Moneys in the Construction Fund shall be invested as directed by the County Trustee in such investments as shall be permitted by applicable law. The County Mayor and the Director of Accounts and Budgets, or either of them, are authorized and directed to make such certifications in this regard in connection with the sale of the Notes as any or they shall deem appropriate, and such certifications shall constitute a representation and certification of the County.*

*The Governing Body hereby authorizes the County Mayor to designate the Notes as “qualified tax-exempt obligations,” as defined in Section 265 of the Code, to the extent the Notes are not deemed designated as such and may be designated as such.*

**INTERLOCAL AGREEMENT BETWEEN WILLIAMSON COUNTY, TENNESSEE AND  
THE FRANKLIN SPECIAL SCHOOL DISTRICT FOR COOPERATION IN THE  
PROVISION OF SCHOOL RESOURCE OFFICERS**

**THIS INTERLOCAL AGREEMENT**, ("Agreement"), is entered into by and between WILLIAMSON COUNTY, TENNESSEE, ("County"), a political subdivision of the State of Tennessee, located at 1320 West Main Street, Franklin, Tennessee, 37064, and the FRANKLIN SPECIAL SCHOOL DISTRICT, ("District"), a special school district created by act of the Tennessee General Assembly located at 507 New Highway 96 West, Franklin, Tennessee, 37064.

**NOW THEREFORE**, in consideration of the mutual promises contained herein, the sufficiency of which is hereby acknowledged, the parties agree as follows:

**I. Purpose of Agreement.** The purpose of this Interlocal Agreement is to set forth the obligations of the County and District with respect to placement of School Resource Officers, ("SROs"), in Franklin Special School District schools, and with respect to planning and funding related thereto for the purpose of providing for the safety of the students and faculty of the District. For the purposes of this Agreement, the term Sheriff shall include the duly elected Sheriff or the Captain/Lieutenant of the School Resource Officer Division or an authorized Sheriff Deputy designated by the Sheriff to oversee the SRO program.

**II. Authority.** This Agreement is made and entered into pursuant to the authority granted to the parties under the *Interlocal Cooperation Act*, Tennessee Code Annotated Sections 12-9-101, et seq., and the parties agree that all approvals and filings required by the terms of the Act shall be achieved as soon as possible from and after the execution of this Agreement.

**III. District's Responsibilities.**

- A. The District shall provide materials and facilities at each school location as are necessary to the SRO's performance of his/her function as SROs at the assigned schools, including but not limited to the following:
  - i. A secured climate controlled and properly lighted office large enough, at a minimum, to adequately accommodate a desk, two chairs, a gun safe, and a file cabinet and located as reasonably possible near the main office;
  - ii. A desk with drawers, two chairs, work table, and filing cabinet to be provided and maintained in the secured office provided to the SRO;
  - iii. A location for files and records which can be properly locked and secured;
  - iv. A landline phone to be located in the office; and
  - v. Access to a computer work station.
  - vi. Secretarial assistance when needed by the SRO
- B. The District shall allow those SROs assigned to District schools untethered access to the school facilities as required for the SRO to perform his/her duties on school property.
- C. The District shall be responsible for all aspects and costs of operation of its schools and nothing herein shall place any monetary obligation on the County unless specifically provided for herein.
- D. The District shall assist the SRO in the provision of his/her duties and responsibilities if requested by the Sheriff's Office or the assigned SRO.

**IV. Sheriff's Responsibilities.** The Williamson County Sheriff, on behalf of the County, shall have the following responsibilities:

- A. The duly elected Sheriff shall have the sole authority to conduct background checks, hire, select, discharge, discipline, and determine (within the parameters established by state law) the qualifications of SROs.
- B. Assign supervisors to oversee the SRO program and to perform non-scheduled visits to schools in which an SRO has been assigned.
- C. Assign SROs, as applicable, to the schools within the jurisdiction of the District, pursuant to a schedule to be agreed upon by the Williamson County Sheriff and the District School Superintendent. While it is the objective of the parties that a SRO be assigned to each school

on a full-time basis while school is in session, such assignment shall be dependent solely upon availability of properly qualified and trained SROs, as determined in the Sheriff's sole discretion. Neither the County nor the Sheriff's Office guarantees that each school shall have an assigned SRO.

