

IN-NETWORK VS. OUT-OF-NETWORK COVERAGE.

How your Cigna Medicare Advantage PPO plan works.

You have the option of using in-network or out-of-network providers, as long as they participate in Medicare and accept the plan. And unlike many other PPO plans, your cost-share to see an in-network provider or out-of-network provider is the same.

In-network providers

A doctor or health care professional who contracts with Cigna to see Medicare patients.

- › You pay your copay or coinsurance according to your benefits, and your health care provider bills Cigna for the rest. Provider is paid according to their contract with Cigna.
- › In-network Cigna Medicare Advantage PPO providers participate in Medicare and already accept Cigna as part of their contract.
- › They must continue to see you if you're an existing patient.
- › They may choose not to see you if you're not an existing patient and they are not accepting new Medicare patients at that time.

Important:

If your provider has questions about your plan, please show them the reverse side of this flyer. We've provided information to help answer questions they may have.

Out-of-network providers

A doctor or health care professional who doesn't currently contract with Cigna to see Medicare patients.

- › You can see any out-of-network provider that participates in Medicare and accepts the plan. This means the doctor is willing to treat you and bill Cigna.
- › You pay your copay or coinsurance. Cigna will pay the rest of the cost of your covered services, including excess charges, up to the Medicare-set limit.
- › An out-of-network provider may refuse to directly bill Cigna, and ask that you pay the full allowable amount set by Medicare. If that happens, you pay the doctor, then submit your claim to Cigna for reimbursement, less your copay or coinsurance.
- › If your doctor won't accept the plan, call Customer Service at the phone number below. Cigna will reach out to the doctor on your behalf to explain how the plan works. In most cases, this will resolve the issue.
