Agreement shall terminate.

**Section 5.03 -- Insurance:** Lessee, at its own expense, shall keep the Equipment insured against all risks of loss or damage from fire and such other risks as are covered by endorsement commonly known as supplemental or extended coverages for not less than the Stipulated Loss Value and shall maintain public liability and property damage insurance covering the Equipment in an amount equal to the Stipulated Loss Value. Notwithstanding anything to the contrary set forth herein: (a) the amount of all insurance maintained by Lessee hereunder shall be sufficient so that neither Lessee nor Lessor shall be considered a coinsurer, and (b) Lessee shall be liable for any deductible amount contained in any such insurance

policy. All such insurance shall name Lessor as additional insured but Lessee shall be entitled to receive the insurance proceeds at least up to the amount of any Stipulated Loss Value paid by Lessee. Lessee may affect such coverage under its blanket policies. All such policies shall be written by companies presently insuring Lessee or other companies reasonably satisfactory to Lessor, and certificates showing such coverage to be in effect shall be furnished to Lessor upon request. Each insurer shall agree, by endorsement upon the certificate issued by it or by an independent instrument furnished to Lessor that it will give Lessor thirty days' written notice before the policy in question shall be altered or canceled and that any proceeds shall be paid to Lessor. The proceeds of such insurance, at the option of Lessor, shall be applied (a) toward the replacement, restoration or repair of the Equipment, or (b) toward payment of the obligation of Lessee under this Agreement. Without in any way limiting the right of Lessee to make claim for, receive payment of, or execute and endorse all documents, checks or drafts received in payment for loss or damage or return of premium under any such insurance policy, Lessee hereby irrevocably authorizes Lessor to make such claim, receive such payment, and execute and endorse all such documents, checks and drafts.

**Section 5.04 -- Lessor Right to Cure:** In the event of any failure by Lessee to procure or maintain insurance as required under this Agreement, or to pay any fees, assessments, charges or taxes, Lessor shall have the right, but not the obligation, to procure or maintain such insurance, and to pay such fees, assessments and taxes, as the case may be. In that event, the cost thereof shall be reimbursed to Lessor by Lessee. If Lessee fails to reimburse such payment within 30 days after receiving written request therefor from Lessor, such failure shall constitute a default under this Agreement and carry with it the same consequences as failure to pay the Rental Fee.

#### ARTICLE VI - DEFAULT

**Section 6.01 -- Events of Default:** Each of the following events shall be considered an Event of Default:

- (1) **Noncompliance:** Excepting failure to pay Rental Fee by the first (1<sup>st</sup>) day of the Agreement Term, Lessee shall be deemed in default of this Agreement if Lessee fails to fulfill any of its obligations under this Agreement, which failure has not been cured within ten days after Lessee's receipt of written notice describing such default. The Event of Default shall be deemed to have occurred on the day of the expiration of the ten-day cure period herein provided.
- (2) **Failure to Pay Rental Fee:** Lessee shall be deemed in default of this Agreement if Lessee fails to pay the Rental Fee on the first day of the Agreement Term or before the renewal of any subsequent Agreement Term as applicable
- (3) **Bankruptcy:** Lessee shall be deemed in default of this Agreement if any proceeding under any bankruptcy act, domestic or foreign, is

commenced against Lessee or Lessee becomes insolvent, makes a general assignment for the benefit of creditors, suffers or permits the appointment of a receiver for any of its assets, or has wound up or liquidated, voluntarily or otherwise.

- (4) **Breach of Warranty or Representation:** Lessee shall be deemed in default of this Agreement if any representation or warranty made by Lessee herein, or in any document or certificate furnished Lessor in connection herewith shall prove to have been incorrect in any material respect when given.
- (5) **Termination of Business:** Lessee shall be deemed in default of this Agreement if Lessee ceases business.