- D. The sole authority to determine the duty hours of the SRO and the qualifications thereof, subject to the provision of IV.E., below.
- E. Ensure that all SROs maintain qualifications and satisfactorily accomplish continuing training and continuing education required for the SROs to maintain state required qualifications as provided in *Tennessee Code Annotated, Section 49-6-4217*. County will remain responsible for the cost associated with the obligations contained in this Section IV.E.
- F. The provision and maintenance of a vehicle and law enforcement equipment needed to accomplish the duties of the SROs.

**V. Cost.** For the initial term, the County has agreed to fund the SROs from its General County Fund upon approval of the Williamson County Board of Commissioners. The parties have agreed to negotiate on an annual basis in good faith future funding obligations of the parties for the provision of the SROs should the parties agree to extend the Agreement for additional terms. Negotiations shall be completed annually prior to May 31<sup>st</sup> of each year to permit the parties the ability to seek annual appropriations from their respective legislative bodies. Continuation of the obligations of the parties under this Agreement shall be contingent upon annual approval of funding by the respective governing bodies.

**VI. DUTIES OF SROs.**

- A. SROs shall not act as school disciplinarians, nor make decisions regarding school discipline. SROs shall not be involved in the enforcement of disciplinary infractions that do not constitute violations of the law. SROs shall retain full law enforcement authority and will take law enforcement action as appropriate. As soon as practical, the SRO will notify the principal of the school of any such action. The SRO will comply with applicable state and federal law as they apply to SROs regarding special education students.
- B. The basic duties of SROs include creating awareness for law enforcement education related to school's safety, monitoring those who visit schools, providing assistance for disruptive students, and enforcing applicable laws.
- C. SROs shall establish liaison with District school Principals, faculty, and students. A SRO may assist in any class as a guest speaker if requested by the Principal of the school in which the SRO is assigned.
- D. To the extent that the SRO may do so under the authority of law, the SRO will take appropriate law enforcement action as the SRO deems is appropriate including, but not limited to, action against intruders and unwanted guests who may appear at the school and related school functions. Whenever practical, the SRO will advise the Principal before requesting additional police assistance on campus.
- E. The SRO may establish new programs relating to security and safety of the students and faculty but only after permission is granted by the Sheriff and the Principal of the school in which the SRO is assigned.
- F. The SRO will assist other law enforcement officers in matters regarding his/her school assignment, whenever necessary.
- G. SROs may have other specific duties and responsibilities as defined by the Williamson County Sheriff's Office.

**VII. Dismissal of SRO.** In the event the Principal of a District school to which a SRO is assigned determines that the assigned SRO has failed to perform his duties and responsibilities, the Principal may make a written request to the Superintendent to request reassignment of the SRO including the reasons supporting the request. If the Superintendent determines the request is valid the Superintendent shall promptly forward the request to the Sheriff for his consideration. The Sheriff may, in his complete discretion, request a meeting with the Principal and the SRO to determine whether reassignment is appropriate. The Sheriff may request the Superintendent to attend the meeting. If a meeting is held, the Sheriff shall take the comments and written request into consideration in determining whether the SRO will be reassigned. Should the Sheriff determine a meeting with the Principal would not be advantageous,

the Sheriff shall determine whether the SRO shall be reassigned based on the information provided to him. The authority to reassign a SRO shall be in the complete discretion of the Sheriff.

**VIII. Records.** The SRO will maintain detailed and accurate records of all actions taken by the SRO and general operations relating to the SRO program and shall submit those records to the Sheriff's Department.

**IX. Term.** The initial term of this Agreement shall commence on the date this agreement is fully executed by the parties and shall continue until June 30, 2013. The parties may agree to extend the Agreement by written agreement for four additional terms of one year each.

**X. Termination.**

- A. **Breach.** Should any party fail to fulfill in a timely and proper manner a material obligation under this Agreement or if any party should violate a material term of this Agreement, the non-breaching party shall provide the breaching party with notice of the breach. Termination shall become effective immediately if the breach is not cured within seven day period. Upon breach or default of any of the provisions set forth herein, the non-breaching party shall be entitled to any and all damages and other equitable relief permitted under the laws of the State of Tennessee.
- B. **Termination for Convenience.** The District or County may terminate this Agreement at any time upon 30 days' written notice to the other party. Such termination shall not affect in any manner any prior existing obligations between the parties including, but not limited to, any and all costs owed by the District to the County.
- C. **Termination for Lack of Funding.** Should either party fail, after exercising good faith effort, to obtain the funding for the provision of SROs, either party shall have the right to terminate this Agreement immediately upon providing written notice to the other party. District shall remain responsible and shall pay all cost accumulated prior to the termination of this Agreement to the County. Termination for lack of funding shall not be deemed termination for breach.

**XI. Relationship of the Parties.** The SROs assigned to the Districts' schools shall be considered employees of the County Sheriff's Office and shall be subject to its control, supervision, and chain of command. The assigned SROs shall not be considered employees of the District. The assigned SROs will be subject to current procedures and policies in effect for the Williamson County Sheriff's Office and Williamson County, including attendance at all mandated training and testing to maintain state law enforcement certification. The Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, or formal business association or organization of any kind between the parties, and the rights and obligations of the parties shall be only those expressly set forth in the Agreement. The parties agree that no person supplied by the District to accomplish the goals of the Agreement is considered to be a County employee and that no rights under County civil service, retirement, or personnel rules accrue to such person.

**INTERLOCAL AGREEMENT BETWEEN WILLIAMSON COUNTY, TENNESSEE AND  
THE WILLIAMSON COUNTY BOARD OF EDUCATION FOR COOPERATION IN THE  
PROVISION OF SCHOOL RESOURCE OFFICERS**

**THIS INTERLOCAL AGREEMENT**, ("Agreement"), is entered into by and between WILLIAMSON COUNTY, TENNESSEE, ("County"), a political subdivision of the State of Tennessee, located at 1320 West Main Street, Franklin, Tennessee, 37064, and the WILLIAMSON COUNTY, TENNESSEE BOARD OF EDUCATION on behalf of the Williamson County School Agency, ("WCS"), a local educational agency located at 1320 West Main Street, Franklin, Tennessee, 37064.

**NOW THEREFORE**, in consideration of the mutual promises contained herein, the sufficiency of which is hereby acknowledged, the parties agree as follows:

**I. Purpose of Agreement.** The purpose of this Interlocal Agreement is to set forth the continued obligations of the County and WCS with respect to placement of School Resource Officers, ("SROs"), in WCS schools, and with respect to planning and funding related thereto for the purpose of providing a law enforcement presence at WCS schools. For the purposes of this Agreement, the term Sheriff shall include the duly elected Sheriff or the Captain/Lieutenant of the School Resource Officer Division or an authorized Sheriff Deputy designated by the Sheriff to oversee the SRO program.

**II. Authority.** This Agreement is made and entered into pursuant to the authority granted to the parties under the *Interlocal Cooperation Act*, Tennessee Code Annotated Sections 12-9-101, et seq., and the parties agree that all approvals and filings required by the terms of the Act shall be achieved as soon as reasonably possible from and after the execution of this Agreement.

**III. WCS's General Responsibilities.**

- A. WCS shall provide materials and facilities at each school location as are necessary for the SRO's performance of his/her function as SROs at the assigned schools including, but not limited to, the following:
  - i. A secured climate controlled and properly lighted office large enough, at a minimum, to adequately accommodate a desk, two chairs, a gun safe, and a file cabinet and located as reasonably possible near the main office;
  - ii. A desk with drawers, two chairs, work table, and filing cabinet to be provided and maintained in the secured office provided to the SRO;
  - iii. A location for files and records which can be properly locked and secured;
  - iv. A landline phone to be located in the office;
  - v. Access to a computer work station; and
  - vi. Secretarial assistance when needed by the SRO.
- B. WCS shall allow those SROs assigned to WCS schools untethered access to the school facilities as required for the SRO to perform his/her duties on school property.
- C. WCS shall be responsible for all aspects and costs of operation of its schools and nothing herein shall place any monetary obligation on the County unless specifically provided for herein.
- D. WCS shall assist the SRO in the provision of his/her duties and responsibilities if requested by the Sheriff's Office or the assigned SRO.

**IV. Sheriff's Responsibilities.** The Williamson County Sheriff, on behalf of the County, shall have the following responsibilities:

- A. The duly elected Sheriff shall have the sole authority to conduct background checks, hire, select, discharge, discipline, and determine (within the parameters established by state law) the qualifications of SROs.
- B. Assign supervisors to oversee the SRO program and to perform non-scheduled visits to schools in which an SRO has been assigned.
- C. Assign SROs, as applicable, to the schools within the jurisdiction of WCS, pursuant to a schedule to be agreed upon by the Williamson County Sheriff and the WCS School Superintendent. While it is the objective of the parties that a SRO be assigned to each school

on a full-time basis while school is in session, such assignment shall be dependent solely upon availability of properly qualified and trained SROs, as determined in the Sheriff's sole discretion. Neither the County nor the Sheriff's Office guarantees that each school shall have an assigned SRO those days in which school is in session.

- D. The sole authority to determine the duty hours of the SRO and the qualifications thereof, subject to the provision of IV.E., below.
- E. Ensure that all SROs maintain qualifications and satisfactorily accomplish continuing training and continuing education required for the SROs to maintain state required qualifications as provided in *Tennessee Code Annotated, Section 49-6-4217*. County will remain responsible for the cost associated with the obligations contained in this Section IV.E.
- F. The provision and maintenance of a vehicle and equipment needed to accomplish the duties of the SROs.

**V. Cost.** For the initial term, the County has agreed to fund the additional SROs from its General County Fund upon approval of the Williamson County Board of Commissioners. Any SROs that are currently placed in WCS schools shall continue to be funded from WCS budget. The parties have agreed to negotiate on an annual basis in good faith future funding obligations of the parties for the provision of the SROs should the parties agree to extend the Agreement for additional terms. Negotiations shall be completed annually prior to May 31<sup>st</sup> of each year to permit the parties the ability to seek annual appropriations from their respective legislative bodies. Continuation of the obligations of the parties under this Agreement shall be contingent upon annual approval of funding by the respective governing bodies.

**VI. General Duties of SRO.**

- A. The SRO shall not act as school disciplinarians, nor make decisions regarding school discipline. The SRO shall not be involved in the enforcement of disciplinary infractions that do not constitute violations of the law. The SRO shall retain full law enforcement authority and will take law enforcement action as appropriate. As soon as practical, the SRO will notify the Principal of the school of any such action. The SRO will comply with applicable state and federal law as they apply to SROs regarding special education students.
- B. The basic duties of SROs include creating awareness for law enforcement education related to school's safety, monitoring those who visit schools, providing assistance for disruptive students, and enforcing applicable laws.
- C. SROs shall establish liaison with school Principals, faculty, and students. A SRO may assist in any class as a guest speaker if requested by the Principal of the school in which the SRO is assigned.
- D. To the extent that the SRO may do so under the authority of law, the SRO will take appropriate law enforcement action as the SRO deems is appropriate including, but not limited to, action against intruders and unwanted guests who may appear at the school and related school functions. As practical, the SRO will advise the Principal before requesting additional police assistance on campus.
- E. The SRO may establish new programs relating to security and safety of the students and faculty but only after permission is granted by the Sheriff and the Principal of the school in which the SRO is assigned.
- F. The SRO will assist other law enforcement officers in matters regarding his/her school assignment, whenever necessary.
- G. SROs may have other specific duties and responsibilities as defined by the Williamson County Sheriff's Office.

**VII. Additional SRO Duties for Middle and High Schools**

- A. The SRO will become familiar with all community agencies which offer assistance to youth and their families including, but not limited to, mental health clinics and drug treatment centers. The SRO may recommend referrals to such agencies once the SRO notifies the Principal.

- B. If requested by the Principal and upon approval of the Sheriff, the SRO may attend parent/faculty meetings to promote support and understanding of the SRO program.
- C. If a SRO determines it necessary, the SRO may conduct formal police interviews with students and faculty. The interviews shall be conducted in conformance with Sheriff policies and procedures, the Board of Education policies and all applicable laws.
- D. The SRO may act as an instructor for the Drug Abuse Resistance Education (D.A.R.E.) and for other related short-term programs at the assigned school if requested by the Principal and approved by the Sheriff.
- E. Upon approval of the Sheriff, a SRO may be assigned to investigate incidents relating to thefts, alcohol or drug use, or any other crime occurring at the school in which the SRO is assigned.

