**WILLIAMSON COUNTY ELECTION COMMISSION
MINUTES – September 8, 2025**

The Williamson County Election Commission (WCEC) met in person on Monday, September 8, 2025 at the Williamson County Election Commission Office located at 405 Downs Boulevard, Franklin, Tennessee.

I. CALL TO ORDER: Chair Jonathan Duda called the meeting to order at 4:00 pm. The agenda is Attachment 1. A roll call of members was taken, and all five of the Williamson County Election Commissioners were present as follows: Chair Jonathan Duda; Commissioner James “Jim” Burnett III; Donna Choate; Commissioner Rodney “Rod” Williamson and Secretary Wanda Bruce Graham. Administrator of Elections, Chad Gray was present.

II. PLEDGE OF ALLEGIANCE: Commissioner Burnett led the WCEC in the pledge.

III. PUBLIC COMMENT: Chair Duda reviewed the Meeting/Public Comment sign-in sheet, eight guests were present (six signed in), and two guests signed in to make public comments. The sign-in sheet is Attachment 2.

- Ragan Grossman, Franklin resident, Chair, Williamson County Democratic Party (WCDP) addressed WCEC and thanked the WCEC for all of its hard work during each election. She further remarked that this commission has always done an exceptional job of ensuring our elections are fair, professionally run, and efficient. She commented that as a native of Franklin she could say with conviction the commission’s exceptional reputation has spanned decades. Ms. Grossman further commented that in 2025 there are 1,954 counties across 40 states using voting machines with QR codes and barcodes and that there has been no evidence nationwide to suggest barcodes have resulted in election manipulation. She remarked to the commission that this is all smoke and mirrors; creating a problem that doesn’t exist to exploit distrust for political gain. Ms. Grossman hopes that her strong, positive message on behalf of the local Democratic Party is confirmation to the community since we are the minority party. She remarked that leaders in this country have tried to set a precedent that when you lose, you cry foul, and it should be very telling that members of our winning party are the ones constantly questioning processes and trustworthiness of our elections. She concluded by saying she can only imagine what these meetings will look like when local political power is restored to a healthy balance, and Williamson County has some elected officials from both parties.
- Linda Sherman, Franklin resident, League of Women Voters Williamson County addressed WCEC regarding the mailer she received from WCEC providing upcoming information related to the U.S. Congressional District 7 Special Primary & General Elections Tuesday: October 7, 2025 and General Election Tuesday, December 2, 2025 with Early Voting and Election Day Vote Center locations. She thanked WCEC and

remarked that some people do not know there is a special election and this information card will be very helpful.

- Chair Duda remarks after Public Comments: Chair Duda thanked both guests for their remarks to the WCEC. He further remarked that the Division of Elections for Tennessee was recognized as the number one state again for the 4th year in a row by Heritage Foundation's Election Integrity Scorecard. He's proud the State received this designation. He also commented about Ms. Sherman's appreciation for receipt of the WCEC mailer regarding the upcoming special elections. Chair Duda called for a recess at 4:10 p.m. to allow Administrator Gray time to provide copies of the Franklin Tomorrow's "I Voted Stickers" for the October 28, 2025 City of Franklin Municipal Election to be shared with Commissioners and guests; meeting resumed at 4:18 p.m.