**Section 6.02 -- Remedies:** When an Event of Default occurs, Lessor shall have the right to recover all rents and any other amounts due hereunder. Lessor shall also have the right to exercise either of the following options:

- (1) **Option 1 -- Return of Equipment and Payment:** If an Event of Default occurs, Lessor shall have the right to demand return of all of the Equipment rented to Lessee hereunder and to demand payment of all amounts which would thereafter have become due and payable under this Agreement for the remaining term thereof (as if such Agreement had remained in full force and effect throughout the then current Agreement Term). The Equipment shall be returned by Lessee in the manner required under Section 3.07 within thirty days of such demand. In the event such Equipment is not so returned, Lessor, at its sole option, may, with notice and process of law, enter upon the premises where such Equipment is located and take possession of and remove such Equipment, all without liability to Lessor for damage to property or otherwise, and dispose of, hold, use, operate, license, rent, or sell to others such Equipment, as Lessor may determine, all free and clear of any rights of Lessee.
- (2) **Option 2 -- Payment of Stipulated Value:** If an Event of Default occurs or if Lessee shall fail to return the Equipment as set forth in Subsection 6.02(1), Lessor shall have the right to demand that Lessee pay (and Lessee shall pay) to Lessor the Stipulated Loss Value of the Equipment.

**Section 6.03 -- Additional Remedies:** In addition to the remedies available to Lessor under this Agreement, Lessor shall have the right to exercise any other right or remedy which may be available to Lessor under applicable law or proceed by appropriate court action to enforce the terms hereof or to recover damages for the breach hereof or to rescind this Agreement. Lessee shall be liable for all reasonable expenses incurred by reason of the occurrence of any event of default or the exercise of Lessor's remedies with respect thereto, including placing the Equipment in the

condition required by Section 3.07. Whenever any payment is not made when due hereunder, Lessee shall pay the highest interest rate on such payment permitted by law from the time such payment was due until paid.

## ARTICLE VII - MISCELLANEOUS

**Section 7.01 -- Assignment:** Lessee shall not assign, subcontract, transfer, pledge, hypothecate or otherwise dispose of this Agreement, or any interest herein, without Lessor's written consent, which shall not be unreasonably withheld.

**Section 7.02 -- Equitable Remedies:** The parties hereby acknowledge that damages at law may be an inadequate remedy. Therefore, Lessor shall have the right of specific performance, injunction or other equitable remedy in the event of a breach of this Agreement by Lessee.

**Section 7.03 -- Amendments and Modifications:** Waivers, alterations, modifications or amendments of a provision of this Agreement shall not be binding as to Lessor unless such waiver, alteration, modification or amendment is in writing and signed by an authorized representative of Lessor.

**Section 7.04 -- Severability:** If a provision of this Agreement is rendered invalid by legislation, or by a court of last resort, the remaining provisions shall remain in full force and effect.

**Section 7.05 -- Captions:** The headings and captions of this Agreement are inserted for reference convenience and do not define, limit or describe the scope or intent of this Agreement or any particular section, paragraph, or provision therein.

**Section 7.06 -- Counterparts:** Except as otherwise provided in this Agreement, this Agreement may be executed in multiple counterparts, each of which shall be an original, but which together shall constitute one and the same instrument.

**Section 7.07 -- Governing Law:** This Agreement shall be governed by the laws of the Florida.

**Section 7.08 -- Notice:** Notices shall be in writing and shall be deemed delivered in person when delivered by hand or mailed postage prepaid by Certified or Registered Mail -- Return Receipt Requested -- to the person and address designated by each party in writing from time to time. Notice shall be deemed given on the date of receipt -- as evidenced in the case of Certified or Registered Mail by Return Receipt.

**Section 7.09 -- Pronouns/Gender:** Pronouns shall refer to the masculine, feminine, neuter, singular or plural as the context shall require.

**Section 7.10 -- Bankruptcy:** If either party must institute, defend, appear or attend a bankruptcy proceeding as a result of the filing of bankruptcy by the other party, fees and expenses shall be born by the filing party. If either

party has a bankruptcy proceeding filed against it, the other party shall recover attorney fees, expert witness fees, and other costs incurred in connection with the bankruptcy proceeding, hearing or trial. If Lessor becomes subject to a bankruptcy proceeding and the Equipment is removed from the possession of Lessee as a result thereof, Lessee shall be entitled to reimbursement from Lessor at a rate of the Rental Fee divided by 365 per day for each day thereafter of the then current Agreement Term in which Lessee does not have possession of the Equipment.