**VIII. Dismissal of SRO.** In the event the Principal of a WCS school to which a SRO is assigned determines that the assigned SRO has failed to perform his duties and responsibilities, the Principal may make a written request to the Superintendent to request reassignment of the SRO including the reasons supporting the request. If the Superintendent determines the request is valid the Superintendent shall promptly forward the request to the Sheriff for his consideration. The Sheriff may, in his complete discretion, request a meeting with the Principal and the SRO to determine whether reassignment is appropriate. The Sheriff may request the Superintendent to attend the meeting. If a meeting is held, the Sheriff shall take the comments and written request into consideration in determining whether the SRO will be reassigned. Should the Sheriff determine a meeting with the Principal would not be advantageous, the Sheriff shall determine whether the SRO shall be reassigned based on the information provided to him. The authority to reassign a SRO shall be in the complete discretion of the Sheriff.

**IX. Records.** The SRO will maintain detailed and accurate records of all actions taken by the SRO and general operations relating to the SRO program and shall submit those records to the Sheriff's Department.

**X. Term.** The initial term of this Agreement shall commence on the date this agreement is fully executed by the parties and shall continue until June 30, 2013. The parties may agree to extend the Agreement by written agreement for four additional terms of one year each.

**XI. Termination.**

- A. **Breach.** Should any party fail to fulfill in a timely and proper manner a material obligation under this Agreement or if any party should violate a material term of this Agreement, the non-breaching party shall provide the breaching party with notice of the breach. The breaching party will then have seven calendar days from the receipt of the notice to cure the breach. Termination shall become effective immediately if the breach is not cured within the seven day period. Upon breach or default of any of the provisions set forth herein, the non-breaching party shall be entitled to any and all damages and other equitable relief permitted under the laws of the State of Tennessee.
- B. **Termination for Convenience.** Either party may terminate this Agreement at any time by providing 30 days' written notice to the other party. Such termination shall not affect in any manner any prior existing obligations between the parties including, but not limited to, any and all costs owed by WCS to the County.
- C. **Termination for Lack of Funding.** Should either party fail, after exercising good faith effort, to obtain the funding for the provision of SROs, either party shall have the right to terminate this Agreement immediately upon providing written notice to the other party. WCS shall remain responsible and shall pay all cost accumulated prior to the termination of this Agreement to the County. Termination for lack of funding shall not be deemed termination for breach.

**XII. Relationship of the Parties.** The SROs assigned to WCS's schools shall be considered employees of the County Sheriff's Office and shall be subject to its control, supervision, and chain of command. The assigned SROs shall not be considered employees of WCS. Assigned SROs will be subject to current procedures and policies in effect for the Williamson County Sheriff's Office and Williamson

County, including attendance at all mandated training and testing to maintain state law enforcement certification. The Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, or formal business association or organization of any kind between the parties, and the rights and obligations of the parties shall be only those expressly set forth in the Agreement. The parties agree that no person supplied by WCS to accomplish the goals of the Agreement is considered to be a County employee and that no rights under County civil service, retirement, or personnel rules accrue to such person.

**XIII. Cooperation.** The parties agree to cooperate fully in order to successfully execute the terms and conditions of this Agreement including obtaining all regulatory and governmental approvals required by this Agreement recognizing that the intent of each party to the other is to serve the individual interests of each party while respecting the conditions and obligations of this Agreement.

**XIV. Limitation on Liability.** Each party shall be responsible for its own actions, and the actions of its employees, contractors, subcontractors, and agents, conducted pursuant to this Agreement. Neither party shall be liable for claims against the other party unless liability is imposed under the Tennessee Governmental Tort Liability Act.

- A. **Choice of Law and Forum.** This Agreement shall be exclusively governed by the laws of the State of Tennessee. **MEMORANDUM OF UNDERSTANDING BETWEEN WILLIAMSON COUNTY, THE CITY OF  
FRANKLIN, AND THE COMMUNITY FOUNDATION OF MIDDLE TENNESSEE  
FOR PREPARATION AND RESPONSE TO DISASTER THROUGH  
THE WILLIAMSON COUNTY DISASTER RESPONSE FUND**

This MEMORANDUM OF UNDERSTANDING is made and entered into this \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, between WILLIAMSON COUNTY, TENNESSEE ("COUNTY"), the CITY OF FRANKLIN, TENNESSEE ("CITY"), AND THE COMMUNITY FOUNDATION OF MIDDLE TENNESSEE ("CFMT").

