### PRESS RELEASE

On July 3, Tennessee Governor Bill Lee signed Executive Order 54 to grant county mayors in 89 counties the authority to issue local requirements that citizens wear face coverings in public places in order to slow the spread of COVID-19 cases, which have significantly risen in recent weeks. Governor Lee encouraged every Tennessean across the state to use a face covering or mask, to socially distance and wash hands frequently. Today, the Governor issued Executive Order 55, which extends the authority granted to counties through August 29, 2020.

After consultation with each of the mayors of the various municipalities in Williamson County, the School Superintendents for the two school districts within the County, as well as physicians and members of the health care community, Mayor Rogers Anderson finds that there is a consensus that wearing a cloth or other face covering should be required in certain circumstances in Williamson County. Mayor Anderson recognizes that there are many varying opinions on this issue, but believes that asking Williamson Countians to continue to wear a face covering in indoor public places, and in outdoor public places where distancing is not possible, is a necessary safety measure in order that our local businesses may remain open and our schools will be able to continue in their plans to open in the coming weeks. Mayor Anderson believes continuing this requirement will help ensure the continued decline in cases; and this simple measure can help to protect our citizens during this unprecedented time.

Keeping in mind that Williamson County and its residents are known for caring for one another and setting good examples, especially when it comes to the health and safety of our loved ones and our neighbors, the attached county-wide Executive Order, granted by the authority of the Governor of the State of Tennessee, is hereby enacted requiring citizens to wear masks or face coverings when in public places and social distancing is not possible, with an effective date of 11:59 p.m. on August 3, 2020 in Williamson County. Citizens should carefully read the order, as there are a number of exceptions based upon specific health or safety issues, as well as situations where individuals can safely distance and do not need to wear face coverings for their safety. This order is set to expire at 11:59 p.m. on August 29, 2020.

Respectfully,

Williamson County Government

### DECLARATION OF PUBLIC HEALTH EMERGENCY BY WILLIAMSON COUNTY MAYOR

**WHEREAS**, the President of the United States, the Governor of the State of Tennessee, and the Mayors of a number of municipalities in the state of Tennessee have made emergency declarations related to the COVID-19 pandemic, and have recognized it as a public health emergency; and

**WHEREAS**, the Centers for Disease Control and Prevention (CDC) and Tennessee Department of Health (TDH) advise the use of cloth or other types of face coverings to slow the spread of COVID-19; and

**WHEREAS**, immediate action to slow the spread of COVID-19 in our communities is necessary in order to be able to safely allow governmental operations to continue, businesses to remain open, and schools to reopen in the fall; and

**WHEREAS**, widespread use of face coverings is believed to be effective in slowing the spread of COVID-19 by reducing the chances of symptomatic and asymptomatic people transmitting the virus to others, especially when used together with other protocols including 6-foot social distancing and hand hygiene; and

**WHEREAS**, on July 3, 2020, Governor Bill Lee signed Executive Order 54, strongly urging all persons to wear cloth face coverings or other similar coverings in public settings where being in close proximity to others is anticipated, and

**WHEREAS**, Governor Lee, through Executive Order 54, and Executive Order 55, delegated authority to county mayors in the 89 counties that do not have a locally-run health department (including Williamson County) to issue orders requiring the wearing of face coverings within their jurisdictions, subject to certain limitations, for the purposes of slowing the spread of COVID-19; and

**WHEREAS**, the numbers of positive COVID-19 cases in Williamson County and surrounding counties have significantly increased in the last thirty days; and

**WHEREAS**, widespread use of face coverings is a preferred alternative to the continued closure of schools and the closure of businesses in our community, which closures would likely become necessary if action is not taken; and

**WHEREAS**, after consultation with the Mayors of the various municipalities of Williamson County and the School Superintendents for the two school districts within the County, the County Mayor finds that there is a consensus that the wearing of cloth or other face coverings should be required in certain circumstances, and that such a requirement should take effect as soon as possible;

**NOW, THEREFORE, PURSUANT TO THE AUTHORITY DELEGATED BY EXECUTIVE ORDER 54 AND PURSUANT TO GOVERNOR LEE'S RECOGNITION OF A CONTINUING STATE OF EMERGENCY AND MAJOR DISASTER RELATED TO COVID-19**, the Mayor of Williamson County, Tennessee, after consultation with the Mayors of the various municipalities within Williamson County, the School Superintendents for the two school districts within the County, as well as physicians and members of the health care community, issues a Declaration of Emergency related to the COVID-19 pandemic, and

**IT IS FURTHER ORDERED** that this Order does not apply to:

This local order constitutes an order promulgated pursuant to Tennessee Code Annotated, Title 58, Chapter 2, Part 1. While it is the hope and expectation that Williamson County citizens will comply with this Order out of a sense of civic duty and respect for their fellow citizens, and attempts at education and communication are the preferred methods of obtaining compliance, state law provides for enforcement of this Order if necessary.