Section 7.11 -- Waiver: Waiver of breach of this Agreement shall not constitute waiver of another breach. Failing to enforce a provision of this Agreement shall not constitute a waiver or create an estoppel from enforcing such provision.

IN WITNESS WHEREOF, this Agreement has been executed as of the Effective Date.

**District Office Lease Attachment**  
(Page 2 of 5 – 119th Congress)

**SECTION B**  
**(Additional Lease Terms)**

1. **Incorporated District Office Lease Attachment.** Lessor (Landlord) and Lessee (Member/Member-elect of the U.S. House of Representatives) agree that this District Office Lease Attachment (“Attachment”) is incorporated into and made part of the Lease (“Lease”) and, if applicable, District Office Lease Amendment (“Amendment”) to which it is attached.
2. **Performance.** Lessor expressly acknowledges that neither the U.S. House of Representatives (the “House”) nor its Officers are liable for the performance of the Lease. Lessor further expressly acknowledges that payments made by the Chief Administrative Officer of the House (the “CAO”) to Lessor to satisfy Lessee’s rent obligations under the Lease – which payments are made solely on behalf of Lessee in support of his/her official and representational duties as a Member of the House – shall create no legal obligation or liability on the part of the CAO or the House whatsoever. Lessee shall be solely responsible for the performance of the Lease and Lessor expressly agrees to look solely to Lessee for such performance.
3. **Modifications.** Any amendment to the Lease must be in writing and signed by the Lessor and Lessee. Lessor and Lessee also understand and acknowledge that the Administrative Counsel for the CAO (“Administrative Counsel”) must review and give approval of any amendment to the Lease prior to its execution.
4. **Compliance with House Rules and Regulations.** Lessor and Lessee understand and acknowledge that the Lease shall not be valid, and the CAO will not authorize the disbursement of funds to the Lessor, until Administrative Counsel has reviewed the Lease to determine that it complies with the Rules of the House and the Regulations of the Committee on House Administration, and approved the Lease by signing the last page of this Attachment.
5. **Payments.** The Lease is a fixed term lease with monthly installments for which payment is due in arrears on or before the end of each calendar month. In the event of a payment dispute, Lessor agrees to contact the Office of Finance, U.S. House of Representatives, at 202-225-7474 to attempt to resolve the dispute before contacting Lessee.
6. **Void Provisions.** Any provision in the Lease purporting to require the payment of a security deposit shall have no force or effect. Furthermore, any provision in the Lease purporting to vary the dollar amount of the rent specified in the Lease by any cost of living clause, operating expense clause, pro rata expense clause, escalation clause, or any other adjustment or measure during the term of the Lease shall have no force or effect.
7. **Certain Charges.** The parties agree that any charge for default, early termination or cancellation of the Lease which results from actions taken by or on behalf of the Lessee shall be the sole responsibility of the Lessee and shall not be paid by the CAO on behalf of the Lessee.
8. **Death, Resignation or Removal.** In the event Lessee dies, resigns or is removed from office during the term of the Lease, the Clerk of the House may, at his or her sole option, either: (a) terminate the Lease by giving thirty (30) days’ prior written notice to Lessor; or (b) assume the obligation of the Lease and continue to occupy the premises for a period not to exceed sixty (60) days following the certification of the election of the Lessee’s successor. In the event the Clerk elects to terminate the Lease, the commencement date of such thirty (30) day termination notice

(Page 3 of 5 – 119th Congress)

shall be the date such notice is delivered to the Lessor or, if mailed, the date on which such notice is postmarked.

9. **Term.** The term of the Lease may not exceed the constitutional term of the Congress to which the Lessee has been elected. The Lease may be signed by the Member-elect before taking office. Should the Member-elect not take office to serve as a Member of the 119th Congress, the Lease will be considered null and void.
10. **Early Termination.** If either Lessor or Lessee terminates the Lease under the terms of the Lease, the terminating party agrees to promptly file a copy of any termination notice with the Office of Finance, U.S. House of Representatives, Attn: Kellie Wilson, via e-mail at [FCLeasePayments@mail.house.gov](mailto:FCLeasePayments@mail.house.gov), and with the Administrative Counsel by e-mail at [leases@mail.house.gov](mailto:leases@mail.house.gov).
11. **Assignments.** Lessor shall provide thirty (30) days prior written notice to Lessee before assigning any of its rights, interests or obligations under the Lease, in whole or in part, by operation of law or otherwise. Lessor shall promptly file a copy of any such assignment notice with Administrative Counsel by e-mail at [leases@mail.house.gov](mailto:leases@mail.house.gov). Lessee and the House shall not be responsible for any misdirected payments resulting from Lessor's failure to file an assignment notice in accordance with this section.
12. **Sale or Transfer of Leased Premises.** Lessor shall provide thirty (30) days prior written notice to Lessee in the event (a) of any sale to a third party of any part of the leased premises, or (b) Lessor transfers or otherwise disposes of any of the leased premises, and provide documentation evidencing such sale or transfer in such notice. Lessor shall promptly file a copy of any such sale or transfer notice with Administrative Counsel by e-mail at [leases@mail.house.gov](mailto:leases@mail.house.gov).
13. **Bankruptcy and Foreclosure.** In the event (a) Lessor is placed in bankruptcy proceedings (whether voluntarily or involuntarily), (b) the leased premises is foreclosed upon, or (c) of any similar occurrence, Lessor agrees to promptly notify Lessee in writing. Lessor shall also promptly file a copy of any such notice via e-mail with the Office of Finance, U.S. House of Representatives, Attn: Kellie Wilson, via e-mail at [FCLeasePayments@mail.house.gov](mailto:FCLeasePayments@mail.house.gov), and with Administrative Counsel by e-mail at [leases@mail.house.gov](mailto:leases@mail.house.gov).
14. **Estoppel Certificates.** Lessee agrees to sign an estoppel certificate relating to the leased premises (usually used in instances when the Lessor is selling or refinancing the building) upon the request of the Lessor. Such an estoppel certificate shall require the review of Administrative Counsel, prior to Lessee signing the estoppel certificate. Lessor shall promptly provide a copy of any such estoppel certificate to Administrative Counsel by e-mail at [leases@mail.house.gov](mailto:leases@mail.house.gov).
15. **Maintenance of Common Areas.** Lessor agrees to maintain in good order, at its sole expense, all public and common areas of the building including, but not limited to, all sidewalks, parking areas, lobbies, elevators, escalators, entryways, exits, alleys and other like areas.
16. **Maintenance of Structural Components.** Lessor also agrees to maintain in good order, repair or replace as needed, at its sole expense, all structural and other components of the premises including, but not limited to, roofs, ceilings, walls (interior and exterior), floors, windows, doors, foundations, fixtures, and all mechanical, plumbing, electrical and air conditioning/heating

systems or equipment (including window air conditioning units provided by the Lessor) serving the premises.

17. **Lessor Liability for Failure to Maintain.** Lessor shall be liable for any damage, either to persons or property, sustained by Lessee or any of his or her employees or guests, caused by Lessor's failure to fulfill its obligations under Sections 15 and 16.
18. **Initial Alterations.** Lessor shall make any initial alterations to the leased premises, as requested by Lessee and subject to Lessor's consent, which shall not be unreasonably withheld. The cost of such initial alterations shall be included in the annual rental rate.
19. **Federal Tort Claims Act.** Lessor agrees that the Federal Tort Claims Act, 28 U.S.C. §§ 2671-80, satisfies any and all obligations on the part of the Lessee to purchase private liability insurance. Lessee shall not be required to provide any certificates of insurance to Lessor.
20. **Limitation of Liability.** Lessor agrees that neither Lessee nor the House nor any of the House's officers or employees will indemnify or hold harmless Lessor against any liability of Lessor to any third party that may arise during or as a result of the Lease or Lessee's tenancy.
21. **Compliance with Laws.** Lessor shall be solely responsible for complying with all applicable permitting and zoning ordinances or requirements, and with all local and state building codes, safety codes and handicap accessibility codes (including the Americans with Disabilities Act), both in the common areas of the building and the leased space of the Lessee.
22. **Electronic Funds Transfer.** Lessor agrees to accept monthly rent payments by Electronic Funds Transfer and agrees to provide the Office of Finance, U.S. House of Representatives, with all banking information necessary to facilitate such payments.
23. **Refunds.** Lessor shall promptly refund to the CAO, without formal demand, any payment made to the Lessor by the CAO for any period for which rent is not owed because the Lease has ended or been terminated.
24. **Conflict.** Should any provision of this Attachment be inconsistent with any provision of the attached Lease or attached Amendment, the provisions of this Attachment shall control, and those inconsistent provisions of the Lease or the Amendment shall have no force and effect to the extent of such inconsistency.
25. **Construction.** Unless the clear meaning requires otherwise, words of feminine, masculine or neuter gender include all other genders and, wherever appropriate, words in the singular include the plural and vice versa.
26. **Fair Market Value.** The Lease or Amendment is entered into at fair market value as the result of a bona fide, arms-length, marketplace transaction. The Lessor and Lessee certify that the parties are not relatives nor have had, or continue to have, a professional or legal relationship (except as a landlord and tenant).
27. **District Certification.** The Lessee certifies that the office space that is the subject of the Lease is located within the district the Lessee was elected to represent unless otherwise authorized by Regulations of the Committee on House Administration.

**WHEREAS**, Williamson County ("County") often receives requests to sign grant contracts electronically; and

**WHEREAS**, According to Tenn. Code Ann. § 47-10-119, prior to permitting a public official to electronically sign documents, the County must file a statement with the state Comptroller which must include the policies and procedures related to the implementation of the system; and

**WHEREAS**, Such policies and procedures must include certain information regarding the electronic signature software to be used; and

**WHEREAS**, the County Information Technology Department has approved and recommended the software included in the attached policy and is able to pay for the license within the existing budget; and

**WHEREAS**, The Board of Commissioners understands that the County's adoption of the policy is contingent on the Tennessee Comptroller's approval of the County's pre-implementation statement and policy;

**WILLIAMSON COUNTY, TENNESSEE**  
**ELECTRONIC SIGNATURE POLICY**

**PURPOSE**

The purpose of this policy is to define general requirements for the acceptable use of electronic signatures for the limited purpose of Grant Contracts received by Williamson County ("County") and to describe the implementation of such electronic signature system. The intent of this policy is to permit the use of electronic signatures on Grant Contracts while also ensuring that employees and officials are compliant with all applicable federal and state laws, regulations, policies, and interpretive guidance, including but not limited to those referenced herein.

**POLICY**

It is the County's policy that electronic signatures may be used in place of a handwritten signature only for the purpose of signing Grant Contracts. Pursuant to the Act and applicable federal law, an electronic signature shall be a valid form of signature, provided that the signatory has authority for its affixation. The procedure for signing the Grant Contracts electronically must comply with the terms herein. This policy is not intended to prevent a County employee or official from signing a Grant Contract with a handwritten signature. Instead, this policy addresses the proper procedure for signing a Grant Contract with an electronic signature, if so desired by the employee or official.

Grant Contracts signed with an electronic signature still must go through the standard approval procedures, receiving review and approval from the County legal department and the applicable department head, prior to receiving signatures from the County Mayor and any other official such as the County Purchasing Agent, Budgeting Director, or Risk Management Director.

All Grant Contracts must be retained according to the County's public records retention policy. Should an electronic signature on a particular Grant Contract prevent the fully executed contract from being retained by the County, then the Grant Contract should not be signed electronically. All fully executed contracts, whether signed electronically or handwritten, must be retained according to the County's public records retention policy. If necessary, a fully executed copy of the Grant Contract shall be requested from the awarding entity in order to satisfy the County's document retention requirements.

When using digital or electronic signatures, all County employees and officials will strictly adhere to any and all existing federal, state, and local laws, policies of the County regarding document retention, signatures, cybersecurity, and electronic signatures.

**DEFINITIONS**

For the purposes of this policy, the following definitions and examples apply. As new technologies emerge or existing technologies change, this policy applies to all contemporary technologies generally accepted in these categories beyond the presented examples or devices.

**Act:** The Uniform Electronic Transactions Act, codified in Tennessee Code Annotated § 47-10-102, *et seq.*

**Grant Contracts:** Agreements and amendments to agreements with state government, federal government, non-profit organizations or other grantors for the provision of funds to the County or a County department for a specific project or purpose. Grant Contracts also denotes agreements with organizations in which the County is granting the funds to the organization to support a public purpose, research, or services such as pursuant to the County's Opioid Abatement Grant Program.