The purpose of this agreement is to establish cooperation between Williamson County, the City of Franklin, and The Community Foundation of Middle Tennessee in preparing for and responding to disaster in Williamson County, Tennessee.

It is AGREED:

1. The Community Foundation of Middle Tennessee ("CFMT") will:

**GENERAL:**

- a) Serve as the centralized collection and distribution system for managing non-designated donations of cash, securities and credit card donations (hereafter "donations") which will be distributed to benefit local disaster victims through local non-profit organizations, religious institutions, and/or entities of government.
- b) Provide a CFMT staff member to act as the Emergency Services Coordinator (ESC), as well as an alternate to ensure 24-hour availability to the Williamson County Emergency Communication Center (WCECC), when requested by the Williamson County Emergency Management Agency ("EMA"). The CFMT will provide background information for their assigned ESCs to the EMA for background checks/credentialing. Should the disaster affect Middle Tennessee broadly, it may be impossible or inadvisable for CFMT staff to get to the WCECC. In such cases, The CFMT will focus on activating online and other communications to promote and facilitate contributions in support of the affected areas of Middle Tennessee with special regard to Williamson County's unique needs. Such work will be handled centrally.
- c) Utilize information provided from the damage and needs assessments of the EMA to request donations from the public. Cash donations will be encouraged and unneeded in-kind goods will be discouraged by all parties to this agreement.
- d) Provide to the EMA a copy of its own agency disaster preparedness plan, if requested.

**CONTRIBUTIONS:**

- e) Establish, in conjunction with the EMA, a communications plan to solicit donations from individuals, corporations and foundations for The Williamson County Disaster Response Fund ("the Fund").
- f) Collect cash, non-cash, securities and credit card donations at The Community Foundation of Middle Tennessee by hand delivery, mail, or through electronic transfer, and deposit said contributions into the Fund at The Community Foundation of Middle Tennessee in accordance with The CFMT's procedures.

- g) Solicit, primarily, online financial donations. Donations through the mail and other means will, of course, also be encouraged.
- h) Manage and account for donations including acknowledging the donations and issuing charitable tax receipts to the donors as appropriate.
- i) Field and respond to telephone inquiries regarding donations at a number released through joint communications.
- j) Coordinate with EMA to field donation calls, as needed.
- k) Create, and update when appropriate, a phone script about specific methods for donating that can be used by EMA, City, and County hotlines and other public information opportunities.

**GRANT DISTRIBUTIONS:**

- l) Manage the distribution of donations to those nonprofits serving victims of the disaster and provide guidelines for the use of and accountability for these distributions.
- m) Convene and facilitate the work of The Williamson County Disaster Response Fund Advisory Committee, which is comprised of the \_\_\_\_\_, and

representatives from The Community Foundation of Middle Tennessee which may include the President, Board Chair, and/or designated Board representatives, and other community leaders as deemed appropriate. This Committee will evaluate all requests for assistance and will recommend distributions from the Fund to tax-exempt, non-profit organizations assisting in the efforts to rebuild lives and address the needs of the Williamson County community in the wake of disaster. As a result, members should be prepared to meet as needed and sometimes at short notice. It is vital to the effectiveness of this Body that there be continuity in representation so those named to the Committee will not be able to send substitutes, no matter how busy they are. As the charitable repository for cash, securities and credit card donations, The Community Foundation of Middle Tennessee will maintain ultimate authority and control over all property of the Fund.

- n) Notify County, and EMA, as well as the Committee members themselves, of any meetings of The Williamson County Disaster Response Fund Advisory Committee.
- o) Establish procedures necessary to track Fund activity for reporting to State, Federal and local agencies, as well as to the public.
- p) Require, in grant award agreements, the funded agency to inform recipients of services provided through awards from The Williamson County Disaster Response Fund that those services/supports were funded through The Williamson County Disaster Response Fund of The Community Foundation of Middle Tennessee. Also require the funded agency to acknowledge funding from The Williamson County Disaster Response Fund of The Community Foundation of Middle Tennessee in its public information such as: websites, newsletters, press releases, and social media.
- q) Serve as a member of the Long Term Recovery Committee to oversee financial components of the recovery process, if possible.

