

Humana mobile apps

MyHumana App: We go where you go

Access your health information on the go with the MyHumana© App. With our mobile app, you have the ability to manage your healthcare needs anywhere, anytime. **Download the MyHumana App today!**

How It Works

Login into the MyHumana app using your MyHumana member name and password. From the home screen, you can access great features like your Humana ID Card, claims information and provider finder.

Features

COVERAGE & BENEFITS – View important information you need about your plan details, including deductibles and balances. Also view information for dependents and other delegated members covered under your plan. Share your coverage information directly to your provider via fax.

ID CARDS – View your Medical, Dental and Pharmacy ID Cards. Share your ID cards with your provider via fax.

SPENDING ACCOUNTS –View your latest transactions and account balances.

CLAIMS – See your latest claims, their status, summary and detailed information.

PROVIDER FINDER – Locate in-network providers by specialty. Search via your current location* or enter a ZIP code to search anywhere you need. Quickly locate hospitals or urgent care centers with one tap of your finger*.

Humana Pharmacy

If your plan includes Humana Pharmacy® mail delivery, you can skip the lines at the pharmacy and order your prescriptions from anywhere with our mobile app. Request and refill prescriptions, set pill reminders or check order status—all from the comfort of your home or while on the go.
