INSTRUCTIONS

Pavers may be purchased to honor any Veteran whose death occurred while that individual was either in military service or after their service was completed. The Veteran does not have to be a former resident of Williamson County. Three lines of not more than eighteen (18) spaces may be used. Purchase price is \$65.00, and your order must be placed before February 15th so that there is sufficient time to engrave and position the paver prior to the next Memorial Day Service.

Anyone who purchases a paver will also receive a copy of the Williamson County Bicentennial publication *Portraits in Time*. Copies will be made available at the Veterans Services Office and the Williamson County Archives. Mailing cost is \$4.00.
