2020 Annual Corrective Action Review

The Williamson County Sheriff's Office shall review data collected and aggregated pursuant to Prison Rape Elimination Act § 115.87 in order to assess and improve the effectiveness of its sexual abuse prevention, detection, and response policies, practices, and training, including by: (1) Identifying problem areas; (2) Taking corrective action on an ongoing basis; and (3) Preparing an annual report of its findings and corrective actions for each facility as well as the agency as a whole.

Review Board Members: Chris Gray – Detention Staff Sergeant, Chad Youker - Detention Lieutenant, Sean Luther - P.R.E.A. Coordinator, and Seth Obermeyer - P.R.E.A. Investigator.

Annual Review Findings:

This year we underwent a PREA audit: **We passed the audit by meeting or exceeding all standards set forth by PREA.** In an effort to keep up with best practices, we have made minor changes to the facilities operations which are listed below.

1. **We have significantly upgraded our video documentary and surveillance capabilities by increasing the number of cameras in the facility and in inmate activity areas. This has significantly reduced, "blind spots".**
2. **The MOU with S.A.C. has been rewritten so that it automatically renews for the following year.**
3. **A running list has been created of all potential predators/victims within the inmate population to ensure that they are not housed together.**
4. **A staffing deviation form has been created to ensure compliance with PREA standard 115.13**
5. **The "PREA PC status" has been removed after this change was suggested by the auditor as it was deemed unnecessary.**
6. **The annual PREA training and the 2-year refresher training are now disseminated via Power DMS automatically.**
7. **The PREA 30 Day Reevaluation Form has been created in order ensure compliance with PREA standard 115.41 (f)**