**Awarding Entity:**

**Electronic Signature:** An electronic sound, symbol, or process attached to or logically associated with a record and executed or adopted by a person with the intent to sign the record. Examples of an electronic signature are: a name at the end of an email, clicking a button or downloading content to indicate acceptance of a transaction or certain terms and conditions.

**Digital Signature:** A specific type of electronic signature that relies on the technology of cryptography to authenticate the signer's identity and ensure the integrity of the signed document. A digital signature is bound to the document being signed using a mathematical algorithm such that any modification of the document after it is signed can be detected.

**Document:** the term document as applied in this policy is used interchangeably with terms such as electronic document, record, or transaction.

**Digital Signature Tool:** DocuSign, the digital signature tool that the County uses in accordance with this Policy to sign Grant Contracts electronically.

**Handwritten Signature:** The scripted name or legal mark of an individual, handwritten by that individual with a marking or writing instrument such as a pen or stylus and executed or adopted with the present intention authenticate a writing, applied to a hard copy of a document.

## RULES FOR USE OF ELECTRONIC SIGNATURES

Except as provided in this policy, the County mayor signing Grant Contracts on behalf of the County shall only use the Digital Signature Toll (e.g., Docusign) that has been approved by the County's IT department and for which the County has a current contract.

Only the Williamson County Mayor is authorized by law to legally bind the County to a Grant Contract. The County Mayor shall have a personalized license to Docusign, allowing him or her to electronically sign documents and to ensure authentication of signature. The County Mayor's license will be managed through a password protected account. Docusign provides custody management for documents, allowing only one party to sign at a time and removing access from the user after they are done signing. The fully executed contract is able to be downloaded from Docusign by the authorized user.

The County Mayor or his or her designee shall download all fully executed contracts signed via Docusign and file them according to proper public record storage procedures.

## **PROCEDURE OF ELECTRONIC SIGNATURE**

As with all Grant Contracts received by the County, the County attorney must review and approve all Grant Contracts prior to the mayor providing his or her electronic signature. Such approval must be provided in writing and filed with the contract according to the records retention requirements described in this policy. The written approval may be provided via email.

## **SECURITY OF DIGITAL SIGNATURE TOOL**

Docusign is a secure platform that provides confidentiality and protection for documents uploaded to the tool. The tool utilizes AES 256-bit encryption to ensure documents in the system are encrypted at all times. Unauthorized changes in underlying documents are detected by Docusign's encryption protocols and identified as evidence of tampering.

## **ACCEPTANCE OF THIRD-PARTY ELECTRONIC SIGNATURES**

When the County enters into a Grant Contract provided by a third party in an electronic format, the County is permitted to use and accept Electronic Signatures. When a third-party uses a Digital Signature Tool not already approved by the County's IT department, the County Mayor or his or her designee must consult with the County IT director prior to using such Digital Signature Tool. No Digital Signature Tool may be used that does not permit the fully executed Grant Contract to be preserved by the County as a public record, according to the applicable records retention procedures.

## **PRESERVATION OF PUBLIC RECORDS**

At all times, County documents shall be preserved according to applicable state law and the County Public Records Commission's applicable retention schedules. A fully executed copy of Grant Contracts which are signed electronically pursuant to this policy shall be preserved electronically in accordance with the County's regular document storage procedures.

## **IMPLEMENTATION**

The effect of this policy is contingent on its approval by the Tennessee Comptroller's Office.

**RESOLUTION NO. 1-26-29**

Requested by: Commissioner Bill Petty

**RESOLUTION OF THE WILLIAMSON COUNTY BOARD OF  
COMMISSIONERS REQUESTING REVIEW, AMENDMENT, OR REPEAL OF  
TENNESSEE'S COMPREHENSIVE GROWTH PLAN (PUBLIC CHAPTER 1101) TO  
ADDRESS COUNTY CONCERNS RELATED TO ANNEXATION AND GROWTH  
MANAGEMENT**

**WHEREAS**, on September 1, 1998, the Tennessee State Legislature passed Public Chapter 1101, codified in Tennessee Code Annotated § 6-58-101- 118 known as the *Comprehensive Growth Plan*; and

