VOLUNTARY SUPPLEMENTAL BENEFIT OPTIONS

One America Short Term Disability provides a benefit payment directly to you for up to three months if you are unable to work due to a covered illness or injury. **You may select a minimum benefit amount of \$500 per month, up to a maximum benefit amount based on a percentage of salary, available in \$100 increments.** This is the amount you would receive from One America should you become disabled, upon approval of your claim. Premiums for this coverage vary according to the monthly benefit amount selected and your current age.

If you are currently enrolled in this coverage with Aflac you will need to change to One America unless you want to continue the policy paying from home. Payroll deduction of the Aflac Short Term Disability policies will cease 12/31/21.

If you have had a salary increase, you may increase your benefit amount at Open Enrollment, up to the benefit maximum.

Short Term Disability can be used for maternity claims. One America will pay for six weeks for non-Caesarian delivery or eight weeks for Caesarian delivery, minus any elimination period. Maternity could be considered a pre-existing condition if you deliver within 10 months of the effective date of the policy. There is a 12/12 pre-existing condition limitation as defined by the policy on all claims in the first year of coverage.

If you need assistance or have questions about your short term disability benefit amount, contact The Drury Group - Jennifer: 615-628-3377 (JenniferD@DruryGroup.com) or Charles: 615-628-3382 (CharlesP@DruryGroup.com).

One America Long Term Disability provides a benefit when your disability continues for longer than three months. Upon approval of your claim, this coverage pays you 60% of your salary, as long as you are medically disabled or until you reach social security defined retirement. Premium rates are based on your age and salary level. There is a 12/24 pre-existing condition limitation.

One America Voluntary Life Insurance may be elected in increments of \$10,000, up to a maximum of \$750,000 or 7x your annual salary, whichever is less. Guaranteed issue amount is \$250,000 or 5x your annual salary, whichever is less. Any amount over guaranteed issue is subject to additional medical questions. If you participate, you may also elect coverage for your spouse, up to a maximum of \$100,000 or 50% of the employee amount, whichever is less. Guaranteed issue amount for spouse coverage is \$50,000 and they must be under the age of 65. You may also elect coverage for a child or children, up to age 26, with a maximum of \$10,000.

Aflac Accident coverage pays cash benefits in the event of a covered accident. Coverage is for injuries on or off the job. Benefits are based on a set fee schedule. Includes coverage for accidental death and dismemberment. After one year of coverage, this policy pays a wellness benefit of \$50 per year for wellness checkups.

Aflac Critical Illness coverage pays a cash benefit upon diagnosis of a covered critical illness, including cancer, stroke, heart attack and other covered illnesses. You select a benefit amount at enrollment, from a minimum of \$5000 to a maximum of \$50,000. Premiums vary based on the benefit amount selected and your age. After one year of coverage, this policy includes a health screening benefit of \$50 per year for covered health screening tests, including mammogram, PSA, stress tests, or certain blood tests. Spouse coverage is also available.

VISION:

At Open Enrollment, you will have two Cigna Vision plans to choose from:
