

**Rogers C. Anderson**  
Williamson County Mayor

## WILLIAMSON COUNTY GOVERNMENT

January 30, 2026

### PRESS RELEASE

As a result of current weather related storm debris, Williamson County Mayor, Rogers Anderson has announced today that the current 5-ton yearly limit of debris at the Williamson County Landfill is temporarily being increased to 10-tons/year at no charge to the resident, effective immediately until close of business on February 20, 2026.

The Landfill operating hours are Monday through Saturday, 7:00 am until 3:15 p.m. For GPS directions, please use 5750 Pinewood Road and proceed to 5760 to the entrance of the Materials Recycling Center (MRF).

This usage is permissible for Williamson County residents only, living at a Williamson County residence a minimum of 180 days per calendar year.

Residents **must show a valid Tennessee Drivers License upon entering the MRF.** Should the resident hire a private contractor for this removal service, the private hauler will be charged for the unloading of the debris and there will be two (2) scales in operation.

If the county resident with the valid TDL is present in a commercial vehicle upon arrival at the MRF, there will be no charge to the hauler.

Convenience Centers are not currently accepting storm debris. If residents can wait until warmer, safer weather to clear their personal property, the convenience centers will be accepting the storm debris at a later date.

Diane Giddens, Chief of Staff  
Williamson County Mayor's Office