**WHEREAS**, the Act sought to address disputes regarding municipal annexation and create coordinated growth planning between counties and municipalities; and

**WHEREAS**, Public Chapter 1101 required counties and their associated municipalities to jointly adopt growth plans by December 31, 2000, through local coordinating committees, or face sanctions from the state; and

**WHEREAS**, the growth plans were to identify territory that is reasonably compact yet sufficiently large to accommodate anticipated residential and nonresidential growth over the following twenty (20) years, based on historical experience, economic trends, population growth patterns, and topographical characteristics; and

**WHEREAS**, municipalities were required to designate *Urban Growth Boundaries (UGBs)* within which they anticipated growth would occur, and were generally restricted to annexing property within those boundaries and contiguous to existing city limits; and

**WHEREAS**, Public Chapter 1101 was amended in 2014 by Public Chapter 399, eliminating the authority of municipalities to forcibly annex property and instead allowing annexation by request or consent of the property owner(s), provided the property lay entirely within a municipality's UGB; and

**WHEREAS**, Public Chapter 1101 was again amended in 2017 by Public Chapter 707, allowing municipalities to annex property that is noncontiguous to existing city limits, as long as the property lay entirely within the municipality's UGB; and

**WHEREAS**, the original intent of Public Chapter 1101 was to reduce conflict between counties and municipalities over annexation and avoid corridor and checkerboard annexations; and

**WHEREAS**, over the last twenty-five (25) years—and particularly following the 2017 amendment—Public Chapter 1101 has instead contributed to increased conflicts between counties and municipalities regarding annexation practices; and

**WHEREAS**, the Comprehensive Growth Plan has been used in ways that have enabled noncontiguous and piecemeal annexations that undermine coordinated growth management, fiscal sustainability, and county planning authority; and

**WHEREAS**, Williamson County has experienced significant residential growth, placing increased demands on county-funded infrastructure, public safety, education, and essential services; and

**WHEREAS**, municipalities have increasingly utilized the amended provisions of Public Chapter 1101 to expand residential development in ways that impose substantial costs on county services, without adequate county oversight or approval; and

**WHEREAS**, many rural and unincorporated areas of Williamson County that were included within municipal UGBs established in 2000 have since experienced growth patterns and fiscal impacts not anticipated at the time the UGBs were adopted; and

**WHEREAS**, the Board of Commissioners finds that these annexations and growth pressures create ongoing fiscal and service burdens on county residents and government; and

**WHEREAS**, Williamson County's *legislative delegation to the Tennessee General Assembly* includes:

- **Senator Jack Johnson (State Senate District 23)**, representing most of Williamson County; Tennessee General Assembly
- **Representative Gino Bulso (State House District 61)**; and
- **Representative Jake McCalmon (State House District 63)**; and
- **Representative Lee Reeves (State House District 65)**; and
- **Representative Todd Warner (State House District 92)**; and
- **Senator Joey Hensley (State Senate District 28)** (whose district includes portions of the county). Constant Contact

---

**NOW, THEREFORE, BE IT RESOLVED BY THE WILLIAMSON COUNTY BOARD OF COMMISSIONERS:**

1. That the Williamson County Board of Commissioners respectfully urges the Tennessee General Assembly and its Williamson County legislative delegation to review Public Chapter 1101 and its subsequent amendments;
2. That the Board requests corrective amendments to Public Chapter 1101 that would provide counties a meaningful voice in municipal annexation decisions, including requiring county approval for all annexations affecting county-provided services;
3. That, as an alternative, the Board urges the General Assembly to fully repeal Public Chapter 1101, which would eliminate provisions that have been detrimental to county planning and fiscal sustainability, and restore annexation requirements to ensure continuity and appropriate county involvement;
4. That the Board believes the most effective remedy is the complete repeal of Public Chapter 1101, which would also remove additional provisions that have proven harmful to counties across the State of Tennessee;
5. That this resolution be forwarded to the Governor of the State of Tennessee, the Speaker of the Tennessee House of Representatives, the Speaker of the Tennessee Senate, and Williamson County's delegation to the Tennessee General Assembly; and
6. That a certified copy of this resolution be made part of the permanent records of Williamson County.