2. Williamson County and The City of Franklin ("County/City") will:
  - a) During Emergency Activation, notify The Community Foundation's Emergency Services Coordinator (ESC) through the means they deem appropriate (phone call or email) and advise them of their role in the activation of the Williamson County Emergency Communications Center (WCECC). If the activation scenario does not warrant the mobilization of a donation ESC or the scope and circumstance of the disaster make it impossible or inadvisable for the CFMT to be represented in the WCECC, the EMA will brief The Community Foundation of Middle Tennessee about the situation.
  - b) Provide official photograph credentialing/access to all CFMT individuals who are designated ESC's. Provide a brief EMA orientation and tour to these ESCs to answer any questions about their roles.
  - c) Assist the CFMT in formulating metrics for tracking donations during a declared incident, to facilitate the integration of results from the CFMT into the overall disaster declaration report as necessary.
  - d) Notify the CFMT of all appropriate internal training opportunities for the CFMT staff, make the CFMT aware of external training opportunities available through various state/federal agencies, and include the CFMT in the planning and execution of any relevant exercises or drills that test WCECC activation. CFMT attendance is not mandatory.
  - e) Notify and invite representatives from the CFMT to any activation of an Unmet Needs or Long-Term Recovery Committee, ensure that the discussion of cash/grant needs is prominent in the training.
  - f) Designate an EMA representative to serve on The Williamson County Disaster Response Fund Advisory Committee to assist with the development of grant-making priorities pursuant to each specific disaster.
  - g) Create a security/safety management plan for the collection of monetary donations, in coordination with Franklin or Williamson County Law enforcement, if needed.
  - h) Assist in engaging the County/City IT Departments to provide the appropriate technology and equipment to assist in donation intake, if needed. Technology and equipment may include but will not be limited to phones, phone lines, and computers during a declared incident.
  - i) Assist in ensuring the County/City staff support for entry and processing of donation information, if needed.
  - j) Provide information to the CFMT from the damage and needs assessments, to help inform the distribution of grants.
  - k) Encourage cash donations and discourage unneeded in-kind goods in all communications.
  - l) Refer County/City/EMA Hotline callers who want to make monetary donations to The Williamson County Disaster Response Fund.
  - m) Include the CFMT as a recipient of all press releases issued from the Williamson County Emergency Communications Center (WCECC).

3. General Communication between The Community Foundation of Middle Tennessee, Williamson County, and The City of Franklin:

As partners, the County, the City and CFMT have a shared goal: effective and quick mobilization to help the citizens of Williamson County recover from catastrophic events. We can assist each other most effectively with open and transparent communication. If a disaster is regional, The CFMT, Williamson County, and The City of Franklin will evaluate appropriate staffing and messaging to the general public. This includes reciprocity in the following areas:

The County, City and CFMT will:

- a) Designate a lead staff person to manage the relationship between agencies.
- b) Meet annually to review the partnership and make improvements to procedures or the overall essential support function.
- c) Include the designated staff representative in meetings, public forums or other opportunities that will improve the relationship, the fulfillment of this MOU or generally build learning and good will between the partners.
- d) Update each other with names and contact information for staff assigned to this function.

4. The parties to this MOU shall not discriminate on the basis of age, race, sex, color, national origin, or disability in hiring and employment practices or in admission to, access to, or operation of programs, service, and activities.

5. The parties to this MOU agree to comply with all applicable federal, state, and local laws, and regulations.

6. Nothing herein shall in any way create a partnership or joint venture between the parties or create the relationship of principal and agent. None of the parties hereto shall hold itself out in a manner contrary to the terms of this paragraph. No party shall become liable for any representation, act, or omission of any other party.

7. To the extent CFMT gains access to the County or City Emergency Management Operational Plan (EMOP) or other contingency plans used by government to respond to acts of terrorism, violence, or other man-made disaster, CFMT shall treat those plans as confidential and not open for public inspection.
