

JANUARY 31, 2013: GRASSLAND VILLAGE SPECIAL AREA PLAN
PUBLIC INVOLVEMENT MEETING #1

Williamson County Planning Staff and the Grassland Citizen's Advisory Committee were on site to gain community feedback on the issues in Grassland Village and the desired vision for the next twenty years. The Public Involvement Meeting, which ran from 6:30 - 8:00 PM in the Grassland Middle School Cafeteria, began with a presentation that reviewed the planning process with the community. Following the presentation, community members were asked to split into groups and answer the following questions:

1. In your opinion, what are the most important Planning, Preservation, and Development issues facing the Grassland Village?

2. What is your vision for Grassland over the next 20 years?

What does a Special Area Plan do? What doesn't it do?

What is the Special Area Plan process?

What is my role in the process?
